

Georgia downs FSU

It took five games, but the University of Georgia Lady Bulldogs finally defeated the Lady Seminoles, 10-15, 15-13, 13-15, 15-5, 15-5.

Thursday night's win marked the first time in seven years Georgia has defeated FSU in women's volleyball.

In spite of the loss, Seminole Cecile Reynaud was pleased with her team's effort. "It's the best fight I've seen them give all year," Reynaud said. "The amazing part is, there were four freshmen on the floor most of the night."
