JULIE LARSEN-BAKER

Julie Larsen-Baker was one of FSU's all-time greatest softball players and one of the finest athletes in school history. Larsen's power pitching style led the Lady Seminoles to their first ever top twenty ranking in 1986. But for a player with Larsen's drive and determination a national ranking was not nearly enough. The following year she led Florida State to its first appearance in the fast pitch College World Series.

The California native had one of the most successful softball careers in Lady Seminole history and helped to launch Florida State into national prominence where it remains today. Larsen's career totals include a school record 834 strikeouts, 12 no-hitters, six perfect games, and an amazing 50 shutouts.

Following her standout athletic career at Florida State, Larsen married Seminole Assistant Baseball Coach Chip Baker in a memorable ceremony at home plate between games of a double-header on May 7, 1991 at Dick Howser Stadium.

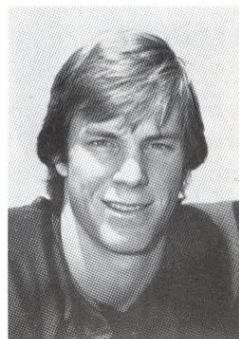

MONK BONASORTE

When Monk Bonasorte came to Florida State in 1977, he was a fifth string walk-on with virtually no shot at playing time. When his college career was over, the defensive back had etched his name in FSU football history.

After a solid sophomore campaign in 1978 with 72 tackles and three interceptions, Bonasorte stepped into the spotlight. Bonasorte starred on one of the toughest defenses in FSU history and led the nation in interceptions for the majority of his junior season in 1979. The Pittsburgh, PA native finished with eight interceptions which ranked fourth in the nation and set a new Florida State record.

With four interceptions in his senior season, Bonasorte set the FSU career mark with fifteen. Both his season and career interception records stood for eleven years.

Bonasorte enjoyed a brief pro career and served as an assistant coach in the USFL before settling in Tallahassee.

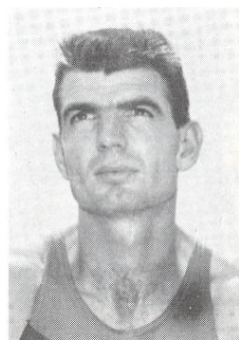

DAVE CAPPELEN

Davy "Point Man" Cappelen was the starting place kicker and leading scorer at Florida State from 1976-79. The four-year letterman was a team leader who made his kicking accomplishments seem effortless.

Cappelen broke FSU's career scoring record against Florida his junior year. As a senior, he scored 70 points, converting 14 of 22 field goals and 28 of 29 extra points. In 1979 against South Carolina, Cappelen connected on 4 of 4 field goal attempts which included a kick of 51 yards. His four year scoring total of 250 points is now third on FSU's all-time list. Cappelen was named to the All-Independent Team in both his junior and senior years.

Cappelen signed with the St. Louis Cardinals and later with the New Orleans Saints, but injuries cut short his kicking career. Cappelen began teaching and coaching on the high school level with the same commitment he did as a player and is achieving the same kind of success.

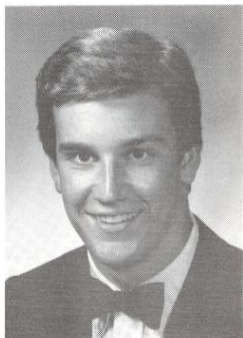

JIM CASTEEL, Jr.

Jim Casteel was the first recipient of a full track scholarship at Florida State. Casteel wrote the track record book after his arrival in 1954.

As a freshman, Casteel was unbeaten in the 440 and tied a school record with a time of 49.5 seconds.

Upon his return from the military in 1957, jim picked up where he left off and led the Seminoles to a team championship in the Florida Relays. The 1958 squad was one of the best in FSU's history, breaking 28 school records and tying two. Casteel, now a junior, was an outstanding point producer on the with 90.25 total, setting two records himself and was a member of the relay team that set two other marks. Casteel was named Outstanding Athlete his senior year in numerous events after a stellar season.

Jim and his wife, Eleanor, reside in his hometown of Avondale, Georgia. They are proud parents of two sons, James Mickael and Ronald Keith.

MIKE KOWALSKI

Mike Kowalski was one of the most successful swimmers in Florida State history. Kowalski was the first Seminole two-time All-American in swimming since the early 1960's.

Kawalski was the team MVP and captain in his junior and senior year. Before his career at Florida State was over, the Michigan native had broken

records in the 100 Free Style, 100 Backstroke, 400 Free Style Relay and 400 Medley. Mike combined with Dan Akre, Brian Jones and Pablo Morales to win a national championship in the 4x100 medley relay at the United States Swimming Long Cruise National Championships.

After leaving Florida State with a degree in Business Administration, Mike had one dream left—to participate in the Olympics. In the summer of 1988 he qualified for the 50 meter free style and 100 meter backstroke swimming events. He placed 12th in the 100 meter backstroke, placing him 30th in world ranking and then set the world's best time in the 50 meter.

In the business world, he is now CEO of the largest purveyor in Detroit, Michigan.

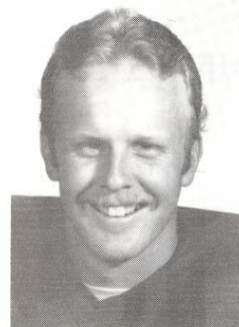

RICHIE LEWIS

With determination equal to his enormous talent, Richie Lewis established himself as one of the finest pitchers to ever take the mound at Florida State. Lewis coupled his competitive spirit with his blazing fastball and devastating curve to dominate opposing

hitters.

In only three seasons (1985-87), Lewis recorded 520 strikeouts in 392.2 innings. This not only remains a Seminole all-time record, but is also second in the NCAA record book. With overpowering arsenal, Lewis led the nation in strikeouts per nine innings in 1986 with a 14.2 average. He finished his career with 38 wins against only 12 losses. After leading FSU to consecutive College World Series appearances, Lewis collected rare back to back First Team All-America honors.

After his junior season, Lewis was drafted by the Montreal Expos in the second round and has enjoyed a long professional career with Major League appearances for both the Colorado Rockies and Florida Marlins.

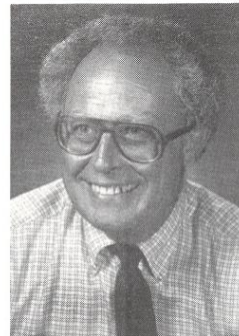

DANNY McMANUS

As Florida State football emerged into national prominence, Danny McManus was at the helm. His never-say-die attitude created a lasting impression on Seminole football and he is still listed among FSU's all-time greats at quarterback.

In 1987, McManus quarterbacked one of the most successful teams in FSU history. On the way to an 11-1 finish and a then-record number two national ranking, McManus led the Seminoles to huge road wins over previously undefeated Auburn and arch-rival Florida.

McManus' finest game came against Nebraska in the 1988 Fiesta Bowl. McManus orchestrated a 97 yard scoring drive with the game-winning touchdown pass coming on fourth and goal from the 15. He broke Fiesta Bowl passing records and was named MVP. He was named College Football's Exemplary Player of the Year by New York's Downtown Athletic Club following the season.

McManus has enjoyed a successful career in the professional ranks. After two seasons with the Kansas City Chiefs, he joined the Canadian Football League.

The Florida State University
Athletic Department
PRESENTS THE
MOORE-STONE AWARD
For Outstanding Service
To
Florida State Athletics

Dr. James P. Jones

For 25 of 38 years at Florida State University, Jim Jones has been deeply involved with the athletic program. Through his involvement on numerous boards and committees, Jones was a key figure in bringing FSU athletics to the next level.

Jones has served on the Athletic Board for 19 years and was the board's chair and faculty representative to the NCAA from 1980-84. Year after year Jones served on selection committees to fill top level positions within the Athletic Department. The most valuable service to FSU in the area may have been in 1975 when he was a member of the committee which named Bobby Bowden head football coach. Jones was also involved in the selection of baseball coaches Dick Howser and Mike Martin.

In addition to being a historian of the Civil War and World War II, Jim Jones has been a student of Seminole football. He published FSU ONE TIME: A HISTORY OF SEMINOLE FOOTBALL in 1973; FSU ONE TIME: THE BOWDEN YEARS in 1984 and GUTS AND GLORY: THE GATORS AND THE SEMINOLES in 1993.

In 1991 he was awarded the permanent designation, Distinguished Teaching Professor.
