

FSU wins three events

BLACKSBURG, Va. — Ronnie Taylor won the 440-meter dash, with a time of 48.4, for Florida State at the Metro Conference Invitational Indoor Track and Field Meet Saturday.

The Seminoles only took five runners to the meet, with Philip Rolle and the mile relay team also winning their events. The five have already qualified for the NCAA championship meet, but they used the meet to familiarize themselves with the track.

"This is the only time this year we've had the opportunity to run on a track similar to the one being used at the nationals this year," said FSU coach Dick Roberts. "As you can see I'm very pleased with the results."

Florida State will travel to Gainesville to run in Friday's Florida Fast Time Invitational at the Stephen O'Connell Center before going to the national meet the following week at the Silverdome in Pontiac, Michigan.
