# Media Information for the Print and Broadcast Media

# COVERING THE 2005-2006 SEMINOLES

Gene Deckerhoff is in his 32nd year as the voice of the Seminoles

The 2005-06 Florida State basketball media guide has been produced to assist the media in the coverage of the Seminole men's basketball team. We hope the information contained in the publication is helpful and allows you to get to know the team and the program throughout the season. The Sports Information Office will produce updated and additional information during the season to help you throughout the year. Please take a moment to look through the following pages for the services available to you and the guidelines to help you cover the program. The information in the book is expanded and we welcome feedback and suggestions for future publications. We also encourage you to visit www.seminoles.com for updated information on Florida State basketball.

Additional information, including press releases, photographs, video footage and clips are available upon request to all members of the media. Any questions not covered in this publication may be directed to the Sports Information Office.

Welcome to Florida State University. Head coach Leonard Hamilton, his staff and players welcome your interest and hope you enjoy your visit to Tallahassee, the capital city of the Sunshine State.

Brent Musburger is just one of the nationally recognized broadcasters who is annually called upon to bring the Seminole action to the nation's television viewers.

# Before Your Visit

Game credentials are issued to accredited members of the media only. Working space along press row at the Tucker Center is limited and seats are expressly reserved to those working on deadline, with no exceptions. Children and other non-workers are not allowed in

the press area. Credentials should be ordered at least one week prior to each game and are issued through the Sports Information Office. Requests for credentials should be made in writing on letterhead stationery to Chuck Walsh,

associate director of sports information. If it is convenient to FAX your request, you are welcome to do so. The FAX number in the Sports Information office is (850) 644-3820. If you would rather e-mail your request, please do so. The e-mail address is cwalsh@mailer.fsu.edu. These requests are accepted from sports editors and sports directors only. Credential requests are carefully screened to ensure proper working conditions in the press area. When time permits, a working press pass and a parking pass will be mailed. When mailing is not possible, they will be left at the Press Will Call entrance near the bottom level at the Elephant Doors located in the southwest corner of the arena. The Press Will Call is located near the television trucks and directly opposite the Florida State Basketball Training Center. Media Will Call is located at this entrance and is open 90 minutes prior to tip-off.

# **Photography Credentials**

Photographers, too, should make their credential requests at least one week in advance. Strobe lights may be installed in the Tucker Center; arrangements must be made through the Civic Center at least two weeks prior to game day. Space for strobe lights is available on a first come, first served basis. Arrangements may be made by calling Roger Englert at (850) 487-1691.

The NCAA has an established policy to control congestion within photography areas on the basketball court. Only photographers on assignment will be issued photo passes along with members of the working television media. Admission to the court and photo boxes is by photo pass only. Photographers, both still and electronic, must shoot from the baselines at the northwest (visiting bench press row side) or southeast (Florida State bench) corners of the court. Photographers' floor access is governed by Atlantic Coast Conference and NCAA policy. Please note, only game photographers, no runners, assistants or producers, will have access to the photography areas. Photographer positions are at the complete discretion of the basketball game officials and the Sports Information Office at ALL TIMES.

### **Parking**

Parking for media covering the Seminoles at the Tucker Center is available on a very limited basis. The media parking lot is located in the main Tucker Center parking lot. Access is via media parking pass only. Vehicles should enter the Tucker Center lot from Pensacola Street. They will then be directed to the appropriate area. Please contact the Sports Information Office in plenty of time to request a parking pass to be mailed or left at your hotel.

## **Media Services**

Weekly Interview Schedule: The Sports Information Office will, in conjunction with head coach Leonard Hamilton, establish a weekly interview schedule throughout the 2005-06 season. The schedule, which will vary in accordance with the Seminoles' practice and game schedule, is established to assist the media in their coverage of the Seminoles. The interviews will take place in the Florida State Basketball Training Center and will provide the media with an opportunity to speak with Coach Hamilton as well as various Seminole players. All interview requests must be made in advance and must be made with at least a 24 hours notice. Players' individual phone numbers will not be given to the media and game day interviews will not be granted until the end of each game. Players will return phone calls at a mutually convenient day and time. Media requests for specific players to be made available should be made to basketball sports information director Chuck Walsh.

# ACC Coaches' Teleconference

Media members wishing to speak with head coach Leonard Hamilton are encouraged to call the Atlantic Coast Conference's weekly coaches' teleconference. Each of the 12 ACC coaches will be featured each Monday from 10:30 a.m. to 12:30 p.m. beginning January 9 and concluding March 6.

Each coach will be available for comments and to field questions for 10 minutes beginning with Al Skinner of Boston College and finishing with Skip Prosser of Wake Forest. Florida State's Leonard Hamilton is available from 11:00 – 11:10. The weekly press conference can be accessed by calling (913) 312-1293.

### **Covering Practice**

Florida State practices are generally closed. However, a select number of practices will be open to the media. Please contact Chuck Walsh for a schedule of open practices.

### Web Site: www.seminoles.com

All of Florida State's news releases and statistics, as well as other information pertaining to the athletic department, may be assessed via the World Wide Web at www.seminoles.com.

# **Game Day Services**

**Media Room:** The media room at the Tucker Center is located beneath the west side of the arena in Meeting Room B.

**Press Seating:** Press seating is located on the court across from both team benches. The area is manned by members of the Sports Information Office throughout every game. The sports information staff desires to be as helpful as possible during each game.

**Phones:** A limited number of phones are available in the Tucker Center press room (calling card or reversed charges required). Members of the media may order their own phone lines for the media room or at courtside through Sprint of Tallahassee. Call Sprint at (866) 366-2500 to arrange for service.

Visiting Radio: Phone lines are reversed for both the Florida State and visiting radio network on the court level of press row. The broadcast rights to the game are granted to visiting radio stations on a reciprocal basis. Phone lines are available through an ACC agreement. Please contact Chuck Walsh of the Sports Information Office for the details.

**Press Meals:** A buffet dinner is available in the Seminole Spirit Room to members of the media

with a meal ticket attached to their credential. Television crews will be provided with meal tickets to accommodate talent and producers. Any catering needs for television crews should be addressed to Roger Englert of the Tucker Center (850) 487-1691.

Postgame Press Conference: Postgame interviews with the respective head coaches are held in the media room at the conclusion of the game. The head coach of the visiting team will be brought to the interview room immediately after the game. He will be followed by Seminole head coach Leonard Hamilton. The Florida State locker room is open to credentialed media for a brief period after Coach Hamilton concludes his comments to the team. This is in accordance with ACC rules. The visiting team's locker room access policy is determined by officials of that school.

**Postgame Statistics:** Statistical packets, including running play-by-play, first half and

final box scores and postgame quotes, are compiled and available to the media at press row and in the press room following each game.

Faxing: Faxing of the final box score and running play-by-play is available through the Florida State Sports Information office. The Sports Information Office will fax to outlets provided on both school's postgame fax lists. If any special needs arise, please contact a member of the Florida State Sports Information staff.

**E-mail Services:** Basketball releases can be obtained electronically by contacting Chuck Walsh at cwalsh@mailer.fsu.edu. List basketball news on the subject heading, and include the name of your media outlet and phone number in your message. (This is a media service only.)

Welcome to Florida State University. We hope you enjoy your visit.

# SEMINOLE RADIO NETWORK

The Florida State Radio Network brings Seminole fans closer to the action whenever the Seminole men's basketball team takes to the court.

Florida State fans throughout the Southeast can listen to every slam dunk of head coach Leonard Hamilton's fourth season on the Seminole Radio Network. The regional network brings the excitement of Florida State basketball, including pregame and postgame analysis to alumni, fans and basketball enthusiasts across the state.

The Seminole Radio Network is owned and operated by Host Communications, Inc., one of the nation's leaders in collegiate sports broadcasting. Florida State joined forces with the Lexington, Ky.-based company to establish a comprehensive marketing opportunity that includes radio, television, print and corporate sponsorship components.

In addition to Florida State, Host owns the network rights of other outstanding schools including Texas, Kentucky, Notre Dame, Tennessee, South Carolina and Mississippi State, to name a few.

The Seminole basketball network will reach more than 30 markets during the 2005-06 season, including some of the nation's largest markets with Tampa, Jacksonville and Orlando, among others, all receiving the Seminoles' basketball broadcasts this season. In Tallahassee, the Seminoles are heard on flagship stations WTNT-FM (94.9) and WFLA-AM (1270).

In addition to all of Florida State's games, the Leonard Hamilton Seminole Basketball Report can be heard three times daily on WTNT and WFLA. Hamilton's call-in show can be heard in most markets weekly (usually Thursday) from 7 to 8 p.m. during the season.

Florida State's broadcast crew is recognized annually as one of the nation's best as they provide insight and entertainment as well as detailed and expert play-by-play.

The broadcast team features award-winning play-by-play commentator Gene Deckerhoff, a 32-year veteran of the Florida

State Radio Network, and Keith Jones, who is in his sixth year as a member of the team.

Deckerhoff is nationally known as one of the finest football and basketball announcers in both collegiate and professional sports. He has

Gene Deckerhoff

been the voice of the Seminoles for the past 27 football seasons and the past 32 basketball seasons. A native of Jacksonville, Fla., Deckerhoff also handles the play-by-play duties of the Tampa Bay

Buccaneers of the NFL, which makes for some busy weekends during the fall and winter.

Deckerhoff is one of only four sports broadcasters ever inducted into the Florida Sports Hall of Fame. In calling FSU football since 1979, FSU basketball since 1974, the Tampa Bay Buccaneers since 1989 and all sorts of other things in between, Deckerhoff's deep, rich voice has become instantly recognizable to sports fans all over the state. Deckerhoff is the only radio voice who has broadcasted an NCAA football championship team (1993 and 1999 with the Seminoles) and a Super Bowl championship team (2003 with the Buccaneers). In addition, he was inducted into the 2002 Florida State University Athletic Hall of Fame.

ESPN and ABC basketball analyst Dick Vitale recently mentioned Deckerhoff as one of the top college basketball play-by-play voices. Vitale named Deckerhoff to his "All-Cawood Ledford" team, in honor of the legendary Kentucky broadcaster, as the best basketball announcers in his opinion.

Deckerhoff is also the host of the Leonard Hamilton/Seminole Basketball Highlight Show and the Bobby Bowden Football Show. He runs Gene Deckerhoff Productions, a firm specializing in sports broadcasting and the production of radio and television commercials.

Keith Jones, a former Seminole football player, is the color analyst for the basketball broadcasts. He is in his sixth season as a member of the basketball broadcast crew. Jones is also a broadcaster for Sunshine Network's college football coverage.

Jones, who will turn 47 during the 2005-06 season, was a member of Bobby Bowden's first recruiting class in 1977. As a senior at Wild-

wood (Fla.) High School, he was named an allstate quarterback and the salutatorian of his graduating class. He was a three-year starter at strong safety and a three-time Golden Chief award winner for the Seminoles. Jones still ranks in the top 10 in career interceptions and led the Seminole defense in interceptions in 1978 and 1980. During his career, Florida State compiled a four-year record of 39-8 and appeared in three

Keith Jones

consecutive bowl games, including consecutive Orange Bowls.

Jones was Florida State's first ever twotime NCAA First-Team Academic All-American and graduated in 1981 with a degree in risk

management. He graduated magna cum laude and is currently an account executive with the Earl Bacon Agency, Inc. Jones is also an adjunct professor in the Florida State College of Business.

Jones was the only sports analyst in the state of Florida to receive a 2002 regional Emmy Award. He earned the honor for his expert commentary on the Sunshine Network broadcast of Florida State's football games. Jones finished his 18th consecutive year in the football broadcast booth for Sunshine, making him the longest-tenured announcer of any pro or college sports team in the state of Florida.
