### QUOTES

#### Corey Murphy

*Athlete - Monmouth University*

What was the experience like compared to other years you have been here?

"It has been great, I have been coming here since high school so to win here in my final year really is special. I have grown a lot, physically of course, but a lot more emotionally. It was apparent when we were warming up in the rain, it was clear it was getting in a lot of other people's heads, but I just had to keep my head down and focus on what was ahead. I just had to make sure everyone was more uncomfortable (with the rain) than I was."
