

FSU women capture title

Special to The Democrat

ST. AUGUSTINE — The Florida State women's softball team won another tournament title and gained a measure of revenge in the process Saturday, whipping Flagler twice in one day to earn the Flagler Invitational championship. Flagler, which had defeated FSU in the two teams' only meeting this year before Saturday, fell 12-11 and 8-2 to the Seminoles.

FSU scored four runs in the top of the first inning in the first game to take a commanding lead, but Flagler scored seven in the bottom of the seventh to throw a good scare into the Seminoles. In the second game, FSU was never in trouble. The Seminoles are now 25-4 on the year.
