

## FSU spikers lose regional bid

ORLANDO — The FSU volleyball team's season ended Saturday when the Lady Seminoles were eliminated from the semifinals of the Region III tournament by Alabama and Miami.

FSU had won this event, and advanced to nationals, each of the past two seasons.

After beating Mississippi Friday night, the No.1 seeded Lady Seminoles were upset by Alabama and Miami in consecutive matches.

FSU placed senior Margie Wessel and sophomore Alicia Cross on the All-Region team and ended its year with a 43-14-1 record and the state championship.
