Coaches Quotes  
Florida State 89, Cincinnati 51  
Game #4  
Women's Metro Tournament

Marynell Meadors, Florida State

"I thought it was a great team win. Our defense was superb in the first half and I think that set the tone for the rest of the game. Our aggressive defense allowed us to never look back after jumping out to the early lead.

"The team was really ready to play tonight. We were intense and really concentrating on what we had to do.

"We're going to take it one game at a time. We were able to play a lot of people and that will work to our advantage. I wanted to be able to rest our starters some and we were able to do that."

Laurie Pirtle, Cincinnati

"Florida State played extremely well, hitting almost 70% of their first half shots and that really hurt us. We looked younger tonight than we had in a long time."

"I told the kids to play with pride and act like the score is on your side and to play hard. And they did in the second half."

"They had our offense spread out pretty far. You could see that our timing just wasn't there. We weren't putting pressure on the ball and that was allowing them to score easily and jump out to a 17-0 lead. We were really timid coming out."
