FLORIDA STATE SOCCER OPENS SEASON WITH VICTORY

TALLAHASSEE, Fla. -- FSU freshman Maren Vik Edvardsen set an FSU record tonight for the most goals scored by a single player in a single game as the Seminoles defeated Furman University 4-2. Vik Edvardsen scored all four goals tonight at the FSU practice field as the Seminoles opened their season.

"Our veterans did a good job tonight of setting Maren up to score tonight," coach Kerry Dziczkaniec said. "It was a good night to play soccer and we now have something to build from."

Vik Edvardsen scored her first goal in the 23rd minute off an assist from Rachael Watkin. Sally Shelgren set the cross for Vik Edvardsen's second goal in the 39th minute. Furman's Leah Versteegen scored just before halftime on an assist from Lindsey Facciolo.

Danielle Foard came out with a strong through ball to assist Vik Edvardsen for her third goal and Lauren Lynch added an assist in the 70th minute for Vik Edvardsen's fourth goal. The final goal of the match came from Furman's Sarah Tollick in the 75th minute with the assist from Facciolo.

The Seminoles are 1-0 and head to the University of Georgia for the Georgia Invitational this weekend. Their first game will be at 2:00 this Saturday against Syracuse. The Seminoles return to home action on Friday, September 11 with an ACC match-up against Virginia at 7pm.

*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
