

## Seminole spikers win pair

The Florida State women's volleyball team won a pair of matches Tuesday in Tully Gym to up its record to 18-8.

The Lady Seminoles beat South Alabama in the first match, 15-5, 15-1, then came back to top Lake City Community College, 15-7, 15-6. Rhonda Petty led the way for FSU with 12 point-spikes in the two matches.

"It was extremely hard to show what we can do playing against teams that are not as skilled as we are," said FSU coach Cecile Reynaud. "But it was good that we were able to play everybody."

FSU's next match is this weekend when it hosts the FSU Invitational.
