

GAINESVILLE (AP) — Florida nailed down five firsts to sail to an easy victory Saturday over Florida State and three

Southeastern Conference track teams in the 4th annual Gulf Coast Relays.

Keyed by a surprise win in the 220-yard dash by Roger Carson, the Gators scored 79 points to 69 for Florida State, Alabama's 46, 42 for Mississippi State and Auburn's 34.

Besides Carson's 21.8 winning performance, Florida took firsts in the long jump, 880, discus, and high jump.

Although they won easily, the Gators took no part in the six meet records that fell.

Alabama's 440 relay team, anchored by Steve Williams, shaved two tenths of a second off its old mark of 41.2 set in 1968.

Ken Misner of Florida State ran the mile in 4:06.5 to shatter the 4:10.5 mark set in 1969 by Florida's John Parker. Parker placed third in Saturday's run.

Mike Sullivan of Alabama was timed in a record 51.7 over the 440 intermediate high hurdles. The old record was 52.4 set by Charles Vickers of Florida State in 1968.

The Bulldogs' Bruce Beal hurled the javelin 238 feet, 11 inches, to better Gator Mike Burton's 1967 toss of 225 feet, four inches.

Tim St. Lawrence, the Tide's third record-setter of the meet, cleared 15 feet, six inches in the pole vault. He set last year's mark of 15 feet, three and a half inches.

Mississippi State's mile relay team was clocked in 3:14.2. The Bulldog team, anchored by Dale Gibson, beat Florida State's record of 3:14.8 set in 1968.
