#### Auburn Head Coach Kim Evans

On win. .

"It's an important win. It is the end of the season and it gives us a boost of confidence going into the spring season. We were hosting, and you always feel you should win at home. Whenever you are hosting, you have so many expectations and you want to win big."

On nerves...

"We were shaky starting out, but they settled down and never let up. I am really pleased about that. They never gave up the last hole.

On the greens...

hink they were good and that they tolled the best today. They weren't quite so fast, they held well, and I think it was a good golf course today."

On tight race...

"It is fun. That is what you want. You want to be in the last group of the last day every chance. It was a lot of fun. A win is a win and we'll take it "

On the team...

"Maria's four under really packed a punch and Margaret (Shirley) shot three under. This is another big win for Maria and she did really great. She has led the team. Margaret had a big event and shot three under for us. We were able to come in under par with those two playing so well."

On prepping for today...

"We had a great time last night. The girls were all really excited. We were coming out here today with one thing in mind, and we accomplished that."

#### Auburn's Maria Martinez

On her win...

"I played really well today. I hit 18 greens and all the fairways. I played very solid. I am very happy with the way I played this week."

On the greens...

the eginning, I started a little slow but then the putts started to fall in and I kept it going."

On team...

"We had a really good game today, and I feel that we did what needed to be done to come up with the win."

On her 1 ound...

"I started out actually feeling pretty shaky. I calmed myself down saying that I just needed to play. In the middle, I started doing really good. I finished with a birdie. I just really wanted to finish my backside under par."

On the tournament...

"It is the last day and everyone is trying to pull through for their team and advance a little further. I just tried to do my best like every other day."

On team ..

"I think that we did a great job, I really do. Everyone tried their hardest and give 110 percent."

#### **Duke Head Coach Dan Brooks**

On play...

"We actually played well. We never really putted well in this tournament, and it was the same today. We just settled and had trouble getting the ball in the hole, putting wise. I can't take anything away from Auburn. They played really good golf and they beat us. We lost this tournament because Auburn played really well, not because we gave it to them."

On close race...

"I love i when it is close. That's what this is all about. I would love to win and win big, but it's always exciting when close. I have a lot of respect for Kim Evans and her program. I respect her team and they played well. That's what this is all about."

On nerves...

"Nerves are always there, but I wouldn't say that it was anything about this being the last tournament of the fall. I don't think it affected our team. I just think we went out and played ok, and they went out and played a little better." Mendy Nestor
