1977-78 Outlook

The 1977-78 edition of the Lady Seminole Basketball team should prove to be interesting. Six starters returned from last years team, with one junior college transfer, and eleven freshman. Lack of playing experience, and height, pose the biggest problem for the Lady Seminoles second year coach Dianne Murphy. Ms. Murphy coached three years at Shorter College in Rome, Georgia where she started a winning basketball tradition. Murphy coached teams that have been rated for their strict discipline, superb conditioning, and awesome offensive balance. Strict discipline and conditioning are the elements to a succussful basketball program in the Murphy philosophy. Murphy has been active in the G.A.I.A.W. and F.A.I.A.W. and is currently F.A.I.A.W. basketball chairperson. She has served as a speaker in camps and clinics throughout the southeast and has published two articles on basketball in Woman Coach.

Juniors Shirley Silsby, Chris Brokas, Cherry Weigand, should provide playing experience for the Lady Seminoles. Depth problems could be solved with freshman players Karen Barrineau, Sandra Ruffo, Rose Harper, Jackie Arnold, Diane Wright, Becky Gailey and Brauna Hartzell. Sophomores expected to see considerable action and provide additional leadership are Kim Richardson, and Anne Collins. Rebounding problems could be solved if Cherry Rivers, Rita Ivy, Lisa Cathez and Peggy Hartvedt come through. Rounding out the 1977-78 edition of the Lady Seminoles are Melissa David, Patty McLaughlin, Terri Thomas and Denise Eilbacher.
