On behalf of the FSU Athletics Hall of Fame and Recognition Committee, welcome to our annual induction of "the best of the best" in intercollegiate athletics.

We are very fortunate to enjoy an athletics program which reflects the integrity achieved by an academic institution with over 150 years of success.

Tonight we welcome seven outstanding new members to our Hall of Fame. It is always a thrill to see so many of our earlier inductees return to honor those who continue the tradition of Seminole excellence.

Special thanks tonight to Athletics Director Randy Spetman and his staff, our Varsity Club, and to Seminole Boosters. They all work to provide the support and resources which give our student athletes the best opportunities to succeed for the Garnet and Gold.

We hope you enjoy this Hall of Fame/Varsity Club Weekend. It's a wonderful part of the year-long celebration that is Seminole athletics!

Sincerely,  
Doug Mannheimer

and Recognition Committee

MOORE STONE AWARD  
DENNIS BOYLE

In 1980, Dennis Boyle was hired as director of marketing for FSU Sports and was challenged to try and build a Seminole radio network over the state. His success in making the Seminole Radio Network and Bobby Bowden TV Show programming that would air all over the state of Florida showed the business acumen that would make him such a success in life. Dennis was instrumental in telecasting road games back to the Tallahassee market and in expanding the Bobby Bowden Show statewide.

A proud Florida State University alumnus, Dennis served on the board of the Seminole Boosters for many years, including as chairman in 1992. He was longtime Golden Chief and a compassionate leader in all that he undertook. In short, he was the very definition of a genuine Seminole who fits perfectly the ideals of the Moore Stone Award.

MIKE AUGUSTINE  
*Baseball*

Mike Augustine came south to Florida State in the fall of 1960 from his home in Philadelphia, PA. He would bide his time waiting for playing time within the Seminoles' highly successful baseball program, finally getting his chance at tournament time during his sophomore season – and he would never look back.

A lightning-fast center fielder, the lefthander exploded on the college baseball scene as a junior in 1963. He led the Seminoles in hitting with a .399 batting average that was over .400 right up until the final game of the season. He led FSU with a then school record 65 hits and struck out a total of just eight times all season. Playing with future FSU Hall of Famers Woody Woodward, Buddy Teagle,

and Ken Suarez, Augustine and the Seminoles won the District 3 title and advanced to the College World Series. Augustine was named All-America following the season.

As a senior in 1964, Augustine's 40 hits were second on the team. He once again showed an astonishing eye at the plate, striking out just five times in 35 games.

During his career at Florida State, the Seminoles advanced to the College World Series with a 23-14 record in 1962, a 27-13 record in 1963 and finished 23-13 in 1964. Augustine and Woodward became just the fifth and sixth All-Americans in FSU baseball history in 1963. He now lives in Pennsylvania and works in sales.

JEFF BRAY

*Track and Field*

Jeff Bray was considered one of the finest pole vaulters in the history of high school athletics in the U.S. over his career in Elks City, Oklahoma. He proved his prep career was no fluke, earning All-America honors and posting FSU records that have stood since he left the program.

Florida State competed in the Metro Conference during Bray's freshman season in 1991. He won the conference championship that year, then dominated the ACC over the

next three years. He was ACC indoor and outdoor champion in 1992 and the conference's outdoor champion again in 1993. Bray finished third nationally at the NCAA indoors in 1992 and would earn All-America honors three times over his Seminole career. He holds the ACC record in both the outdoor (18-61/2') and indoor (18-0.5') pole vault and won two ACC Championships.

Bray is now a high school teacher and coach in Texas.

DANIELLE COX

*Softball*

Danielle Cox came to Florida State in the fall of 1997 following an All-American junior college career. Over her two seasons at FSU, the Anniston, AL native would become one of the most accomplished softball players in school history.

Cox started all 72 games in left field as a junior in 1998 and ranked third in the ACC in triples and fourth in steals. And as a senior in 1999, she forged a Hall of Fame career. She led the country in 1999 in stolen bases with 73 which was the second highest in NCAA history. She finished 20th nationally with a .432 batting average. She led the ACC in stolen bases,

batting average and hits and was the MVP of the 1999 ACC Tournament. She was named first team All-America and earned a spot on the All-ACC and All-Southeast Region teams.

Cox set the Florida State record for career batting average (.366) and held the third spot in career stolen bases with 94 when she graduated. She became the first Seminole invited to the USA National Softball Team and played professionally with the Georgia Pride.

She now lives in south Florida and works as a special event coordinator for Girls and Boys Town of Broward County.

DR. CECILE REYNAUD

*Coaches and Administration*

Just one year after graduating from Southwest Missouri State in 1976, Dr. Cecile Reynaud was named head coach of Florida State's volleyball and over the next 26 years established the program as one of the nation's best. In the process, her name became synonymous with the sport at FSU and she became one of the country's most well-respected volleyball coaches.

Over the course of her career at FSU, Reynaud earned a Master's and Ph.D. from Florida State while heading the volleyball program from 1976-2001. She won 635 career matches at FSU, which ranks her among the Top 10 in Division 1A career victories. Ten of Reynaud's Florida State teams won berths in the NCAA Tournament, and she won six Metro Conference

Championships and one ACC title. She was named Metro Coach of the Year in 1988 and 1989, AVCA South Regional Coach of the Year in 1989, Florida AIAW Coach of the Year in 1991 and ACC Coach of the Year in 1992 and 2000.

Highly respected among her peers, Reynaud was heavily involved on the international scene and was chosen as the Deputy Competition Manager for the 1996 Olympic Games where she coordinated the volleyball activities at the Athens, GA venue. She was awarded the prestigious George Fischer Leader in Volleyball Award at the USA Volleyball National Meetings in 1996.

Reynaud currently works as an associate professor in the Sports Management program at Florida State.

BOB SHAVE

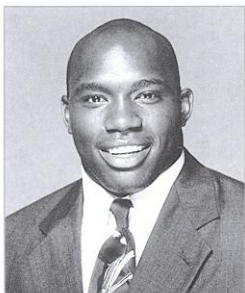

*Men's Golf*

Considered one of the finest golfers in FSU history, Shave captained the 1959 Seminole team and played with FSU greats Downing Gray and Dave Middleton. During his FSU career, Shave won a number of amateur tournaments, including the 1958 Ohio Amateur which he won by 18 shots. Bob is FSU's first golf All-American and only one of six male golfers in FSU history to earn first or second team honors.

Following his great FSU career, Shave went on to play professionally for seven years. He played in 116 events and amassed 14 Top 10 finishes and 35 Top 25 finishes over his career on the PGA Tour. His best

finish was a second place finish at the 1963 Cajun Classic Open. He made every cut in the 21 tournaments he played in 1961 and posted four Top 10 finishes in his most lucrative season on tour. Shave headlined the L.A. Times in 1963 when he battled Nicklaus and Gary Player over the final round of the Palm Springs Open.

Bob later became a golf professional in Miami before becoming the men's golf coach at FIU for 17 years. In 1990, he became the greens superintendent at Fountainblue Golf Course until he retired in 2005. He currently lives in the Ft. Lauderdale area.

REINARD WILSON

*Football*

No position in all of college football was more feared during the 1990s than that of defensive end at Florida State, and Reinard Wilson was one of the stars who earned that respect. He combined a tireless work ethic that followed him from his rural upbringing in nearby Lake City, FL with great upper body strength to become the prototype college end of the decade. Wilson earned consensus All-America honors as a senior in 1996, joining with Peter Boulware to give FSU the rare accomplishment of both first team AP defensive

ends coming from the same team. Wilson led the 1996 team with 105 total tackles and 13.5 quarterback sacks. Over his four-year career he accumulated a school record 35.5 sacks. He played on some of the finest defenses in college football history, including the 1993 team that won the school's first national championship. In 1997, Wilson was one of four Seminoles selected in the first round of the NFL Draft when he was chosen 14th overall by the Cincinnati Bengals. He played seven seasons before retiring in 2005.
