

An inspired Florida State track team fought tough odds and a solid University of Tennessee team Monday in Knoxville, and came out with a 75-70 in a meet decided in the final event.

The win, coming as it did over the Southeastern Conference indoor champ (by virtue of winning the 1964 Coliseum Relays at Montgomery, Ala. in January), and on the heels of an equally - close 74-71 victory over Florida Saturday, capped what FSU Coach Mike Long termed "probably the greatest track weekend we've ever had in my time at FSU."

Tennessee, rising in Southern track circles, swept through the distance events and threatened to upset the favored Seminole field events specialists. But 240 - pound senior Al Williams turned in a double win in the shot put and discus, to tie the meet in the last field event.

Williams put the shot only 46 feet, six and three-eighths inches, but it was good enough to win. All times and distances were below par. Rain in Knoxville had been so heavy that the meet was switched from the UT track to a local high school oval.

Williams added a winning discus throw of 146 feet, six and one - fourth inches.

FSU's Mile Relay team came home in 3:26 flat in the event that decided the issue. Doug Ferry, quarter - mile runner - up behind McDaniel, teamed with Tom Houston, McDaniel, and Hank Raehn to win the last event of the day.

The Seminoles, missing injured miler Dick Roberts, had driven to Knoxville on the day of the meet. And they had defeated Florida in a dual meet Saturday, giving them one day's rest. Long said afterwards that, strangely enough, FSU participants in the Tennessee meet appeared fresher than the UT runners.

Terry McDaniel, the Seminole middle - distance star from Tallahassee who has beaten in the quarter - mile Saturday by Florida's Pete Rowe, returned to his winning ways Monday. He toured the quarter in 49.9 over a track of mud, after win-

ning the 220 yard dash in 22.5.

McDaniel's speed cohorts, Johnson, Sable, and Cato surprised themselves and everyone else by running 9.5, 9.6, and 9.6, to finish 1-2-3, in the 100 yard dash. The times seemed incredible considering the condition of the track. Sure enough, when measured it proved to be only 91 yards long.

Copley Vickers, Most Outstanding in the recent Florida Relays, won the Two - Mile for Tennessee and finished second behind teammate Rocky Sodenberg in the Mile.

Tennessee's Ray Kodres, clearing an even fourteen feet, upset FSU school record holder Don Pharis in the pole vault.
