

FSU women lose in tennis regional

TUSCALOOSA, Ala. — Florida State's women were eliminated from the regional tennis tournament here, with a 5-4 quarterfinal loss to South Florida.

The Lady Seminoles beat Auburn 5-4 earlier Friday, and had they beaten South Florida they would have gone to the AIAW national tournament.

Penny Nieporte and Cheryl Cordes were outstanding for FSU, winning both their singles and doubles matches against both Auburn and South Florida.

FSU finished the season with a 22-6 dual match record.
