Special to The Democrat

MIAMI — Florida State's softball team advanced in round-robin play at the Miami-Dade Community College tournament Thursday with a 6-2 win over Florida.

FSU scored all six runs in the first two innings, helped by a home run by winning pitcher Robin Willy, and

hung on with fine defensive play by outfielders Trish Hardy and Mary Scheuler. The tournament concludes Saturday, and FSU, now 7-0, plays its next game this morning at 9 against Miami.
