**Regional Tournament  
May 22-23  
Florida State University**

**COACHES QUOTES:**

Florida State Head Coach Dr. JoAnne Graf:

"It was a very long game. We had several chances to score early. We got a lead and rested on it. They tied it up and then it seemed like we both had trouble. I thought that a error might end it . I was happy that we got solid hits to finish it off.

"I was getting a little worried when they were getting the leas run on and we weren't. I think we'll be ready for tomorrow. We have confidence at the plate.

The two games don't worry me- it's just like a double header."

"Tomorrow we can't have 18 strikeouts and expect to beat them. Today was a case of a good pitcher coming out ready. She'll pitch again tomoorow but we hope to reverse the outcome."

"Marla handled the pressure well tonight. She had Iowa swinging at pitches that weren't strikes at the end of the game- and that's the sign of a good pitcher. She's tough and gutsy and she has the stamina to go long distances."

Marla Looper, FSU Winning Pitcher:

"I didn't feel pressure. It was intense but I live for that. If there wasn't pressure involved then it wouldn't be worth playing. "
