

Florida netters drop FSU 8-1

Florida's nationally ranked women's tennis team defeated Florida State 8-1 Tuesday on the Montgomery Gym courts.

"I'm disappointed with the 1-8 score," FSU coach Anne Davis said. "We had a couple of close matches that could have gone either way. Florida has a good team and has more experience than we do."

The Lady Gators, 12-5 and ranked fifth in the nation in the preseason, posted a 9-0 decision over FSU earlier in the season.

Cissie Donigan paced Tuesday's triumph with a straight-set win over Suzanne Doumar in No. 1 singles.

The Lady Seminoles, 19-12, travel to Tampa Friday to take on South Florida, then to DeLand Saturday to play Stetson.
