**FSU SOCCER FALLS TO #21 DUKE
(The Seminoles drop to 8-8-1 on the season)**

TALLAHASSEE, FL -- The Florida State soccer team dropped an Atlantic Coast Conference match this afternoon to the #21 Duke Blue Devils 3-1 at the Seminole Soccer Complex. The Seminoles drop to 8-8-1 (0-6-1 in the ACC) as the Blue Devils improve to 10-7 (2-4 in the ACC).

"Duke deserved to win today; they were the better team," Head Coach Patrick Baker said. "At half time we talked about going out and trying to score a goal every 15 minutes. When Meredith (Jones) scored that first goal, we found a little bit of momentum. We had some really good chances this afternoon but couldn't capitalize on those chances."

Duke's Sherri Kester scored her first of two goals at the 15:54 mark after taking a rebounded ball off FSU goalkeeper Jamie Gurtov and knocking it in. Kester then added the second goal at the 29:37 mark off an assist from Rebecca Smith. The Blue Devils scored the third goal of the game with Kasey Truman adding her unassisted goal at the 39:47 mark to give Duke the 3-0 lead at half time. Florida State freshman Meredith Jones put the Seminoles on the board at the 54:10 mark with a goal off a rebound from Duke goalkeeper Isis Dallis. Florida State held the Blue Devils scoreless in the second half but fell 3-1.

"I have to give credit to Isis Dallis in goal today," Baker said. "She did a fantastic job. We also learned today that we have to play for a full 90 minutes, no question about it. It's just something we're trying to learn this year."

The Seminoles will return to action on Thursday, October 28 at 3pm as they travel to Auburn, Ala., to take on the Auburn Tigers.

*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.
