FLORIDA STATE SOCCER SHUTS OUT STETSON (SEMINOLES IMPROVE TO 3-2)

TALLAHASSEE, FL -- The Florida State soccer team took a 4-0 win over the Stetson Hatters tonight at the Seminole Soccer Complex. The Seminoles improve to 3-2 as they Hatters drop to 1-3.

"We struggled a little bit in the first half, whether it was from the long day on Tuesday or what but we came around in the second half and got it done," Head Coach Patrick Baker said. "Our second half had the characteristics of how we can play and how we need to be playing. The second half was definitely stronger because we took the chances we created and finished some of those off. Now we just need to finish off the others."

Freshman Cindy Schofield knocked in the first goal at the 35:36 mark off a rebounded ball from Stetson goalkeeper Genevieve Roy. Junior Sarah Deacon added her goal at the 53:09 mark after a scramble in the goal box. Sophomore Maren Vik Edvardsen then knocked in two goals, one unassisted at the 73:10 mark and the other off a cross from Schofield at 81:19. The Seminoles also outshot the Hatters 30-1 with Roy tallying eight saves for Stetson.

"We knew Stetson would come out and play us hard tonight," Baker said. "Whether it was the television game or being an in-state rival, we knew they would come out hungry. We did a good job of defending but also did an excellent job in creating the scoring chances."

The Seminoles will return to action on Saturday, September 11 as they head to Miami to take on the Florida International Golden Panthers at 7pm.

SCORING SUMMARY

	1st	2nd	Final
FSU	1	3	0

*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
