Since Pat Kennedy's arrival just six years ago, the Florida State basketball program has grown to such prominence that the finest conference in America invited the Seminoles to join. With membership in the Atlantic Coast Conference, Florida State has aligned itself with the nation's most prestigious academic institutions as well as top athletic programs.

"We're moving into the finest conference in the country, and it will be a great challenge. We are very proud of the last five years of basketball at Florida State, and welcome the new challenge the ACC will bring."
