CARTER AND HARNDEN WIN EVENTS AT JESSE OWENS CLASSIC
Carter records her fastest 100m dash of the season.

COLUMBUS, OH -- The 15th Jesse Owens Classic was held at Ohio State University on Sunday and Florida State's Tonya Carter and Iain Harnden both had impressive showings. The event featured more than 15 schools, several world-class athletes, former Olympic athletes, and national champions.

Carter took first place in the women's 100m dash with a personal season best time of 11.15. That time is the second fastest in the NCAA this season and would have easily qualified Carter for the upcoming NCAA Championships, but the amount of wind at the time of the race invalidated the result for qualifying purposes. Carter was recently named to the All-ACC squad in four events and has won four ACC individual titles and an NCAA championship this season.

Harnden continued his dominant senior season by winning the men's 400m hurdles versus a strong field Sunday. Harnden posted a time of 50.75 which was an NCAA Provisional Qualifying mark but slower than his personal season best time of 50.39.

Samantha George also had a strong showing at the Jesse Owens Classic. George finished third in the 800m run with an NCAA Provisional Qualifying time of 2:06.37 and she posted the fastest time of any collegian in the field. George, recently named All-ACC in three events, is a four-time ACC Champion this season.

The Seminoles return to action Saturday May 13th when they host the Seminole Twilight. The Seminole Twilight will be the final home meet for Florida State this season.
