**FLORIDA STATE SOCCER DROPS HOME OPENER TO HURRICANES  
(FSU falls 3-0 to Miami)**

TALLAHASSEE, FL- The Florida State soccer team dropped their home opener to the Miami Hurricanes this afternoon 3-0 at the Seminole Soccer Complex. The Hurricanes improve to 1-0 as the Seminoles drop to 0-2.

"It was really frustrating when we would dictate play and not execute on the situations," Head Coach Patrick Baker said. "We out shot them 2-1 and they scored three goals, which makes it even harder. It's a tough lesson to learn; you can dominate the play and create all the situations but until the ball is in the back of the net, you can't win the games."

Miami's Deidre Bass scored the first goal for the Hurricanes in the 39th minute off a cornerkick from Jordan Sims. The Hurricanes' Allison McWhinney scored the second goal in the 54th minute during a chaotic shot-deflection battle in the Seminole goal. Mehryn Corrigan scored the Hurricanes final goal in the 79th minute. Florida State's Sarah Deacon led the team with six shots.

"We didn't execute the plays when we had them," Baker said. "We know what we have to work and will take this week to regroup and focus on Friday's game."

The Seminoles will take on Mercer on Friday, September 3 at the Seminole Soccer Complex at 7:30pm.

\*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
