

FSU men, women swim to victory

Florida State's men and women's swim teams took easy victories over South Florida Saturday at the Florida State pool.

The men, celebrating Banner Day, collected about \$100 for the Bowman-Levy Scholarship Fund and won a 73-28 meet. The women topped USF 77-52.

The men won 11 events and swam

unofficially to two other firsts.

Florida Southern, totally out-matched, failed to win an event.

The only disappointment was the failure of the medley relay team to gain a national qualifying time after resting up for the event.

The women raised their dual meet record to 10-2 in the final dual meet of the season. This is the best record

in the team's history.

A double winner was Jeanne Dowdle in the 50-breaststroke and 50-freestyle.

The women begin their championship meet season next Thursday through Saturday with a trip to the Southern Intercollegiate championships.
