Seminoles Finish 2002-03 Among ACC and National Leaders in Several Categories

SEMINOLES LEAD THE ATLANTIC COAST CONFERENCE IN SCORING DEFENSE. Florida State led the ACC in scoring defense with a stingy 66.6 points per game allowed. The Seminoles finished ahead of Maryland by one-tenth of a point as the Terps allowed 66.7 points per game. It marks the first time the Seminoles have led the ACC in a statistical category since the 1994-95 season when they led the league in blocked shots and is the fourth time the Seminoles have led the ACC in a statistical category.

Year Category		Mark	Notes
2003	Scoring Defense	66.6	Lowest scoring defense mark since the 1950-51 season
1995	Blocked Shots	6.2	Corey Louis ranked 20th nationally in blocked shots
1993	Blocked Shots	6.0	Seminoles advanced to NCAA Tournament Elite 8
1992	Steals	9.4	Florida State finishes 2nd in first year in ACC

The Seminoles' 66.6 points allowed marked the fewest points allowed in a single season by a

Seminole men's basketball team since the 1963-64 season when the Seminoles held their opponents to a scant 65.6 points per game.

SEMINOLES FINISH SECOND IN ACC IN FIELD GOAL PERCENTAGE DEFENSE. Florida State finished second in the ACC and seventh in the nation in field goal percentage defense with a .391 mark. The 2002-03 Seminoles became the first Florida State team to hold its opponents under .400 shooting from the field since the 1956-57 season when J.K. "Bud" Kennedy's ninth team held its opponents to .396 shooting from the field. During the last 44 years, the Seminoles' opponents have shot above .400 each season, included at or above .500 percent four times. Seminole head coach Leonard Hamilton led Miami to the nation's No. 1 ranking in field goal percentage defense during the 1998 season. The Seminoles have been ranked in the nation's top 10 throughout the season and were the nation's toughest team to shoot against during the first four weeks of the season. During the Seminoles 16-game ACC season, they held six of the eight ACC teams below their season field goal percentage average. Only NC

State and Clemson shot above their season average against the Seminoles' defense.

The Seminoles played the third toughest schedule in the ACC (behind only North Carolina and Duke) and played a tougher schedule than Wake Forest (regular season ACC champions), Florida (no. 2 in the south region of the NCAA Tournament) and Maryland (NCAA Sweet 16 appearance). The Seminoles also had three wins over teams in the top 75 in the RPI ranking of all of the nation's Division I teams.

SEMINOLES' STEALING. With All-ACC secondteam selection Tim Pickett leading the way, Florida State averaged 9.4 steals per game in 2003. The Seminoles' per game average ranked

16th in the nation and second in the ACC. It was also one for the Seminole record book as the 9.4 steals per game average ranks second in school history. The school record is 9.5 steals per game.

Seminoles' Performance Shows Effects Of Leonard Hamilton's Rebuilding Efforts

COMPARING THE 2002-03 SEASON
TO THE 2001-02 SEASON. In addition to earning more wins during the 2002-03 season (14) than they had during the 2001-02 season (12), the Seminoles were much improved in most of their statistical categories. The Seminoles were arguably the most improved team in the ACC during the 2002-03 season.

SEMINOLE FREE THROW SHOOTING MOV-ING UP IN THE ACC STATISTICS. Junior Tim Pickett finished second in the ACC in free throw shooting (.865) and sophomore Anthony Richardson finished eighth in the same category in the league statistics (.788). Florida State was one of only three teams to place multiple players among the league's top 10 in free throw shooting. It also marked the first time since the 1997-98 season and only the third time in school history that two Seminoles have finished in the top 10 in the ACC in free throw shooting.

FLORIDA STATE'S IMPROVED FREE THROW SHOOTING. Florida State finished sixth in the ACC in free throw shooting percentage with a .672 mark during the 2002-03 season. It marked the first time the Seminoles had finished above seventh in the ACC statistics in free throw shooting percentage since the 1992-93 season. Florida State finished fifth in the ACC during the 1992-93 season and sixth during the 1991-92 season. The Seminoles' .672 mark from the free throw line was their highest since the 1999-00 season (a span of four years) when Florida State shot .684 from the line and the third highest mark since joining the ACC to begin the 1991-92 season.

66What Leonard Hamilton has done with Florida State so far is nothing short of remarkable. He has turned the Seminoles into a 9-3 team with credible victories over Iowa and Miami. Considering how he revitalized Oklahoma State in the late 1980s and established tradition at Miami in the 1990s, it should really come as no surprise. Hamilton's no-nonsense personality and his team's defensive style have branded an identity in Tallahassee. And more help is definitely on the way. They've signed two top junior college players, 6-6 slasher Antonio Griffin and 6-10 center Diego Romero, to beef up the frontline. But the recruiting class gem comes from 6-5 Von Wafer, a late-blooming wing from Louisiana who has emerged as one of the nation's top 10 players. 99

- Pete Thamel • ESPN.com

66 Individually, junior guard Tim Pickett has emerged as an All-ACC candidate largely on the strength of his defense. With 3.83 steals per game, Pickett leads the league in that category and is third in the nation. He's also scoring at a 16.7 ppg clip.

66The basketball gods were smiling on us when Tim Pickett saw we needed him more than South Carolina did. 99

- Leonard Hamilton • Head Coach, Florida State University

66The Seminoles' only loss was a one-point defeat to Florida. In the meanwhile, Florida State has beaten Iowa and crushed Miami. The source of the early success? The Seminoles are playing tremendous defense, holding Miami and Florida under 60 points and their first five foes to an average of 54.6 points – fifthest in the country. The architect of this defensive attitude is Leonard Hamilton and he can thank some of the success to the steal he got when Tim Pickett signed late in the season. Pickett is leading the Seminoles in scoring (16.2 ppg) and is second on the team in assists (5.4 apg). Combine all this and Florida State becomes a tough out for anyone in the ACC, especially on its home court. Expect Hamilton to make the Seminoles a top-five team in the ACC soon. If not this season, then definitely next. ?9

'Head of the snake'

Confident Pickett becomes target of ACC foes' defenses

BY LUCIANA CHAVEZ STAFF WRITER

TALLAHASSEE, Fla. - Michael Joiner didn't know what to think of Tim Pickett when his new teammate first came to the Florida State campus in August.

"I didn't know anything about him," Joiner said. "But when he came in with all the other new guys, he was so eager to play. It was a surprise. I hadn't been around that in awhile."

Joiner and the Seminoles were coming off a 12-17 season in 2001-02 and adjusting to new head coach Leonard Hamilton. Not knowing what to do with Pickett or the others, Joiner took them all to a nearby high school gym to play pickup ball.

"Coach had been telling me that this kid could flat-out play," Joiner said. "He hit some tough shots over someone and, right then, I knew what type of player he was. A confident one."

ACC opponents know it, too, having watched Pickett hit many tough shots this season. Pickett, who takes an average of 15 shots including nine 3-pointers per game, has been the focal point of the FSU offense while averaging 16.8 points.

Tve had to learn that in the ACC. I'm the marked man," Pickett said. "They see me as the head of the snake. I know they'll do anything to keep me from doing things I'm comfortable with."

FSU has been searching for people other than Pickett to score points since the loss early in the season of shooting guard Andrew Wilson, who has not played since Dec. 8 because of a torn ligament in his right wrist.

Without Wilson, Pickett ended up taking more shots than even he wanted to each game.

Through Sunday, Pickett had attempted 334 shots this season, 21 more than North Carolina's Rashad McCants at 313. He had attempted 206 3-pointers, 64 more than Virginia's Todd Billet with

"It felt like when Andrew got hurt there was a lull and I was trying to do too much," Pickett said. "I was taking like five or six bad shots a game. I was frustrated myself."

But Pickett has been able to ride out his own slump with team-

Tim Pickett, who leads Florida State in scoring, rebounds and steals, will face N.C. State tonight at the RBC Center.

mates Todd Galloway and Anthony Richardson picking up their own games. Besides, the Daytona Beach native has led the team in ways other than scoring.

"He'll make some hustle play like a steal or a 3," FSU guard Nate Johnson said. "He's always at the right place at the right time."

Pickett leads PSU in three categories, averaging 16.8 points (5th in the ACC), 5.7 rebounds(12th) and 3.1 steals (1st). He has a chance to be the first Seminole since Bob Sura in 1993-94 to lead the team in all three categories in a season.

Pickett takes defense as seriously as the rest. He ranks third in the nation in steals and his 69 total in 23 games is the third most in the country.

"He has great instincts," Hamilton said of Pickett's defense. "It is not necessarily easy for players to get all the rules for team defense right away. So I think his best basketball and defensive basketball is ahead of him."

It is ironic that Pickett has become FSU's man in the spotlight. He was signed, sealed and all but delivered to South Carolina last spring when the Southeastern Conference blasted Pickett's hopes. The SEC requires transfers from two-year institutions to complete at least three semesters at the school from which he will transfer.

Pickett most recently attended his final two semesters at Indian River Community College, where he set a record with 133 3-pointers.

South Carolina coach Dave Odom quickly called Hamilton about Pickett and Hamilton, who had taken over at FSU in January, quickly moved to talk to him.

Pickett's truck broke down on the way from his hometown Daytona Beach to meet Hamilton in Tallahassee but Hamilton drove to Daytona two days later. Pickett signed on Aug. 1, 2002.

signed on Aug. 1, 2002.

In Florida State's biggest win of the year, a 75-70 decision over Duke in Tallahassee on Feb. 2, Pickett fought for shots and didn't hit many. But he still made the game-winning free throws.

Pickett missed a free throw seconds earlier. So they must have been the biggest ones he has ever hit?

"Nah," he said after the game. When he paused to rethink that answer, a smile stretched his face.

"Yeah, they were," he said with

TALLAHASSEE, Fla. – Junior guard Tim Pickett led Florida State with 29 points and four steals, but the Seminoles still fell 87-84 to Team Nike in a double-overtime exhibition game. Florida State almost forced a third overtime after Andrew Wilson snagged an offensive rebound and tied the score at 84 with 8.3 seconds left, but Nike's Jamaal Davis hit a 3-pointer at the buzzer to end it. Pickett's 3-pointer in regulation tied the game at 69 to force the first overtime, in which he posted 5 of the Seminoles' 10 points. "You can see that he's feisty, and he's aggressive, and he plays with a full heart and that's what we're going to need on this team," coach Leonard Hamilton said of Pickett.

Pickett also led the Seminoles with a trio of 3-point shots in the contest, which ended Birmingham-Southern's four-game win streak. Watkins was the only Birmingham-Southern player to score in double digits against Florida State's swarming defense. Florida State hit only five-of-12 free throws in the first half but was 17-of-19 after the break. Birmingham-Southern did not get a single free throw opportunity in the second half. Trailing 33-25 at halftime, the Seminoles earned their first lead of the second half with 10:14 left. Freshman guard Todd Galloway drained a 3-point shot to make it 41-39. Florida State increased its lead on a jumper by Pickett and by going eight-of-10 from the line. Nate Johnson's 3-pointer at the 2:03 mark sealed it at 54-45. Galloway, who scored 12, saw increased time because starting sophomore guard Andrew Wilson is out seven to 10 weeks with a wrist injury sustained Dec. 8 in a win over Mami.

The junior guard hit 11-of-13 shots from the field – including 6-of-8 outside the 3-point arc. Lewis made his final field goal with 9:35 remaining, but connected on five free throws in the last minute. He got help from freshman Chris Bosh, who had his seventh double-double of the year, scoring 19 points and grabbing 12 rebounds. B.J. Elder added 14 points. Anthony Richardson led the Seminoles with 20 points and nine rebounds. In the first half, Florida State cut a 12-point deficit to 34-31 with just over two minutes remaining. But the Yellow Jackets closed the period with an 8-0 run, which included a 3-pointer by Elder and Lewis' buzzer-beating trey that gave his team a 42-31 lead going to the locker room. The Seminoles crept back in the game, closing the gap to 53-51 when Richardson drove right through the defense for a lay-in with 11:06 to go. Lewis stepped up again, responding with back-to-back threes that quickly gave the Yellow Jackets some breathing room. Florida State made one last push, cutting Georgia Tech's lead to 65-61 when Richardson made a couple of free throws with 4:45 left.

GAME NUMBER 15

NC State 70 • Florida State 63

TALLAHASSEE, Fla. – Junior forward Marcus Melvin scored 21 points and grabbed 10 rebounds to lead NC State to a 70-63 win over Florida State. Anthony Richardson and Trevor Harvey each scored 14 points to lead the Seminoles while Todd Galloway added 13 and Tim Pickett 11. NC State needed Melvin's contribution after sophomore Julius Hodge, who came in tied for the ACC scoring lead at 17.5 points per game, recorded only three points in the first half. Hodge broke out after the break, however, and even eventually eclipsed Melvin, scoring a team-high 22. Hodge hit one-of-five shots from the field and added a free throw in the first half. But he shot six-of-13 from the field and was nine-of-10 from the line after the break. Poor shooting in the second half doomed Florida State. Though they trailed only 32-30 at the break, the Seminoles never were able to tie the score, much less take the lead. In the second half, they hit just 10-of-26 shots from the field – four-of-14 from 3-point range – and were nine-of-17 from the line.

Tim Pickett made a single game school record-tying six 3-point field goals in Florida State's victory over Virginia in Tallahassee.

Florida State played eight teams who played in the postseason during the

Florida State 60 . Clemson 59

TALLAHASSEE, Fla. - Anthony Richardson hit a pair of free throws with 0.4 seconds left in the game to give Florida State its first Atlantic Coast Conference win of the season, 60-59, over Clemson. Tim Pickett led Florida State with 21 points and snagged four steals to break the Seminoles' three-game losing streak. Clemson looked to have pulled out a 59-58 win. when Florida State's Nate Johnson missed on a jumper in the final seconds. But as Richardson snagged the offensive rebound, Clemson's Sharrod Ford hit Richardson's forearm. As the clock expired, the officials called Ford for a foul, prompting a video review to make sure it was a shooting foul and that it occurred before the buzzer. Officials added the time and Richardson, who had missed his only previous try from the line, sank both with perfect form. Richardson had hit his last 13 free-throw attempts entering the game. Clemson coach Larry Shyatt hoped to get a foul called on the subsequent inbounds play, when contact was made on the Tigers' Edward Scott as Chris Hobbs hurled the ball downcourt. Shyatt tried to argue for a charge call, but no call was made. Olu Babalola scored 12 points to lead Clemson, which has come out on top in only three of the series' 15 contests in Tallahassee. Florida State never led in the first half. The Seminoles earned their first lead 1:03 into the second half, when Pickett sank a layup off a pass from Richardson to put the Seminoles up 37-36. The Seminoles couldn't find the basket early, scoring just 10 points in the game's first 10 minutes. The Tigers stretched their lead late in the second half through the perimeter shooting of Shawan Robinson, who nailed a trio of 3-pointers and another jumper to put the Tigers up 35-23 with 3:17 left in the first half. However, Robinson was held scoreless in the second half.

GAME NUMBER 17

Wake Forest 71 • Florida State 60

WINSTON-SALEM, N.C. - Josh Howard overcame an unusually poor game with big baskets and solid free throw shooting while scoring 24 points to lead Wake Forest to a 71-60 win over Florida State. The only senior in the starting lineup for Wake Forest, Howard has had to carry the Demon Deacons this season. Howard committed seven turnovers and played spotty defense, allowing Tim Pickett to score 27 points - the most an opponent has scored against Wake Forest this season. But with the game and Wake Forest's 11-game. home winning streak on the line, Howard stepped it up late in the second half. He did in scoring seven straight points, making a jumper, two free throws and a 3-pointer in an 11-4 run that put Wake Forest ahead 51-43. The Demon Deacons fell into another scoring drought after that and Florida State cut the score to 54-52 with 4:12 to go. Then Howard made two free throws and a 3-pointer that made it 59-52. He sealed it from there with strong drives to the basket that sent him to the free throw line, where he went 5-of-6 down the stretch and 10-of-12 for the game. His dunk with 1:13 to play when he sprinted ahead of the defense as the teams came out of a timeout made it 68-59. Florida State was hampered by its inability to get the line - the Seminoles were four-of-seven while Wake Forest was 21-of-27.

GAME NUMBER 22

Florida State 71 . Georgia Tech 64

TALLAHASSEE, Fla. - Sophomore forward Anthony Richardson scored 18 points to lead Florida State to a 71-64 victory over Georgia Tech. Richardson added a career-high tying five assists, five rebounds and a career-high five blocked shots in his best game of the season. He had four points and an assist after the Yellow Jackets cut a 15-point halftime deficit to 57-53 with 10:08 to play. Florida State went on a 35-13 run over the final 12:20 of the first half to take control of the game. The Seminoles erased a 17-10 deficit against a Georgia Tech team that tried for its first road win in nine games this season. Reserve forward Adam Waleskowski, who scored a career-high 12 points, ignited the charge with a 3-pointer. Trevor Harvey's putback basket with 8:59 to go in the first half gave the Seminoles a 22-21 lead they never relinquished. Harvey also finished with 12 points. Georgia Tech went seven minutes between field goals during the Seminoles' run, which senior forward Mike Mathews capped with the final four points for a 45-30 Florida State halftime lead. Sophomore guard B.J. Elder scored 16 of his game-high 19 points in the second half, including a 3pointer that left the Seminoles clinging to a 57-53 lead at the end of a 27-8 run by the Yellow Jackets. Richardson ended a seven-minute scoreless stretch with two free throws, then beat Georgia Tech's press for a dunk and a 61-53 lead. Freshman Jarrett Jack's driving layup with 2:05 to play pulled the Yellow Jackets within 65-61, but Georgia Tech turned the ball over twice and missed its next three shots. Jack, who finished with 16 points, turned the ball over to Richardson, leading to Todd Galloway's game-sealing layup with 34 seconds to play.

GAME NUMBER 26

Florida State 73 . Virginia 59

TALLAHASSEE, Fla. – Tim Pickett posted a career-high tying 32 points and grabbed 11 rebounds to lead Florida State over Virginia 73-59. Pickett recorded more points than the Seminoles' next three scorers combined. The junior guard, who notched his third double-double, sank six 3-pointers and had a teamhigh three steals. Todd Billet's 19 points led Virginia which lost its sixth straight game. Jason Clark added 11 and Devin Smith eight. Michael Joiner added 15, Anthony Richardson scored nine and Trevor Harvey added six for Florida State which defeated Virginia despite trailing 37-34 at halftime. Poor shooting killed the Cavaliers: They shot two-for-12 from the field (zero-for-five on 3's) in the first 8 1/2 minutes after the break and scored just four points in the first 11 minutes of the second half. Florida State, meanwhile, opened the second half with nine unanswered points, kicking off a 24-6 run that left the Cavaliers behind 58-43 with 8:31 to play. Pickett started off one-for-seven shooting from the field but was dead-on afterward, shooting eight-for-11 for the remainder. He was perfect from the line (eight-for-eight).

GAME NUMBER 27

Duke 72 • Florida State 56

DURHAM, N.C. – Shelden Williams had 12 points and season-high 17 rebounds and Duke forced 24 turnovers in a 72-56 victory over Florida State. Dahntay Jones added 14 points for Duke in his last game in Cameron. Tim Pickett was coming off a career-high 32-point game against Virginia, but got off to a slow start before finishing with 11 points for the Seminoles. Mike Mathews led Florida State with a career-high 18 points, all in the second half. Duke didn't take long to gain control of its 28th straight home win, leading by as many as 23 in the opening half as the Seminoles had trouble establishing any offensive flow against Duke's pressure defense. It was in sharp contrast to Feb. 2 when Florida State shot 60 percent during a 75-70 defeat of the Blue Devils. The Seminoles closed to 44-27 in the early stages of the second half, but Jones and Daniel Ewing scored on 3-point plays and J.J. Redick added a driving layup to push the lead to 25 as Duke completed its 14th undefeated home season at Cameron.

GAME NUMBER 28

Florida State 72 . Clemson 61

GREENSBORO, N.C. - Tim Pickett scored 22 points and Nate Johnson picked a good time to end his shooting slump as Florida State beat Clemson 72-61 in the first round of the ACC tournament. Pickett was 10-for-18 from the field with 12 rebounds and three assists as Leonard Hamilton won his Atlantic Coast Conference tourney coaching debut. Johnson, a junior college transfer playing in his first ACC postseason, was three-for-25 from the field in Florida State's past five regular season games. But he went five-for-six in this one, making four 3-pointers for a career-high 18 points. The eighth-seeded Tigers didn't make a basket for the opening 8:44 of the second half to fall into an 11-point hole. Clemson did pull to 55-51 with 8:20 left. Adam Waleskowski made a follow-up shot and Pickett added a slam dunk and 15-footer to halt the rally and push the lead back to double digits. Ed Scott, a first team all-ACC pick, had a miserable game, going three-for-18 for 11 points. Meanwhile, fellow guard Chey Christie was two-for-10 as the Tigers fell to 2-12 when scoring less than 70 points. Johnson sank a pair of 3-pointers 48 seconds apart to key Florida State's 20-1 run to start the second half, erasing an eight-point Clemson lead in less than three minutes. Clemson missed 10 of its opening 14 shots before getting hot over the final stages of the first half. Olu Babalola, Scott and reserve Shawan Robinson keyed a 19-6 spurt over the final 5:53. Robinson began the run and closed it with 3pointers, while Babalola added seven points in a span of 1:19 and Scott had four for a 36-28 lead at the break.

Adam Waleskowski and Michael Joiner combined for 17 points in Florida State's victory over Duke Feb. 2, 2003.

Wake Forest 69 . Florida State 61

GREENSBORO, N.C. – Josh Howard struggled – but still scored 17 points – to lead the top-seeded Demon Deacons to a 69-61 victory over Florida State in a quarterfinal round game of the Atlantic Coast Conference Tournament. Wake Forest was the top-seeded team in the tournament, but it couldn't shake the ninth-seeded Seminoles for almost 30 minutes. Howard scored on consecutive baskets in a stretch of five straight Wake Forest conversions to give the Demon Deacons control of the game. Freshman Justin Gray had 15 points, sophomore Vytas Danelius added 14 and sophomore Jamaal Levy had 12 rebounds for Wake Forest. Tim Pickett scored 17 points for Florida State. Trevor Harvey added 15, Anthony Richardson 14 and Michael Joiner 10. Florida State was outrebounded 43-22. Wake Forest led 40-39 with 13:35 to play, but Richardson scored on a layup and Pickett hit a 3-pointer. The Demon Deacons scored five baskets in a row, beginning with a dunk by Vytas Danelius to give Wake Forest a 63-56 lead with 4:24 to play. Pickett wouldn't go away quietly, though, hitting a 3-pointer that cut it to 63-59 with 3:47 left. After Levy scored on a bank shot for Wake, Pickett got the ball inside to Richardson, who drew a foul and hit both free throws. The Seminoles then got a steal, but Pickett couldn't convert - he thought he was fouled as he went in for the layup - and Florida State had to foul on every Wake Forest possession from there.

Consistency

It's the mark of true excellence in any endeavor. However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

level of consistency.
Yet the Atlantic Coast Conference has defied the odds. Now in its 51st year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 88 national championships. Since 1990, the ACC has won 45 NCAA national titles and this past year eight ACC schools finished in the Top 50 of the final NACDA Directors' Cup ranking, including four in the Top 25. If success is best measured in terms of wins and losses, then the ACC is unrivaled in NCAA annals. With Maryland's victory over Indiana in the 2002 NCAA title game, ACC teams have captured nine NCAA basketball championships, including five over the last 13 years.

No conference has posted a better NCAA Tournament record than the ACC since the NCAA's inaugural tournament in 1938. The nine current conference members have posted an NCAA Tournamentbest mark of 301-154 for a sterling .661 winning percentage against the nation's toughest competition. Since 1985, when the NCAA Tournament was expanded to 64 teams, the ACC teams have been even more impressive compiling a 189-90 (.677) NCAA record, including 53 "Sweet 16" appearances and 18 Final Four berths. Since 1985, 53 of the 94 ACC teams receiving NCAA berths have won at least two NCAA Tournament games. Since the 1990 season, ACC teams are 168-161 against non-conference ranked opponents. Since 1990, the ACC is the only conference to post a winning record against non-conference

North Carolina and Duke lead all ACC schools with three NCAA championships each. NC State has two NCAA titles to its credit and Maryland one. The Tar Heels captured NCAA titles in 1957, 1982 and 1993 while the Blue Devils won back-to-back championships in 1991 and 1992 and their third in 2001. The Wolfpack walked away with the coveted crown in 1974 and 1983 while the Terps claimed the 2002 national title

The stature of ACC basketball is nowhere more clearly defined than by its regional and national television exposure. A total of 152 televised games involving ACC teams headline the league's 2003-04 schedule, including a record-tying 231 appearances. League teams are slated to make 133 appearances on national television networks and 71 of the league's 72 regular season conference games, including 39 on national television networks, are scheduled to be televised.

Since 1986, 71 players from the ACC have been selected in the first round of the NBA Draft – 15 more than any other conference. This past season, the ACC led all conferences with 51 of its former players in the NBA, including Tim Duncan (Wake Forest), who was named as the NBA Most Valuable Player for the second year in a row.

2002-03 in Review

The 2002-03 academic year concluded with the league pocketing three more national team titles and 10 individual NCAA crowns. The ACC's 2002-03 national champions were Wake Forest in field hockey, Virginia in men's lacrosse and Clemson in men's golf. Overall, 101 ACC teams took part in postseason play compiling a 75-57-2 (.567) record.

A total of 168 student-athletes from the ACC earned first, second or third-team All-America honors this past year. In addition the ACC produced three national Players of the Year, one national Rookie of the Year and four national Coach of the Year recipients.

The ACC placed at least one team in the top 10 nationally in 15 of the 21 sports sponsored by the league for which polls were available. In all, 27 ACC teams finished their season with a top 10 ranking.

A History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members – Clemson, Duke, Maryland, North Carolina, North Carolina, North Carolina State, Virginia and Wake Forest – drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference. The ACC operated with

seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964. The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University. This past June 30, conference membership increased to 11 with the announcement that the University of Miami and Virginia Tech had accepted invitations to join the league beginning in the 2004-05 academic year.
