HALL of FAME ~ 2013

On behalf of the FSU Athletics Hall of Fame and Recognition Committee, welcome to our annual induction of "the best of the best" in intercollegiate athletics.

We are very fortunate to enjoy an athletics program which reflects the integrity achieved by an academic institution with over 150 years of success.

Tonight we welcome eight outstanding new members to our Hall of Fame. It is always a thrill to see so many of our earlier inductees return to honor those who continue the tradition of Seminole excellence.

We would like to welcome our new Athletic Director Stan Wilcox and thank his staff, our Varsity Club, and to the Seminole Boosters. They all work to provide the support and resources which give our student athletes the best opportunities to succeed for the Garnet and Gold.

We hope you enjoy this Hall of Fame/Varsity Club Weekend. It's a wonderful part of the year-long celebration that is Seminole athletics!

Sincerely,

*FSU Athletics Hall of Fame
and Recognition Committee*

MATT DIAZ
Baseball

Lakeland native Matt Diaz burst on the college baseball scene virtually from his first at bat in 1998 and finished his freshman season as *The Sporting News* Freshman of the Year. He earned first team Freshman All-America honors and was a third team outright All-American as a rookie. He also earned a spot on both the AFCA and NCBWA first team All-America squads as a sophomore in 1999.

FSU's star outfielder posted impressive career numbers over just two seasons including finishing sixth in both batting average (.384) all-time slugging percentage (.700). His 43 career home runs ranked him among FSU's all-time Top 10 and he finished 22nd in both RBIs (178) and total bases. Diaz also appears on a number of FSU's single season Top 25 lists including Top 10 finishes in home runs with 22 in 1998 that ranked 11th all-time, and 21 in 1999 which ranked 13th. His 94 RBIs driven in as a sophomore ranked eighth all-time and his .390 batting average in 1998 was 21st best in Seminole history.

After his sophomore year, the Tampa Bay Devil Rays drafted Diaz in the 17th round. He went on to lead the Rays in the minor leagues in hits and extra bases. His professional career led him to Kansas City, Braves, Pirates, Yankees and most recently, the Marlins.

JOANNE GRAF
Softball Coach

Softball coach Dr. JoAnne Graf finished her legendary career coaching on the field at Florida State that has been named in her honor. Over the span of her 30-year career with Seminole softball, Graf managed the unique accomplishment of building FSU into a national power in slow pitch softball and adjusting to the adoption of the fast-pitch format and continuing the programs domination.

Coach Graf's slow pitch teams won back-to-back AIAW (now NCAA) National Championships in 1981 and 1982 and she became the first collegiate softball coach in the country to earn 1400 victories before retiring in 2008. Florida State advanced to the College World Series seven times under Coach Graf and made 21 NCAA Regional appearances. She led the Seminoles to 10 Atlantic Coast Conference titles and was named ACC Coach of the Year six times.

Graf won over 75 percent of her games as a head coach (1437-478-6) and her Seminoles posted three season with 60 or more wins, 15 50-win seasons and 25 seasons with 40 or more victories.

Graf's players earned 25 All-America honors, 96 All-Region awards and 74 of her players were named All-ACC. In celebration of its 50th Anniversary, the ACC named the top 50 athletes in each sport and 23 of her FSU players made the 50-member roster.

After a successful career coaching, JoAnne went to work in the classroom as a professor until retiring this summer.

HALL of FAME ~ 2013

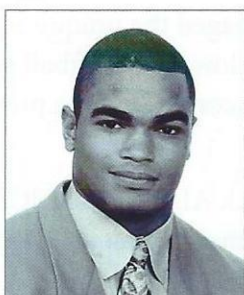

SEBASTIAN
JANIKOWSKI
Football

Sebastian Janikowski came to Florida State in 1997 from Daytona Beach where the strength of his leg was legendary. A soccer star at Seabreeze High, Janikowski grew up in Poland moving to the U.S. just before 10th grade.

Janikowski played three seasons for the Seminoles and by the time he left, his name was all over the FSU record book and he had completed a collegiate career that placed him among the best in the history of the game. He won the Lou Groza Award given to the nation's top placekicker as both a sophomore (1998) and junior (1999), but Florida State fans appreciate even more the 1999 National Championship Trophy he helped deliver.

Janikowski was a two-time consensus All-American and left as the ACC's all-time scoring leader and co-holder of the FSU record for field goals in a game with five against NC State as a junior. As remarkable as he was as a field goal kicker where he averaged a 76% career success rate, the value of his booming kickoffs to the Seminole defense were nearly equal. In 1999 alone, 68.7% of his kickoffs were not returned and a fair number of those sailed into the stands.

The Los Angeles Raiders made the rare move of selecting a kicker in the first round of the NFL draft when they picked Janikowski in 1999. Now a veteran Pro Bowler, Janikowski is in his 14th year with the Raiders.

JAMAL
REYNOLDS
Football

A native of Aiken, SC, Jamal Reynolds came to FSU in 1997 and earned a starting spot at the coveted position as a junior in 1999. The season was magical for Florida State as the Seminoles became the first team ever to go wire-to-wire as AP's No. 1 team giving FSU its second National Championship. Reynolds had three sacks of Virginia Tech quarterback Michal Vick in the Sugar Bowl. He earned second team All-ACC honors over the season.

Reynolds' senior season would see the Seminoles reach the National Championship game again. Reynolds dominated all other defenders that season and continued the remarkable run of outstanding defensive ends at Florida State earning the 2000 Lombardi Trophy as the nation's top defensive lineman. He was a consensus All-American and finalist for both the Bednarick and the *Football News* Defensive Player of the Year. He had 12 sacks, 15 tackles for loss, forced four fumbles and had three safeties in the 2000 season alone.

Reynolds' hall of fame career at Florida State included 23.5 quarterback sacks, which ranked fourth on FSU's all-time list. He totaled 33 tackles for loss and 170 career tackles. He was selected by the Green Bay Packers with the 10th pick of the first round of the NFL draft.

HALL of FAME ~ 2013

CINDY
SCHOFIELD

Soccer

Lakeland, Florida native Cindy Schofield became the first soccer player in Florida State history to be inducted into the Hall of Fame. Schofield starred for the Seminoles from 1999-2002 playing a large role in elevating the program from its inception to the national power that it has become.

Schofield, a forward from Jenkins High, was a four-year letterwinner and three-year starter for the Seminoles who earned the school's first-ever NCAA berth during her sophomore season (2000). She was named first team All-ACC as a junior and senior in the best collegiate soccer conference in the country, and FSU recorded its first win in an ACC tournament game during her career.

Schofield scored 42 points on 17 goals and eight assists as a junior (2001) which was the second most points ever scored in a season by a Seminole when she was inducted in 2013. She is also second on the Florida State career records list for goals scored with 40 and points scored with 102.

Cindy graduated in 2003 and then completed her master's in sport administration at Florida State. She spent several year coaching girls soccer at state powerhouse Tampa Prep. Schofield was recently inducted into the Polk County Sports Hall of Fame.

SAMMIE SMITH

Football

Everybody recruited Smith out of Apopka High in Zellwood, Florida. He possessed the coveted combination of size and blinding speed. While in high school, Sammie ran track played basketball and football. He was named a *USA Today* All-American and named all-state in football. He was also the 4A state champion 100-meter and 200-meter.

When Smith joined the Seminoles in 1986 it was the year that kicked off the unprecedented 14-year run of top five ranking and two national champions. The team finished 11-1 in both Sammie's sophomore and junior seasons and he was named MVP of the All-American Bowl and the 1989 Sugar Bowl. He rushed for 2539 career yards and 15 touchdowns and scored three more touchdowns receiving. Sammie finished his FSU career as the school's third all-time leading rusher to ever wear the garnet and gold.

But football wasn't Sammie's only talent. The two-sport athlete was also a star track athlete for the Seminoles. He won the Metro Conference 100 and 200-meter titles and also ran on the Metro Championship 400 relay team.

In 1989, Smith was selected by the Miami Dolphins with the 9th pick in the first round of the NFL draft. He played four seasons in the NFL.

HALL of FAME ~ 2013

KAREN
STUPPLES
Golf

A native of England, Karen Stupples made her way to Florida State wanting to develop her talent in an established program. A two-year letterman, she went on to earn 2nd Team All-American from the National Golf Coaches Association in 1995 and became one of three women golfers in school history to earn 1st or 2nd team honors. Karen was named All-ACC in 1994 and 1995 as well.

Stupples biggest collegiate wins included the Peggy Kirk Bell Invitational in 1994 and the Lady Gator Invitational in 1995. She finished her career with six top-10 finishes out of nine tournaments in her sophomore season and eight out of 10 as a junior. She is listed in the top 25 lists for Seasonal Average (8th-74.93 in 1995 and 19th-76.45 in 94) and Career Average (5th-75.71) in the Seminole record books.

After turning professional in 1999, Karen won the 2004 Welch's/Fry's Championship with a career-low 63 and was the British Open champion later that year. She is also a two-time member of the Solheim Cup team and continues to play for the LPGA.

DOUG
MANNHEIMER

MOORE STONE AWARD WINNER

Doug Mannheimer has been a solid source of strength for the Seminole Boosters and the FSU Athletics Department for decades. After graduating Florida State and the FSU Law School, he became an active volunteer for the Boosters during a critical time of expansion for the athletic department. A lead fundraiser and chairman for major gifts, Mannheimer played an important part of the development and realization of the vision to expand Doak Campbell over 80,000. As Booster treasurer, Doug signed the \$52 million bond documents to finance the first phase of what became known as the University Center, which is currently the largest stadium in the ACC and the largest continuous brick structure in the United States.

Mr. Mannheimer is also the Keeper of the Sod Cemetery. Under his watch, the Seminoles have won 44 new sod victory markers and the Sod Cemetery has become one of the most recognizable traditions in college football. For 15 years, he has managed the Moore Trust, which has been the leading contributor to Seminole Athletics. Last year, the Trust helped with a million dollar lead investment in Collegetown, as well as a million dollar lead contribution to the Al Dunlap Indoor Athletics Facility.
