*On behalf of the FSU Athletics Hall of Fame and
Recognition Committee, welcome to our annual induction of
"the best of the best" in intercollegiate athletics.*

*We are very fortunate to enjoy an athletics program which
reflects the integrity achieved by an academic institution with
over 150 years of success.*

*Tonight we welcome six outstanding new members to our
Hall of Fame. It is always a thrill to see so many of our
earlier inductees return to honor those who continue the
tradition of Seminole excellence.*

*Special thanks is due to Athletics Director Dave Hart and
his staff, our Varsity Club, and to Seminole Boosters. They
work each day to provide the support and resources which
give our student-athletes the chance to succeed.*

*We hope you enjoy your Hall of Fame/Varsity Club Weekend.
It's a wonderful part of the year-long celebration that is
Seminole athletics!*

Sincerely,

Doug Mannheimer

TERRELL BUCKLEY
Football

Terrell Buckley was among a few 1989 signees to see action in his rookie season when he ranked 9th in the nation in punt returns and saw significant time at cornerback. As a junior, the consensus All-American demolished the school record for interceptions in a season by picking off 12 passes and took over the FSU record for career interceptions with 21. In January 1992, Buckley was named the winner of the Jim Thorpe Award presented to the best defensive back in college football.

During his career, the Pascagoula native had established a new NCAA record for interception return yardage in a game with 55 yards on two steals against Florida. His career interception return yardage of 501 also yards broke the NCAA record set in the 1970's.

Buckley is currently with the Miami Dolphins and is entering his 12th season in the NFL. He and his wife Denise have three daughters and reside in Plantation, Florida.

J.D. DREW
Baseball

Jonathan Drew rewrote history as he established himself as one of the best hitters in college baseball. JD as he was known to Seminole fans was a consensus 1st Team All-American after becoming the only player in Division I baseball history to hit 30 home runs and steal 30 bases. The Hahira, Georgia native was named Player of the Year by *Baseball America*, *Collegiate Baseball*, *The Sporting News* and the Atlantic Coast Conference. He also received the Dick Howser Award given by the American Baseball Coaches Association.

Drew batted a FSU record .455 in 1997 while becoming one of just three players in Division I history to record a triple-triple – 100 hits, 100 runs, 100 RBI. He broke a total of 17 Florida State and ACC records. J.D. completed his final season being named to the College World Series All-Decade team and eighth in *Baseball America's* collegiate "Player of the Century" poll.

The left-handed outfielder was a first round draft pick by the St. Louis Cardinals and is currently playing his fifth season in the pros.

The Ft. Lauderdale native was named to the All-ACC Academic team and became a two-time All-American for Florida State. One of her most heralded feats came when she advanced to the quarterfinals of the 1995

NCAA singles championship, which was the highest any Lady Seminole had ever reached. During her time at Florida State, she maintained a national ranking, was a four-time All-ACC selection and took the singles champion's title at the Lady Seminole Classic.

In 1986, Jim King was elected to the House of Representatives where he served 12 years and in 1999 he was elected as Senator where he continues to serve today.

Currently the Senate President, Jim has consistently ranked as one of the Top 10 Most Effective Legislators in Florida and has received numerous awards for civic and charitable contributions.

Through all his success in his business, the House of Representatives and the Senate, Jim is best known to all of us as a brilliant visionary who built the Jacksonville Booster Club into a proto type for all clubs to follow.

His leadership in the legislature provided planning and funding for the new Marine Science Research Center which will house academic space as well as a home for the Seminole swim teams.

Jim has been a larger than life motivator who was called into the Seminole Booster Leadership Conferences for his inspirational speeches. His love for Florida State athletics is still evident in his contagious and spirited personality.

professional golf center at the Don Veller Seminole Golf Course placing the Florida State Seminoles at the top of its class in the world of collegiate golf.
