THIS IS FLORIDA STATE BASEBALL

With 2,623 wins, 21 College World Series appearances, three National Championship games, 50 NCAA Tournaments, four Golden Spikes Award winners and 20 first round draft picks, Florida State University has become one of the NCAA's premiere baseball schools.

In 65 years, Florida State baseball has grown into one of the most respected collegiate programs in the country. Not only does Seminole baseball mean wins on the diamond but it also has become synonymous with national honors and awards, major league success and Olympic gold.

WINNING TRADITION

Since its inception in 1948, Florida State has the second highest winning percentage in Division I baseball history. The Seminoles are one of just two programs in NCAA Division I history to have won more than 73 percent of their games all-time and one of only three teams to have won more than 70 percent. Florida State leads all schools nationally in wins per season and is the only school to average more than 40 wins a year all-time.

No Seminole baseball player has ever gone through a losing season at Florida State in 65 years of intercollegiate play. More than 76 percent of FSU's teams have participated in NCAA Tournament action while 42 percent of those teams that made the NCAA Tournament went on to compete in the College World Series. Florida

State has advanced to the NCAA Tournament 35 years in a row, good for the second-longest active streak in the nation.

Florida State's dominance of college baseball since 1990 is amazing. Over the past 23 years, no team in America has finished in the top 10 and won 50+ games more times than Florida State. Since 2000, Florida State has the best winning percentage (.737) and the most victories (644) of any other team in the nation.

NATIONAL HONORS

The nation's top players have been playing at Florida State for 65 years and the proof of that is in the honors and awards collected by the Seminoles. FSU players have been named Golden Spikes Award winners four times. No school in America has produced more winners of that prestigious award than Florida State.

Nine Seminole players have been named national players of the year spanning back to 1977 with Terry Kennedy. In 2008, Buster Posey won every major Player of the Year award claiming the Golden Spikes Award, Dick Howser Trophy and Brooks Wallace Award while capturing the Johnny Bench Award, given to the nation's top collegiate catcher. He was also named Player of the Year by

Collegiate Baseball, Baseball America and Rivals. com. James Ramsey is the latest Seminole to garner national acclaim as he was awarded National Player of the Year honors by the ABCA in 2012.

Three Seminoles have been honored for their defensive prowess as recipients of the Rawlings Gold Glove Award with Sherman Johnson (2012/3B), Tyler Holt (2009/OF) and Buster Posey (2008/C). Florida State is one of just six schools who have been honored with multiple Gold Glove winners, while the three recipients are tied for the second most nationally.

In 2010, Mike McGee won the inaugural John Olerud Two-Way Player of the Year Award. McGee hit .328 with a team-high 17 home runs and 73 RBI, while posting an impressive .989 fielding percentage out in left field. He was also the Seminoles' top closer recording 13 saves with a 4-1 record and a 2.96 ERA.

When it comes to first team All-Americans, Florida State has produced 41 who have combined to receive 103 first team All-America honors.

FSU baseball players have taken home 232 All-America honors in program history, which means every year Seminole teams produce more than three All-Americans. Thirty-five freshmen have been honored as freshman All-Americans at Florida State.

Florida State also takes great pride in the academic success of its student-athletes over the years. A total of nine players have garnered Academic All-America honors from the College Sports Information Directors of America (CoSIDA) including seven first team honorees. Buster Posey and

James Ramsey were named to the first team by CoSIDA, while both individuals were recognized as the ACC Baseball Scholar-Athlete of the Year in 2008 and 2011, respectively. Posey went on to be named the Academic All-America of the Year in 2008. In 2012, Ramsey joined shortstop Greg Gromek (1970 & 1971) as the only two-time, first team Academic All-Americans in Seminole Baseball history. Ramsey also went on to claim Academic All-America of the Year honors in 2012 as well as being named the ACC Scholar-Athlete of the Year for the second year in a row.

MAJOR LEAGUE SUCCESS

Tallahassee has been a launching pad to the major leagues. Florida State has produced 20 first round draft picks by 19 different players, while more than 200 former Seminoles have gone on to sign professional contracts. In the 1990's alone, FSU sent 55 players into professional baseball. In 2012, James Ramsey became the 19th Seminole chosen in the first round of the Major League Baseball Draft selected by the St. Louis Cardinals with the 23rd overall pick. He joined the likes of Sean Gilmartin (Atlanta - 27th/2011) and Buster Posey (San Francisco - 5th/2008) as first round selections over the last five years. In all, eight Florida State players have been taken in the first 10 picks of a given draft and in the 90's Major League clubs drafted an FSU player in the first round 10 times.

The list of Florida State stars who went on to play in the major leagues ranges from past major leaguers Ken Suarez, Woody Woodward, Jim Lytle, John Grubb, John Wasdin, Luis Alicea, Doug Mientkiewicz and J.D. Drew to current pros Buster Posey, Stephen Drew, Shane Robinson and Randy Choate. Every year more Seminoles are working their way up the professional ladder and into the limelight of professional baseball.

FSU AND TEAM USA

Florida State players haven't just produced on the

collegiate and Major League stage, but they also have a long history of playing for their country. Fifteen FSU players have worn the red, white and blue and competed internationally for the United States.

In the summer of 2005, Shane Robinson followed in the footsteps of 2000 gold medalist and former Seminole Doug Mientkiewicz in deciding to play for his country. Robinson joined former Seminole greats Pedro Grifol, Paul Wilson, Jonathan Johnson and J.D. Drew among others as a member of Team USA.

Tyler Holt and Sean Gilmartin are the most recent Seminoles to play for Team USA donning the colors of their native country during the summers of 2009 and 2010, respectively.

NATION'S BEST FANS

Florida State's winning tradition has been fueled in part by its great fans. Each year, attendance in Dick Howser Stadium ranks among the nation's top 15 as over 3.5 million fans have come to see the Seminoles play since the opening of the stadium in 1983. In 2012, FSU baseball drew 174,180 fans good for an average of 4,583 per game. Both numbers ranked seventh nationally and were the highest recorded in the ACC. In 2008, FSU eclipsed the 200,000 mark for the first time in school history. The Seminoles drew a school record 202,132 fans in 41 games that year, en route to setting the average attendance record of 4,930.

The Seminole faithful set the standard for all others in the conference as more than 100,000 FSU fans have attended games at Dick Howser Stadium 11 years running, while no ACC school has drawn more fans this decade than Florida State.

MIKE MARTIN

While the Florida State baseball winning tradition began long ago under the first Seminole coaches, there is no question that tradition has reached unprecedented heights under current head coach Mike Martin.

Entering his 34th season as head coach at Florida State, Martin continues to redefine success by any standard of measure. With 1,723 career victories, a .743 winning percentage that sits second among active NCAA Division I coaches, 33 consecutive regional tournament appearances and 15 trips to the College World Series, Martin's place in college baseball history is secure.

Martin was inducted into the Florida Sports Hall

of Fame in 2005 and the American Baseball Coaches Association Hall of Fame in 2007. Since then he has eclipsed the 1,500-, 1,600- and 1,700-win milestones and returned to the College World Series three times in the last five seasons, while continuing to turn out All-Americans, Major League Draft choices and postseason participants.

The FSU alum has become the face of Florida State baseball having been associated with the Seminoles for 41 of FSU's 66 seasons. He has led the Seminoles to 16 conference championships including five in the ACC with the latest coming in 2010. Since moving to divisional play in

2006, Martin has led the Seminoles to six consecutive ACC Atlantic Division titles from 2007-12. In one way or another, Martin has been a part of more than 75 percent of FSU's victories. In 2010, Martin was named to Florida State University's list of 100 Distinguished Graduates in celebration of the FSU Alumni Association Centennial. He added to his legacy in 2012 when he was named Baseball America's College Coach of the Year for the first time in his career after leading FSU to another 50-win season, a berth in the College World Series and a top four finish.

GREAT MOMENTS IN FSU BASEBALL

Florida State's appearance at the 2012 College World Series marked the Seminoles' 21st trip to Omaha. FSU finished with a 2-2 re-

cord en route to its finest postseason run at the CWS since 2000. Two players that paved the way out in Omaha were **DEVON TRAVIS** and SHERMAN JOHNSON, as the Seminole duo combined to hit .485 with 16 hits, five doubles, two home runs, seven RBI and eight walks in four games. Both were recognized for their efforts by earning a spot on the CWS All-Tournament Team. Travis finished as the leading hitter in the series with a .593 (9-for-16) average. The junior second baseman became the first player to record four consecutive multi-hit games to open a CWS since Stanford's John Gall performed the feat in 1999. Johnson went on to hit .412 (7-for-17) in Omaha as four of his seven hits went for extra bases. The senior third baseman's name will forever be part of CWS history as one of only two players to hit a home run during the College World Series inside both Rosenblatt Stadium and TD Ameritrade Park.

BUSTER POSEY left a lasting impression on Florida State Baseball following his junior season in 2008. The Leesburg, Ga., native won every major Player of the Year award while earning consensus first team All-American accolades. He led the nation in six offensive categories and became just the fourth student-athlete in ACC history to capture the triple crown as he led the league in batting average (.463), home runs (26) and RBI (93). His .463 batting average was the highest recorded in a single-season in Seminole baseball history. Posey's work continued in the classroom

as he was honored as the Academic All-America of the Year by CoSIDA. In the 2008 MLB First Year Player Draft, Posey was chosen fifth overall by the San Francisco Giants.

Heading into the 2008 season, the Seminoles were in search of a leadoff batter. What they found was a freshman center fielder from Gainesville, Fla., to fill that void. **TYLER HOLT** made the most of his opportunity as he ranked among the national leaders in walks (2nd) and walks per game (6th). But what was most impressive was that Holt reached base in every regular season game, a streak that reached 55 consecutive games. The streak fell two games shy of the school record of 57 games set by Shane Robinson over two seasons (2004-05). Holt's streak is the longest recorded in a single-season at FSU.

FSU Baseball: An Elite Program

Success is synonymous with Florida State Baseball. In 18 of the last 22 seasons, the Seminoles have claimed the regular season title or finished with the best record in the Atlantic Coast Conference, won the ACC Tournament title or advanced to the College World Series in Omaha, Neb. Pretty impressive for a school that has the most wins in Division I since 2000 (644) and the second highest winning percentage (.730) of all-time in Division I history.

May 31, 2009 will go down as a historic day in Florida State baseball history not only for the magnitude of the game but for the results accomplished on the field. With a berth to the NCAA Super Regional on the line, Florida State put forth a record performance setting four school records and five NCAA Tournament records in a 37-6 victory over Ohio State. FSU set school records for runs (37), hits (38), doubles (15) and total bases (66), while the four above mentioned

records plus the 51 combined hits by both schools set NCAA Tournament singlegame records. The Seminoles also tied a school record for RBI (34) in a game and most combined runs by two teams with 43. STEPHEN CAR-**DULLO** also made history finishing the game 7-for-9 with five runs and five RBI. He tied the school record for hits and at-bats, while his seven hits and nine at-bats were the most in an NCAA Tournament game. The junior shortstop tallied 12 total bases recording a triple, three doubles and three singles.

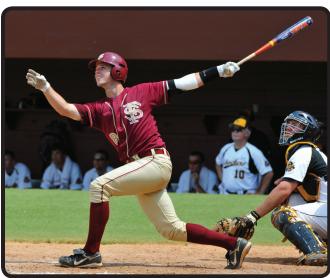

at the ACC Tournament, R o b i n s o n took over first place all-time at Florida State with 99 in his career. The All-American was 32-for-36 in 2006 stealing bases. In 2005, the cen-

ter fielder swiped 13 bases before he was thrown out for the first time. He then stole 27 consecutive bases at one point during the year, surpassing his previous streak of 19 in a row as a freshman in 2004. Then in 2006, he stole 11 straight before being caught for the first time. Robinson's average was 34 steals a year, which he came just two shy of reaching in 2006. The junior did however get the one steal he needed in the NCAA Athens Regional becoming the first Seminole to swipe 100 bases in school history.

J.D. DREW was the king of college baseball in 1997. The first team consensus All-American rewrote college baseball history as he became the first Division I player to ever hit 30 home runs and steal 30 bases in a season. He was named baseball player of the year by Baseball America, Collegiate Baseball and The Sporting News on top of receiving the Dick Howser Award, which was given out by the American Baseball Coaches

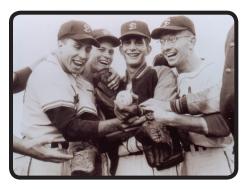

GREAT MOMENTS IN FSU BASEBALL

Association. Drew's season was capped off when he won the Golden Spikes Award as the nation's top amateur baseball player.

MARSHALL MCDOUGALL hits six homeruns in a game versus Maryland, May 9, 1999. In the 26-2 FSU win, McDougall set NCAA records for home runs in game, RBI in a game (16) and total bases with 25.

In 1956 Seminole pitcher **TONY AVITABLE** struck out 24 batters for FSU in a win over Furman. The Seminoles recorded 25 strikeouts in that game, one short of the NCAA record.

All-American **PAUL WILSON** made FSU history in 1994 when he became the only Seminole ever drafted No. 1 overall in a professional sports draft.

The right-handed pitcher was the first player selected in the draft by the New York Mets. Wilson is one of 19 Florida State players drafted in the first round of the MLB Draft.

The 1982 season was a special one for Seminole **JEFF LEDBETTER**. The senior set NCAA records for home runs in a season (42), home runs in a career (97), home runs in game (4), RBI in a career (346), total bases in a season (273) and

total bases in a career (704). He also set an NCAA record with a .875 slugging percentage. Ledbetter went on to be named The Sporting News' Player of the Year.

Seminole great **MIKE LOYND** led Florida State to a 61-13 record in 1986 when he went 20-3 on the hill. The hurler struck out 223 batters and became the 10th recipient of the Golden Spikes Award as the best amateur baseball player in America. Loynd is one of four Golden Spikes Award winners from Florida State (Mike Fuentes 1981; J.D. Drew, 1997; Buster Posey, 2008), which is the most by any school in the history of the award.

DEION SANDERS had a stellar football career at Florida State and went on to play in both the NFL and Major Leagues. Not only is Sanders the only athlete ever to play in a Super Bowl and a World Series, he made headlines in 1992 when on October 11 Sanders played for the Falcons in Miami and then took a charter flight to Pittsburgh for a playoff game that night. Pulling double duty was nothing new for Sanders. In 1987, the three-sport star won a Metro Conference Championship in the 400m relay and then turned around and delivered the game-winning hit in the Metro Conference Championship game that evening.

Tallahassee has been the starting point for more than 150 **FUTURE MAJOR LEAGUERS.**Former FSU baseball players have been on the receiving end of the Gold Glove Award, league MVP, named both American League and National League All-Stars, winners of the

All-Star MVP and Rookie of the Year honors and even manager of a World Series Champion.

DICK HOWSER became the first ever All-American in Florida State history in 1957. A shortstop with the Kansas City Royals in 1961, Howser was named MLB Rookie of the Year by The Sporting News. As a major league manager, Howser won

three pennants and a World Series Championship. His No. 34 jersey was retired at Florida State in 1976. In 2008, Howser was inducted into the National College Baseball Hall of Fame.

World Series Champion **DOUG MIENTKIEWICZ** is in select company. The former Gold Glove winner is one of only five players in USA Baseball history to win both a gold medal and a World Series Championship. In 2000, Mientkiewicz hit a game-winning grand slam in the preliminaries versus Korea and then propelled the US into the gold medal game with a walk-off, solo home run in the bottom of the ninth versus the Koreans again.

OMAHA has become a home away from home for the Florida State baseball program. The Seminoles have reached college baseball's promised land 21 times in program history. Only three schools in the history of the sport have made it to the College World Series more times than FSU. The Garnet and Gold rank in the top 11 all-time in CWS history for games played (70) and victories (28).

Head coach MIKE MARTIN has established himself as one of the greatest coaches ever in the collegiate game during his 33-year tenure at Florida State. On top of leading FSU to 33 consecutive NCAA Regionals and to 15 College World Series, Martin stacks up among the best coaches ever in terms of wins and winning percentage. The Hall of Fame coach is just one of three coaches in Division I history to eclipse 1,700 career victories. Martin sits second all-time among active Division I coaches in winning percentage and third in wins. In 2012, Martin was recognized as Baseball America's College Coach of the Year for the first time in his career after leading the Seminoles to a 50-win season, the best record in the ACC, a trip to the College World Series and another top four finish.

Florida State first fielded an intercollegiate baseball program in 1948, and since that very first team took the field, no Seminole baseball squad has ever posted a losing record – a streak of 65 straight winning seasons. The **1948 TEAM** defeated Troy

State in the final game of the season to finish the year with a 9-8 record.

MIKE MARTIN FIELD AT

Dick Howser Stadium has taken its place as one of the top collegiate baseball facilities in the country after a two-year, \$12 million dollar project was completed in 2004. Located on the campus of Florida State University, the stadium has welcomed over three million people since it was opened in 1983 and has provided fans with the feeling of having "the best seat in the house" to watch the finest in college baseball action. On April 2, 2005 Florida State University dedicated the field at Dick Howser Stadium to current head coach Mike Martin. Florida State's skipper for the last 34 years now coaches on the diamond bearing his name, Mike Martin Field at Dick Howser Stadium.

Florida State's players and coaches enjoy the convenience and luxury of a clubhouse and locker room currently located behind the Seminole dugout. The Griffin Family Clubhouse was moved to the first base side for the 2004 season as the construction process was completed. The main locker room was described by former Seminole and 2004 World Series Champion Doug Mientkiewicz as being "better than 95% of the big league clubhouses" he has seen. The locker room contains a personalized wooden locker for each player, a separate locker room for the Seminole coaches and trainers, and a video area where FSU players and coaches can watch film.

The stadium also houses all of the baseball offices. The coaches' offices overlook the stadium behind home plate. There is also a weight room and training area adjacent to the clubhouse. Each of the areas were expanded and improved during the renovation process.

There are on-going efforts to keep Dick Howser Stadium one of the top facilities in college baseball. Truly a "player's ballpark," the stadium has had many upgrades even since the \$12 million renovation was completed. In 2005 an upgraded \$50,000 sound system was installed and an enhanced exterior brick façade as the outfield walls now match the exterior grandstand of the stadium. During the summer of 2011, the field underwent a major face lift in which a new drainage system was put in place in the outfield. New sod was also laid in both the infield and outfield, while the foul territory, from the edge of the outfield grass in front of the first base dugout all the way around to the third base dugout, was lined with turf. New clay was deposited in the infield

to regulate moisture, thus provide a better playing surface. Also, the clay on the pitcher's mound and around the batter's box was changed out in favor of a hybrid clay mixed with synthetic polymers designed to be more water and wear resistant. Finally, five new 14-foot fans were installed in the grandstand, while a radio system was installed in the restrooms throughout the stadium so fans can stay informed of all the action.

Dick Howser Stadium, named after the late Kansas City Royals and Florida State manager who was also Florida State's first-ever baseball All-American, is a showcase befitting one of the top collegiate teams in the nation. From the beautifully manicured playing surface to the chair back seats, Howser Stadium is one of the best places in the country to watch a college baseball game.

Stadium capacity increased to 6,700 as additional seats were added during the two-year construction process. Florida State annually ranks in the top 15 nationally in attendance. In 2008, Florida State set single-season records for both total home attendance (202,132) and average home attendance (4,930). It marked the first time in school history that more than 200,000 fans turned out. The Seminole faithful helped reach a new landmark in 2009, when the 39-game home slate brought 184,227 fans to the ballpark, pushing FSU's all-time, home attendance past three million. FSU averaged 4,584 in 38 home games during the 2012 schedule, the seventh highest home attendance average in the nation and the best in the ACC.

The top three crowds in Dick Howser Stadium history all came during the 2008 season. FSU surpassed 6,000 fans twice in 2011 and three more times in 2012 including a packed crowd of 6,730 – the fourth largest attended game in school history – when the Seminoles hosted Florida on April 10. When you consider that the one-millionth fan walked through the gates of Dick Howser Stadium in 1994 – only its 12th season of operation – and two million more made the same trek over the next 17 years, there is little doubt that the Seminoles remain a top draw. Since the 1983 opening, FSU has averaged over 2,800 fans per game and more recently the Seminoles have averaged over 4,000 fans for eight straight seasons.

The Seminole faithful set the standard for all others in the ACC as more than 100,000 FSU fans have attended games at Dick Howser Stadium each of the last 11 years and 13 of the last 14. No ACC school has drawn as many fans in the new millennium.

Seminole fans are simply the best and most knowledgeable in college baseball. Although they live and die with their Seminoles, the FSU faithful are known nationwide for their sportsmanship and appreciation of good baseball — by both teams. Fans, along with the stadium and a professional game operation, are a large reason that Mike Martin Field at Dick Howser Stadium has been chosen as an NCAA Regional Tournament site 26 times in 30 years since its opening in 1983. Dick Howser Stadium has also served as host to nine Super Regionals since the new postseason format was adopted in 1999.

The stadium was dedicated in honor of Dick Howser in March of 1988 prior to an exhibition game between Florida State and the Kansas City Royals, two of Howser's former teams. As part of the stadium dedication, Kansas City all-stars George Brett and Bo Jackson

DICK HOWSER STADIUM

helped unveil a new \$150,000 matrix scoreboard and a bronze bust of Howser. While the bust of Howser still stands in Haggard Baseball Plaza, the matrix scoreboard was replaced in January 2004 with a new \$800,000 video board. The state-of-the-art scoreboard provides lineups, statistics and replays throughout the game and stands 40 feet high and 70 feet wide.

Mike Martin Field at Dick Howser Stadium has come a long way in the last two decades. Old Seminole Field was christened Seminole Stadium March 28, 1983, after a one million dollar renovation was completed on the park. Wooden bleachers were replaced with a two-tier concrete grandstand seating 2,500. Modern concession areas, restrooms and a press box complete with separate booths for radio and television broadcasts were also added.

The playing surface dimensions measure 320 feet to right field, 400 feet to center and 340 feet to left. Prior to the 1986 season, a screen was added to the top of the right field wall, increasing in five-foot increments from 20 feet in the power alley to 30 feet in right field — giving a unique effect.

The playing field itself is also often compared to that of a major league park. FSU grounds chief Brian Donaway and his crew oversees the everyday upkeep of the playing surface and surroundings, spending hours on the field year-round. The dedication and hard work were rewarded in the fall of 2001, when Dick Howser Stadium was named the best collegiate baseball field in the country. Often taken for granted, the grounds crew gives Mike Martin Field at Dick Howser Stadium a playing field unsurpassed by any collegiate team in the nation.

The beautiful home of Florida State's baseball Seminoles, from the Mike Loynd Tradition Room and the Griffin Family Clubhouse to the top-notch playing field and overall family atmosphere, is indeed a fitting tribute to one of FSU's greatest alumni, Dick Howser.

MIKE LOYND TRADITION ROOM

The Mike Loynd "Tradition Room", located underneath the first base stands, holds an attractive showcase which tells the story of the great players, award-winners and tremendous FSU teams of the past. Trophies and plaques depicting Florida State's baseball success through the years adorn the walls. It also provides a comfortable lounge area adjacent to the FSU clubhouse.

Separate wall displays, attractively back-lit, are devoted to Florida State All-Americans, former Seminoles in the pros and FSU's 21 College World Series teams and 17 conference championships. Another wall is lined with FSU's most recent tournament and conference championship trophies, as well as replicas of the Golden Spikes Awards of Mike Loynd, Mike Fuentes, J.D. Drew and Buster Posey.

The Mike Loynd Tradition Room, built thanks to the generous donation of former Florida State All-American Mike Loynd, serves as a showcase for the great tradition which is Florida State baseball.

THE GRIFFIN FAMILY CLUBHOUSE

Former Seminole first team All-American John-Ford Griffin grew up in a Garnet & Gold home. Both his father Bill and mother Carla attended FSU as well as his two sisters. So it seems appropriate one of the greatest Seminole baseball players, along with his entire family, have their names adorning the Seminole Clubhouse. Out of appreciation to the family for a generous gift when the school was renovating Dick Howser Stadium, FSU named one of the nation's top locker rooms in honor of the family as Seminole players now prepare for games and practices in the Griffin Family Clubhouse.

The clubhouse is one of the most impressive in the nation with personalized wooden lockers, a big screen television, a state-of-the-art sound system and every comfort current and future Seminoles could ever ask for.

"Phenomenal," was the first word that came to mind when former Seminole Doug Mientkiewicz first toured the Griffin Family Clubhouse. "I walked into the

clubhouse for the first time and I said, "This is better than 95% of the big league clubhouses.' The clubhouse at Fenway, when we won the World Championship in 2004, was about the size of this room. If it's not the best, I'd like to see the best in college baseball. To me this is the best place to be and this is the best place to play."

2013 SEASON OUTLOOK

GENERAL OUTLOOK

Florida State returns 19 players including five position starters and nine pitchers who threw at least 15.0 innings last year. Despite losing three starting infielders, a starter in center field and one of the top closers in the nation, the Seminoles welcome back four starting pitchers in preseason All-Americans Mike Compton and Brandon Leibrandt, senior right hander Scott Sitz and junior right hander Peter Miller. Catcher Stephen McGee is also back after starting all 67 games from behind the plate in 2012.

Senior captain Justin Gonzalez will pace the Seminole offense as the top returning hitter in runs scored (42), hits (54), home runs (9) and RBI (42). Sophomore Jose Brizuela, who made a majority of his starts in left field, will move to third base in 2013, while Seth Miller and Josh Delph, who played significant innings last year, will see playing time in the outfield.

In terms of run production, the 2012 Seminoles led the nation in base on balls for the third year in a row drawing 386 walks in 67 games good for a per game average of 5.76. FSU also ranked in the top 10 in doubles (5th), runs scored (7th), sac-flies (8th) and hit-by-pitches (9th). Despite losing their top four hitters from last year, the Seminoles return 50 percent of their RBI total and 42 percent of their run total heading into the 2013 campaign.

There are plenty of new faces in the clubhouse this year as the Seminoles welcome 15 newcomers including eight freshmen and seven junior college transfers. This year's incoming class, which was ranked 19th-nationally by Collegiate Baseball, is made up of five pitchers (including two left handers), four infielders, four outfielders, one catcher and one utility player.

Florida State enters the 2013 campaign in search of its seventh consecutive ACC Atlantic Division title in this the eighth season of divisional play. The Seminoles have averaged over 20 league wins over the last six years claiming the best record in the ACC three times while tying the league record for wins with 24 twice in 2008 and 2012. FSU has also played in the ACC Championship game three times in the last four years claiming its last league title in Greensboro, N.C. in 2010.

No team in college baseball has won more games in the new millennium than Florida State. The Seminoles sit with 644 victories since the start of the 2000 season, 18 more than their closest competitor (South Carolina – 626). FSU has also posted the highest winning percentage (.737) during that span joining Rice (.733) as the only two schools to win more than 73 percent of their ball games since 2000.

Mike Martin enters his 34th season as head coach and his 41st season in which he has been associated with the Seminole baseball program when you include his time as a player and an assistant coach. Of the 3,598 baseball games played in program history, Martin has been involved in 2,705 games including 1,990 victories. In one way or another, Martin has been a part of more than 75.9% of FSU's all-time wins. He ranks second among

active Division I head coaches in winning percentage (.743) and third in victories (1,723). Martin has led the Seminoles to 33 consecutive regional tournament appearances and 15 trips to the College World Series including three in the last five years.

Florida State will open the 2013 campaign ranked among the top teams in the nation according to several preseason polls. The USA Today Coaches Poll gave the Seminoles their highest ranking at No. 9, while the NCBWA (11th), Collegiate Baseball (17th), Perfect Game (18th) and Baseball America (20th) all placed the Garnet & Gold in the top 20. Both Mike Compton and Brandon Leibrandt were honored as preseason All-Americans by Louisville Slugger/Collegiate Baseball in 2013.

PITCHING

Florida State returns four pitchers that made at least 10 starts in 2012 including three that started at least one game in Omaha at the College World Series. Brandon Leibrandt and Mike Compton were a formidable 1-2 punch for the Seminoles combining for 20 of Florida State's 50 wins last year as both eclipsed 90.0 innings. Leibrandt led the team in innings pitched (99.0) and strikeouts (83), while Compton led the ACC and tied for second nationally in wins with 12. Both hurlers earned preseason third team All-America accolades in 2013 from Louisville Slugger/Collegiate Baseball. Compton added a second award in 2013 as he was also named a third team Preseason All-American by the NCBWA.

Leibrandt made school history in 2012 becoming the first freshman to start an opening day game in the program's storied history. The Alpharetta, Ga., native pitched as the Seminoles' Friday night starter all season long in 2012 and will look to fill that role once again in 2013. The sophomore southpaw finished his first sea-

son ranked in the top 10 in the ACC in wins (t-4th), innings pitched (t-4th), strikeouts (t-9th) and ERA (10th). Leibrandt worked 5.0 or more innings in 14 of his 19 starts and did not allow a run five times. FSU was 14-5 in games that Leibrandt started.

After making an immediate impact in FSU's weekend rotation a season ago, Compton will miss the entire 2013 season after undergoing Tommy John surgery to his right elbow in February. The absence of Compton will open the door for the likes of senior Scott Sitz, junior Peter Miller and sophomore Luke Weaver to solidify the No. 2 spot behind Leibrandt. Sitz appeared in 17 games last year making 13 starts as the right hander went 4-3 with a 3.72 ERA. He saved what many considered to be his best performance of his FSU career against UCLA out in Omaha holding the Bruins to just one run on five hits in 6.2 innings of work in leading the Seminoles to a 4-1 victory in an elimination game at the CWS. He struck out eight Bruin hitters including striking out the side in the sixth after UCLA loaded the bases with nobody out. Miller was 5-2 with a 3.89 ERA in 10 starts, while Weaver went 1-0 with a 5.93 ERA and one save as he appeared in 16 games making six starts in his first collegiate season.

FSU returns eight pitchers who tallied at least 20.0 innings in 2012. Gage Smith will spearhead the bullpen after appearing in 39 games last year – a mark that led all FSU pitchers and tied for the most appearances in the ACC. Smith went 5-0 with three saves and a 2.89 ERA in his first full season as a reliever. From the left side, junior Brandon Johnson and sophomores Kyle Bird and Bryant Holtmann are expected to make significant contributions out of the bullpen in 2013.

A cast of new arms will also play a role in the staff's evolution in 2013. This year's class includes six pitch-

2013 SEASON OUTLOOK

ers, two of which are left handers (Dylan Silva and Billy Strode). Right handers Robby Coles, Hayden Jordan, Jameis Winston and Kenny Burkhead will also have a chance to leave an impression. With the loss of closer Robert Benincasa to the MLB Draft, look for Martin to use a variety of arms early on in the season to fill that role. But heading into the season opener against Rhode Island, Coles and Winston are the front runners to close up shop in the late innings.

Martin on the returning pitchers and this year's batch of newcomers:

"Everything is up in the air right now as far as our pitching in concerned. Anything past (Brandon) Leibrandt and (Scott) Sitz is a question for us. On the right side with (Luke) Weaver and (Peter) Miller, you have two possible starters that we are very impressed with. They have come back different looking guys and we are excited for what they bring to the table. We are going to use (Gage) Smith again in relief and we are going to use (Robby) Coles in relief from the right side. From the left side, we have been very impressed with (Kyle) Bird and (Bryant) Holtmann. Brandon Johnson has looked good and will be counted on to put in some innings this year. Billy Strode is another guy that we are hoping can contribute. But we are very excited to see if the closer surfaces during spring training. Jameis Winston is going to be looked as one of those fighting for the job. Leibrandt, Sitz, Miller and Weaver are the four we are looking at as our starters at this time."

Martin on a returning cast that gained the opportunity to throw at the College World Series:

"We've got a great deal of guys returning with experience of pitching in the College World Series, so that is very exciting for me. Those young men have been there. We want to see them make a bigger contribution this year because somebody has got to pick up where guys like Hunter Scantling, Brian Busch and Robert Benincasa left off. They did things last year to help this team achieve. All the guys have worked real hard this offseason to prepare for the upcoming year."

DEFENSE

The Seminoles return five position starters from last year's squad that posted a .968 fielding percentage, good for the sixthbest mark in school history. Stephen McGee was a work horse behind the plate starting all 67 games while catching 576 innings out of a possible 598.1 total innings played. Justin Gonzalez is back for his senior campaign and has started 125 games at shortstop over the last two seasons. The senior captain has shown great range at the position and will be looked at to provide leadership out in the field. Jose Brizuela, who made 62 starts in left field as a freshman, will move to

third base in 2013, while Seth Miller and Josh Delph, who played significant innings last year, will see playing time in the outfield.

For the fourth time in as many years, centerfield will be occupied by a new face. After three consecutive years of Tyler Holt and then a year each of Mike McGee and James Ramsey tracking down balls and calling the shots in center, the reins will be awarded to one of three possible candidates. Freshman DJ Stewart is the front runner to earn the starting nod, but he is receiving competition from senior Seth Miller and freshman Ryan Valdes. Miller made 43 starts a season ago – 35 in right and four more in left – and covered a great deal of ground en route to a .988 fielding percentage. The Southport, Fla., native recorded three outfield assists and made just one error in 81 fielding chances.

With Jose Brizuela making the move to third base, Josh Delph is the only other returning Seminole with starting experience in the outfield. The Bartow, Fla., native emerged as a starter halfway through the season and finished his freshman campaign with 30 starts in right field and one in left. Delph has grown comfortable with the field dimensions on Mike Martin Field and has become a bit of an expert in reading balls off the right field screen. He should receive competition out in right field from junior college transfer Brett Knief. The starting nod in left field is a battle between two new faces in freshman Jameis Winston and JUCO transfer Marcus Davis.

The right side of the infield is also up for grabs after the loss of Jayce Boyd and Devon Travis to the MLB Draft. Freshmen John Sansone and Alvin Swoope have been battling it out at second base, while sophomore John Nogowski and junior college transfer Casey Smit are doing the same at first base. Of the four, Nogowski is the lone player with Division I playing experience as the Tallahassee native made two starts at first base in 2012. John Holland could also provide depth in the infield but nagging back problems could limit his playing time this season.

Depth is once again prevalent thanks in large part to this year's crop of newcomers. JUCO transfers Marcus Davis, Brett Knief and Casey Smit are all vying for playing time out in the field, while freshman JJ Gould will back-up Jose Brizuela at third. Sophomore Giovanny Alfonzo rounds out the infield depth and could fill in at second base, shortstop or third base. Behind the plate, Ladson Montgomery and Lee Howard will spell McGee from time to time reducing the number of innings caught by the Port St. Lucie, Fla., native in 2012.

Martin on the strength of the team defending:

"With (Jose) Brizuela and (Justin) Gonzalez, you know what to expect from them, they have been there. John Sansone (second base) is a freshman and Casey Smit (first base) is a junior college transfer and they are going to need some time to get their feet under them. I am anxious to see how they adjust as we go through the season. John Nogowski is another guy that is competing at first base that I have been impressed with so far this offseason. I'm looking forward to seeing how our young guys and new faces mature before opening day. With our catcher (Stephen McGee), that's a nice feeling to know that he and Gonzalez are back. We will not catch Stephen McGee the number of innings he did last year; that is a promise. I pray he stays healthy, but Ladson Montgomery will be the back-up and will catch a lot of innings for Florida State this year. As far as the outfield with Seth and Josh back, they will be given every opportunity to start. DJ Stewart is going to play left field. We are very pleased with what we are seeing from Brett Knief and Marcus Davis. Both of those guys are going to play big roles on our team. It could be that Knief DH's against lefties and Marcus DH's against righties. Marcus and Brett have improved in the outfield and you never know we could get into a platoon situation."

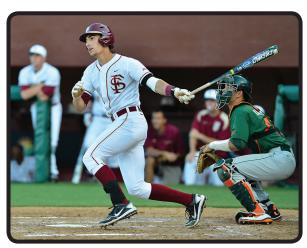

Martin on having more JUCO players on this year's roster than in year's past:

"Knief, Davis and Smit will be counted on to play a lot this year. It is good that they have gotten some experience at the junior college level. But they are still freshman as far as I am concerned until they've played a few games. It is a lot different at this level then at the junior college level."

2013 SEASON OUTLOOK

OFFENSE

A key to Florida State's successful run to its 21st College World Series appearance in 2012 was the team's ability to manufacture runs. For the third year in a row and fourth time in five years, the Seminoles led the nation in base-on-balls drawing 386. Three Seminoles finished the season ranked in the top five nationally in walks including national leader Sherman Johnson, James Ramsey (3rd) and Stephen McGee (5th). FSU also ranked in the top 10 nationally in doubles (5th), runs scored (7th), sacrifice flies (8th) and hit-by-pitches (9th). The Seminoles wrapped up the year with a team batting average of .281 which ranked fifth in the ACC.

Florida State will look to replace its top four hitters from last season after the departure of seniors James Ramsey and Sherman Johnson and juniors Jayce Boyd and Devon Travis. The quartet was responsible for more than 54 percent of the runs scored and hits manufactured and over 48 percent of the team's run production driving in a combined 201 runs. Looking to help fill that void will be senior captain Justin Gonzalez who will pace the Seminole offense in 2013 as the top returning hitter in runs scored (42), hits (54), home runs (9) and RBI (42).

In light of the bat restrictions set forth by the NCAA in 2011, which has had a dramatic effect on offensive numbers across the nation the last two years especially in the number of home runs hit, Florida State still managed to go yard 46 times in 2012 which ranked 26th nationally. Justin Gonzalez returns as the Seminoles' top home run hitter after the Miami, Fla., native clubbed a career-best nine home runs a season ago. Seth Miller tied a singleseason school record in 2012 as all three of his home runs were grand slams. FSU hit seven grand slams as a team, one shy of the school record of eight set back in 1996. Out in Omaha at TD Ameritrade Park, in a stadium that does not give up the long ball, Florida State hit three home runs in four games, tying Arizona for the most home runs hit at the 2012 College World Series. The Seminoles and Wildcats were the only schools to hit more than one home run in the series.

As far as offensive production from 2012, Florida State returners account for 273 of 627 hits (43.5%), 195 of 459 runs (42.5%), 207 of 413 RBI (50.1%) and 33 of 63 stolen bases (52.4%).

Martin on the leaders on offense:

"James, Sherman, Devon and Jayce were not only great players but great leaders. We will miss them, but I like what I am seeing from the guys on this team so far during the offseason. But to say who will fill those roles left by the guys last year, the jury is still out. We like so many different guys that are new. We are anxious to see how this thing shapes up. We've got some guys that have been very impressive. I am just anxious to see how every single one of them develops."

SCHEDULE AND TANGIBLES

Florida State will face 13 teams on this year's schedule that recorded 30 or more wins a season ago. Seven schools earned a bid to participate in the 2012 NCAA Regional, while four teams finished the season ranked in the top 25.

FSU and Florida will square-off three times in 2013 as each team will host a game sandwiched with a meeting in Jacksonville at the Baseball Grounds on March 26. Also featured on this year's schedule is a late weekend non-conference showdown with UCF in Tallahassee, May 3-5. The Seminoles will renew their rivalry with USF in week two of the season as the Bulls travel to Tallahassee for a three-game series, February 22-24. The USF series will be part of a 15-game home stand that will take place inside the friendly confines of Dick Howser Stadium to kick-off the year.

The Seminoles, who have won six consecutive ACC Atlantic Division titles, will compete in a 30-game conference schedule playing all but one league school (North

Carolina for the second year in a row). FSU will open its league schedule on Friday, March 8 in Tallahassee against Boston College.

With three seniors on this year's roster, Florida State boasts one of its smallest graduating classes since 2010 when the Seminoles matched that number with the likes of Stephen Cardullo, Ohmed Danesh and Mike Meschke. This year's class includes Justin Gonzalez and Scott Sitz, who have been with the program all four years, and Seth Miller, who joined the Seminoles as a sophomore in 2011 after transferring from Northwest Florida State College.

Senior shortstop Justin Gonzalez was named team captain in 2013 by head coach Mike Martin and will don the letter 'C' on his jersey for the upcoming season. James Ramsey was the first student-athlete in program history to denote his captaincy by wearing the 'C' on his jersey in 2012.

Martin on early home stand to open the 2013 season:

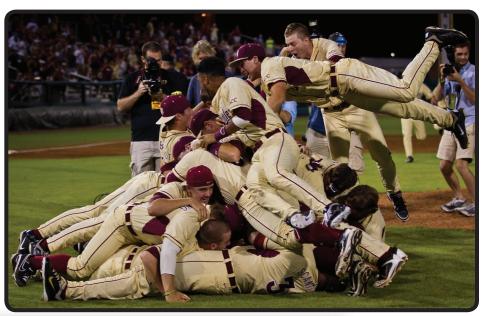

"To play the first 15 games at home is very important to us because of the youth of this club. We could very easily start two freshmen and two sophomores in the field and then on the mound have a senior, one junior and two sophomores. But this is all predicated on everyone remaining healthy."

Martin on the leadership of this year's team:

"(Justin) Gonzalez, Seth (Miller), (Stephen) McGee, (Jose) Brizuela, (Josh) Delph – they started in the College World Series. Those guys know what leadership is about. Our captain (Justin Gonzalez) will lead us in the clubhouse and on the field."

Martin on what excites him about this club:

"I like the fact that we have lot of players on this year's team that have experience playing in Omaha. They know what it takes to get there. I'm also excited to see where we are three months from now because I like what I see but I want to know what I am really seeing."

SEMINOLE COACHING STAFF

MIKE MARTIN

FLORIDA STATE '66

34TH SEASON AT FSU

FSU RECORD: 1,723-594-4 (.743)

CAREER RECORD: 1,723-594-4 (.743)

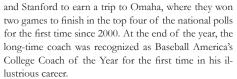

Entering his 34th season as the Seminoles' head coach, Mike Martin continues to redefine success by any standard of measure. With 1,723 career victories, a .743 winning percentage that ranks second among all active NCAA Division I coaches, 33 consecutive regional tournament appearances and 15 trips to the College World Series, Martin's place in college baseball history is secure.

Martin was inducted into the American Baseball Coaches Association Hall of Fame in 2007. Since then he has eclipsed the 1,500-, 1,600- and 1,700-win milestones, returned to the College World Series three times in the last five seasons and shown no sign of slowing down, while continuing to turn out All-Americans, Major League Draft choices and postseason participants.

Only two men, Texas' Augie Garrido and Wichita State's Gene Stephenson, have won more games than the man whose uniform number – 11 – is universally substituted for his name among players, fans, colleagues, and even family members. There's a reason Martin is treated like family among the Florida State faithful. He has been associated with the Seminoles for 41 of the program's 66 seasons - as a player, assistant coach and head coach.

There have been 3,598 baseball games played in FSU history and Martin has been involved in 2,705 of those in some capacity. Even more impressively, he's been on the field or in the dugout for 1,990 of the Seminoles' 2,623 all-time victories. In a sport where you're immortalized for batting .300, Martin has more than doubled that success rate – and then some – having had a hand in more than 75 percent of the program's victories in some capacity.

The 2012 season brought more of the same success as Martin led the Seminoles to the 50-win plateau for the 24th time in school history, while guiding FSU to its 15th College World Series appearance - both under his watch. In a season that started with many uncertainties most notably on the mound, those questions were quickly answered as Florida State ascended to the top of the rankings and stayed there for seven weeks. The Seminoles dominated play in the Atlantic Coast Conference finishing with a 24-6 record en route to a sixth straight Atlantic Division title. The 24 wins tied a league record for the most victories, a mark established by two other teams including Martin's 2008 squad. The Seminoles went undefeated during NCAA Regional and Super Regional play posting wins over UAB, Samford

With Martin at the helm since 1980, the Seminoles have won 16 conference championships with 11 from the Metro Conference and five in the ACC. Since moving to divisional play in 2006, Martin has led the Seminoles to at least a share of the ACC Atlantic Division title six years in a row from 2007-2012. Florida State's last ACC Championship came in 2010 when the 'Noles defeated NC State in Greensboro, N.C. FSU has played in the conference title game in three of the last four years.

Quite naturally, Martin's accomplishments have been recognized as he has claimed conference coach of the year honors 13 times; six times in the Metro Conference and seven times in the ACC with his latest coming in 2012. James Ramsey, Robert Benincasa, Jayce Boyd and Devon Travis, stars from the 2012 season, were recognized by earning All-America and All-ACC honors. In all, Martin's Seminoles have collected 84 All-America and 109 All-ACC honors. Furthermore, he has coached seven players – Mike Fuentes, Mike Loynd, J.D. Drew, Shane Robinson, Tony Thomas, Jr., Buster Posey and James Ramsey – who were named National Player of the Year. Four of those have been honored over the last eight seasons.

Over the past three decades, Martin hasn't only produced great players. He has developed a program that consistently turns out great teams. FSU baseball is the second-winningest program all-time, trailing only Texas, which has played 116 seasons. That's 51 seasons more than the Seminoles, who along with the Longhorns, are the only programs in college baseball history to have won 73 percent of their games.

Since the start of the 2000 season, Florida State has won more games (644) than any other program. Since 1990, no Division I school has more top 10 finishes, 50-plus win seasons or participated in more NCAA Regionals.

What Martin and the Seminoles have accomplished from 1990 to the present may rank as one of the great feats in college athletics. Beyond their staggering success in the regular season, the Seminoles have flourished in the postseason. From their 23 consecutive NCAA Regional appearances – 19 as the hosts – the Seminoles have finished their season at the College World Series 11 times. Since the NCAA instituted Super Regional play in 1999, FSU has reached the penultimate postseason round 12 times and played host at Dick Howser Stadium on nine occasions.

The Road to Omaha in 2010 was anything but a smoothly paved super-highway, even though the Seminoles sailed through their first 12 games without a blemish, including a three-game home sweep of Georgia and single wins over Florida, Jacksonville and UNF. FSU promptly dropped its first two ACC games – at home – against top-ranked Virginia, avoiding a sweep with a Sunday triumph.

It would be that kind of season in the ACC, which proved to be the most competitive conference in the nation, with eight of 12 teams registering at least 38 victories and advancing to the NCAA Regionals – a new league standard. At 18-9 in ACC play, the Seminoles controlled their own destiny in their bid for a fourth consecutive, outright ACC Atlantic Division title as they headed to Clemson. The Tigers promptly swept the Seminoles, who still managed to secure the Atlantic top spot by virtue of a tie-breaker.

The Seminoles suffered their fourth consecutive loss – their longest losing streak of the season - to Miami in the opening game of the ACC Tournament, before turning things around. An 11-4 win over top-seeded Virginia served as the springboard to another remarkable postseason run. The Seminoles routed Boston College, and then turned back NC State 8-3 in the championship game at NewBridge Bank Park in Greensboro, N.C. for their fifth ACC title.

Continuing its momentum in Connecticut, FSU pushed its winning streak to six, sweeping the NCAA Norwich Regional. Consecutive two-run wins over Oregon put the 'Noles back in a Super Regional, this time at home against Vanderbilt. McGee's walk-off homer in the opening game kept the ball rolling. Undeterred by a 6-2 loss in the second game, the 'Noles used a three-run, eighth inning double by Sherman Johnson and McGee's 12th save of the season to score a 7-6 victory and earn the program's 20th College World Series trip.

The 2008 Seminoles snapped a seven-year drought between CWS appearances – the longest in Martin's tenure – by rolling up a 54-14 record, which included an ACC-record 24-6 league mark. Led by consensus All-American and National Player of the Year Buster Posey, the Seminoles slugged their way back into the national spotlight. With five All-ACC players in the fold, FSU produced a nation-leading and ACC-record .355 batting average to go along with 103 home runs. Along the way the group delivered Martin his 1,500th career victory, fittingly in a 17-8 rout of Georgia Tech.

It was a long time coming for a program which dominated the decade. From 2000-2009, the Seminoles won 500 games, two ACC Tournament titles, authored a rare 60-win season (2002), turned out National Play-

ers of the Year (Shane Robinson, Tony Thomas, Jr. and Buster Posey) and four first-round draft picks. No one suspected that the 2000 team — Martin's 19th to reach the 50-win landmark in 22 seasons — would be the only team to find its way to Rosenblatt Stadium over an eight year span. After all, the Seminoles had become regular June visitors and seemed poised to break through for its first CWS title after consecutive strong showings in 1999 (second) and 2000 (tied for third).

From 1990-1999, Florida State made seven CWS appearances, including a program-best stretch of three consecutive (1994-96). The '99 Seminoles provided the capper. They came through the ACC schedule with a 22-2 mark – the best winning percentage in league history – which helped Martin land coach of the year honors. Marshall McDougall, who left the nation buzzing about FSU baseball when he slammed an NCAA record six home runs in a single game at Maryland earlier in the season, helped the 'Noles roll through the Regional and Super Regional rounds at home. In Omaha, FSU rallied from a second-round loss to reach the title game by beating Stanford 14-11 in 13 innings. The dream season ended with a heart-breaking, 6-5 loss to Miami with a title on the line.

Beyond the 527 wins in the 10-year stretch, there were plenty of memories. Martin, who would post his 1,000th career victory in '98 against Jacksonville, had a chance to coach his son – catcher Mike Martin, Jr. – for three seasons. He also filled out lineup cards with names like Paul Wilson, Doug Mientkiewicz, Jonathan Johnson and Eduardo Perez. The Seminoles also joined the ACC in 1992, posting the league's best record three times, while winning two tournament titles during the decade.

In short, Martin's Seminoles of the 1990s raised the standard of excellence established under his direction throughout the 1980s. The Seminoles won nine Metro Conference Tournament titles and made three College World Series appearances between 1980 and 1989, thanks to the likes of Mike Fuentes, Jeff Ledbetter, Luis Alicea, Mike Loynd, Paul Sorrento and Richie Lewis.

Winning, however, does not define Martin's brilliant career. The 2001 team got a first-hand reminder of that prior to a series at Stanford. Leaving the San Francisco airport, Martin and then-assistant Chip Baker gained

ACC Record

NCAA Tourn. (33 years)

Throughout his career, Martin has stressed the importance of developing true student-athletes. The Seminoles must first win and lose with class; a direct reflection on the man who leads the program. In six seasons of presenting the ACC Sportsmanship Award, Martin's Seminoles won the award twice. Academically, Florida State has been a fixture among the top teams in the ACC for overall GPA. Led by two-time ACC Baseball Scholar-Athlete of the Year James Ramsey, the Seminoles placed a league-best and school record nine student-athletes on the 2012 All-ACC Academic Team; the fourth time in the last seven years that they have led the conference. In all, FSU baseball student-athletes have been selected to the academic team of distinction 40 times since its 2006 inception. Three times the ACC Scholar-Athlete of the Year has been awarded to a Seminole with Buster Posey winning the award in its

Ramsey finished his senior campaign as the 2012 Capital One Baseball Academic All-America of the Year and was named a first team Academic All-American for the second straight year joining Greg Gromek as the only Seminoles to be named a two-time first team Academic All-America® in program history. Adding to the academic accolades in 2008, Posey was named the CoSIDA Academic Player of the Year – the first of its kind for the FSU Baseball program.

There's no question that the Seminoles' outstanding character in the most difficult of times stems directly from their head coach. When Martin transferred to FSU from Wingate Junior College in 1965 to play centerfield for the Seminoles, it marked the beginning of a love affair that has never ended. His love for the game of baseball is matched only by the success he has had teaching it to aspiring players.

From the new facilities to the coaching staff to the unmatched community support, Martin has improved an already strong Seminole baseball tradition with every season. Just when it seems that the program can reach no higher plane, something bigger and better comes along. When Martin took over in 1980, it was taboo to mention "Omaha" around the ball club. No one wanted to jinx an FSU team that had made it to the College World Series only three times in the previous 16 seasons. After taking the Seminoles to that hallowed ground in his very first season, Martin would eventually make Omaha not only a household word, but a second home to the Seminoles, leading the program there 15 times.

Martin began his career by whipping off 12 consecutive 50-win seasons. Interrupted by 49- and 46-win campaigns in 1992 and 1993, he followed with another streak of 50 plus wins in seven straight seasons from 1994 to 2000.

He began coaching junior high baseball and basketball, before taking over as the head basketball coach at Tallahassee Community College. Martin spent three seasons coaching basketball at nearby Godby High School before Woody Woodward was hired as FSU's baseball coach in 1975. Martin joined the Seminoles' staff and

served as Woodward's top assistant for four years, then added one more under Howser.

In 1980, Martin's dream came true and remains a thrill to this day. The winner of more games than the first seven FSU coaches combined, he has been an NCAA Tournament participant for 35 consecutive years, counting his last two seasons as an assistant. Martin has pulled on the FSU uniform in Omaha for 17 of the program's 21 trips as either a player, assistant or head coach.

Over the course of his career he's shared that wisdom with 174 players who have been selected in the Major League Draft, eight National Players of the Year

and four Golden Spikes Award winners.

Martin's passion for the game and working with young people makes him a popular public speaker throughout the Southeast. His involvement through the years with the Fellowship of Christian Athletes provides another avenue for reaching out to others.

In 2004, Martin was honored by the two schools he attended as an undergraduate. Wingate University, where he spent two years before transferring to FSU, bestowed upon him the honor of Distinguished Alumnus. He was also presented the Bernard F. Sliger Award for Service, named after Florida State's 11th president, which is the highest honor accorded by the Alumni Association.

A 1966 graduate of Florida State, Martin earned his master's degree in 1971. He and wife Carol have three children, Mary Beth, Melanie and Mike, Jr., who is in his 16th season as an assistant coach to his father, and four grandchildren. Mary Beth and husband Tom Buchanan are the parents of Martin's first grandchild Hannah Elizabeth (14) and Lexi, who joined the family in January in 2012. Mike, Jr. and his wife Litzie are the parents of Martin's second and third grandchildren Tyler (11) and T.J. (9).

WIRE BELL

ASSOCIATE HEAD COACH

FLORIDA STATE '96

2ND SEASON AT FSU

Mike Martin didn't have to sell Florida State's rich baseball history in his search for a top-flight pitching coach with Division I experience in the summer of 2011

Mike Bell was a part of that history and now he's back in Tallahassee where he enters his second season as an associate head coach with his primary duties overseeing the Seminole pitching staff and assisting in the recruiting process.

The former Seminole did not disappoint in his first season as a member of the Florida State coaching staff guiding the Garnet & Gold to a berth in the College World Series and a top four finish. Under Bell, the Seminole pitching staff posted a team ERA of 3.47 good for fourth best in the ACC and 52nd nationally. It marked the lowest ERA recorded by a Seminole squad since 2003 when the team finished with a sub-three (2.96) earned run average.

From the start of the 2012 season, Bell relied on some new faces to solidify the weekend rotation with a pair of freshmen in Brandon Leibrandt and Mike Compton and sophomore Peter Miller filling those roles. It marked just the third time since 1980 that Florida State opened a weekend series with a rotation consisting only of sophomores and freshmen. Leibrandt became the first freshman to start an opening day game in Florida State history while holding down the spot as the Friday night starter all season long. Compton stood as the lone pitcher in the ACC to reach double-

digit wins while finishing tied for second nationally in that same category. Both pitchers would go on to earn Freshmen All-America honors.

In all, seven Seminole pitchers finished the 2012 season with an ERA below 3.50 including NCBWA Stopper of the Year finalist and Dick Howser Trophy semifinalist Robert Benincasa. The junior right hander had a career year going 4-2 with 16 saves and a 1.32 ERA in 32 appearances. His 16 saves were the second most in a single-season in Florida State history and tied for the sixth most in the career annals. Benincasa was recognized as a first team All-American by Baseball America, NCBWA and Perfect Game and was a seventh round draft pick by the Washington Nationals. Hunter Scant-

ling joined Benincasa in the 2012 MLB Draft selected in the 14th round by the Detroit Tigers. After a successful first season back at his alma mater, Bell was named the top assistant coach of 2012 by Perfect Game USA.

Before returning to Florida State, Bell's resume spoke for itself. In his first seven seasons at the Division I level, including the last four as the Oklahoma pitching coach, the Sarasota, Fla. native helped recruit and develop 22 pitchers who were selected in the Major League Baseball draft. That includes three first-round selections - including 2006 No. 1 overall pick Luke Hochevar - during his three seasons at Tennessee, where he helped the Volunteers reach the 2005 College World Series.

In four seasons at Oklahoma, Bell's pitching staffs established a number of new standards. His 2011 group posted a 3.00 ERA, which is the Sooners' lowest since 1978. Four of his hurlers earned All-Big 12 honors, including second-team All-American Michael Rocha. The Sooners posted a 41-17 final record and were ranked No. 15 in the USA Today/ESPN Coaches poll. In 2010, his pitching staff was instrumental in leading OU back to the College World Series for the first time since 1995.

The 2010 Sooners registered a program-record 583 strikeouts and produced three drafted pitchers. His 2009 staff included first-round pick Garrett Richards and Ryan Duke. Duke was named All-American; OU's first since 2000.

When Bell arrived at Oklahoma as coach Sunny Golloway's assistant he had a blank slate to fill, but set out building a staff based on the same principles he continues to apply at Florida State.

Bell said it is important to identify and sign starters, relievers and closers when building a staff. And it certainly doesn't hurt that Bell has enjoyed successful stints with programs in both the SEC and Big 12 - two of the nation's top baseball conferences — as well as a productive first year as a coach in the ACC.

Beyond his Division I experience, he spent two seasons as the pitching coach and recruiting coordinator at perennial Division II national power Florida Southern, where the Mocs twice finished in the top 20 nationally in ERA. He launched his coaching career in 2002 at Brandon High, where he led the team to a district title and a regional runner-up finish as the head coach, earning Hillsborough County Coach of the Year honors.

A left-handed pitcher and first baseman for the Seminoles, Bell helped Martin's teams reach the 1994 and 1995 CWS in his only two seasons. He was a two-year teammate of FSU assistant coach Mike Martin, Jr., who handled the catching duties for those squads. Bell posted a two-year record of 14-4 with a 3.00 ERA and was twice named to the ACC Academic Honor Roll.

Selected in the 20th round of the 1995 draft by the Montreal Expos, Bell spent six years in the minors, including the final three with the Baltimore Orioles' organization where he reached the Double-A level.

Prior to enrolling at FSU, where he earned his degree in 1996, Bell spent two seasons pitching at Pasco-Hernando Community College, where he was a two-time All-Suncoast Conference selection.

Bell is married to the former Alicia Favarato, a Florida State graduate, and the couple has two children, daughter Alexis (7) and son, Kyler (5).

MIKE MARTIN, JR

ASSISTANT COACH

FLORIDA STATE '95

16TH SEASON AT FSU

Entering his 16th season as an assistant coach, Mike Martin, Jr. is widely recognized as one of the bright coaches in the college game. A former All-American catcher with the Seminoles, he coaches third base, works with the hitters and handles the Florida State catchers. At the start of the 2011-12 season, Martin, Jr. assumed the role of recruiting coordinator after assisting in the process the first 14 seasons in Tallahassee.

Under his 15-year guidance, the Seminoles have batted .312, slugged .491 and averaged 8.12 runs per game. Florida State has played in six College World Series, 12 Super Regionals, 15 consecutive NCAA Tournaments and won 74 percent of its games with Martin, Jr. on staff. As the academic liaison, the Seminoles captured the Golden Torch Award in 2007 and 2008, positing the highest GPA among all men's teams at Florida State. Two players have been named Capital One Academic All-America of the Year, while FSU has placed 40 student-athletes on the All-ACC Academic Team since the awards inception in 2006 including a school-record nine in 2012.

Martin has coached 10 Major Leaguers, 11 Freshman All-Americans, 18 first team All-Americans and 30 student-athletes who have earned first, second or third team All-American accolades. In all, 52 Seminoles have earned All-ACC honors and 47 hitters have been selected in the Major League Baseball draft during that stretch. Four Seminoles have captured National Player of the Year honors.

Serving as FSU's hitting coach over the last 15 years, the Seminoles have batted .300 or better 11 times. Six of the top 11 hitting teams in FSU history have come under Martin's watch. In 2009, he was named ACC Assistant Coach of the Year by SEBaseball.com

The Seminoles' offensive success is rooted in Martin's philosophy, which emphasizes discipline at the plate and using the entire field as a hitting area. He has also

instituted the use of wood bats in practice.

The 2007 and 2008 Seminoles established new school records for highest team batting average. In 2007, the Seminoles hit .350 in 62 games, shattering the previous record of .337 set in 63 games back in 1980. It also broke the ACC record of .347, set by Georgia Tech in 2001. The new standards stood for just one season as the 2008 Seminoles hit .355 over 68 games, leading the nation, as the Seminoles advanced to the College World Series.

The 2008 team was prolific offensively on every front. FSU's 869 hits ranks second in school history and its 12.8 hits per game established a new program standard. The Seminoles' 103 home runs were the most since belting 111 in 1999, while the .565 slugging percentage ranks second in school history. The 'Noles also scored 663 runs, recorded 603 RBI and notched 45 sacrifice flies, all of which rank among the top three seasons in program history. Much of the success can be attributed to demonstrating patience at the plate, where the Seminoles drew a nation-leading 435 walks and were the only team in the country with fewer strikeouts than walks. Overall, the 2008 team led the nation in hits, runs and walks and ranked among the top five in doubles (2nd), sacrifice flies (2nd), scoring (3rd), slugging percentage (3rd) and home runs (5th).

In 2009, the Seminoles topped the .320 hitting mark for a third consecutive season and finished second in the ACC with a .321 average. FSU led the league in onbase percentage, runs, RBI, doubles, total bases, walks and sacrifice flies. The Seminoles ranked among the top 10 teams in seven offensive categories, leading NCAA Division I programs with 46 sacrifice flies while ranking second in walks and doubles. Martin, Jr. was recognized by SEBaseball.com as the ACC Assistant Coach of the Year at seasons end.

The 2010 Seminoles remained incredibly productive offensively, thanks in large part to their plate discipline and sense of timing. While the 'Noles batted .300, they led the nation in base on balls (402), ranked third in sacrifice flies (44) and consequently, finished 14th in runs scored (543). They also finished 22nd in doubles (147) and 23rd in home runs (86). With the propensity to put together big innings and a never-quit attitude which produced four walk-off victories, FSU won an ACC championship and advanced to the College World Series for the second time in three years, authoring a 48-20 final record.

In light of the 2011 bat restrictions, which had a dramatic effect on offensive numbers across the nation, Florida State was still able to rank among the best in the country finishing the year with a .293 team batting average. The Seminoles led the nation in base on balls (381) for the third time in four seasons and in doubles (152). FSU also ranked in the top 10 in runs scored (4th), home runs (8th) and scoring (10th).

The 2012 season was no different in terms of Florida State getting on base and manufacturing runs. For the third consecutive year, the Seminoles led the nation in base on balls drawing 386 in 67 games good for a per game average of 5.76. FSU also ranked in the top 10 in doubles (5th), runs scored (7th), sac-flies (8th) and hit-by-pitches (9th). In fact, the 96 hit-by-pitches fell just one short of tying the school record set in 2001. As a team, FSU hit .281 en route to a sixth straight ACC Atlantic Division Championship and a berth in the College World Series for the third time in the last five seasons.

In need of a catcher heading into the 2007 season, the coaching staff turned to Freshman All-American shortstop Buster Posey. With Martin serving as his mentor, the athletically gifted Posey blossomed into a two-time All-American. A Johnny Bench Award finalist in 2007, he won the award presented to the nation's top catcher as a junior in 2008. Under Martin's tutelage, the Leesburg, Ga., native was awarded the 2008 Rawlings Gold Glove Award for his outstanding defensive play from behind the plate. Posey posted a .989 career fielding percentage as a catcher, registered 12 pickoffs and held opposing runners at bay throwing out 40.8 percent of attempted base stealers.

In his final season, Posey, who set a single-season record by batting .463 in 2008, was the national leader in six offensive categories and just the fourth player in Atlantic Coast Conference history to win the Triple Crown.

In 2005, Robinson put together a school-record 40-game hitting streak and raised his average 147 points to a team-leading .427. He became the only FSU player to record more than 100 hits and 40 stolen bases in one season. Two years later, Tony Thomas, Jr. hit a career-high .430 – a 165-point improvement - while leading the nation in doubles per game (0.53). He became the first Nole to record 30 doubles, 100 hits and 30 stolen bases in a single-season. With Martin, Jr. conducting the offense, four players have gone on to garner National Player of the Year accolades including Robinson, Thomas, Posey and most recently James Ramsey in 2012.

Martin first distinguished himself as the Seminoles' starting catcher from 1993-95, earning NCAA All-Tournament honors in each of his three seasons. He was the Most Valuable Player of the NCAA Atlantic II Regional in 1994, leading the Seminoles to the College World Series and earning second team NCBWA All-America honors. He was selected to the 1995 NCAA Atlantic I Regional All-Tournament Team as the Seminoles returned to Omaha for the second straight year. In 1993, Martin was a member of Team USA. He was drafted out of college by San Diego in the ninth round in 1995.

He began his collegiate career in 1992 at Manatee Community College, where he earned All-Conference honors. The Tallahassee native graduated from Maclay High School, where he captained the 1991 state championship team as a senior and had his No. 10 jersey retired. He was drafted as a shortstop out of high school by Seattle in the 31st round.

Martin Jr. married the former Litzie Andrade on November 27, 1999. They have two sons, Tyler (11) and T.J. (9), who are fixtures in the Seminole dugout.

CHIP BAKER

DIRECTOR OF BASEBALL OPS

HIGH POINT '80

29TH SEASON AT FSU

Returning for his 29th season as the senior member of Mike Martin's staff, Chip Baker is one of the most popular figures in the Seminole program. Baker is in his 11th year as Florida State's Director of Baseball Operations; a multi-faceted position for the man who spent 18 years as a Seminole assistant.

Baker oversees all administrative aspects of Seminole baseball, including the budget, team travel, game operations, equipment, field and facility maintenance and scheduling. He also assists the efforts of the marketing and ticket offices and is the contact point for all communication between the program and the Bullpen Club, Seminoles Boosters and the Alumni Association.

During his tenure with the Seminoles, Baker has participated in 28 NCAA post-season tournaments and 14 College World Series. He was a member of the coaching staff for the 1986 and 1999 teams that reached the CWS championship game. Baker's duties as an assistant included coaching third base, tutoring FSU's catchers, scouting opponents and directing the Seminoles' defensive alignments.

A former assistant at Virginia Tech and Georgia Tech, Baker is known as one of college baseball's premier catching instructors. During his tenure, Baker coached seven All-American receivers, including Ed Fulton, Barry Blackwell, major-leaguer Marc Ronan, Pedro Grifol, current assistant coach Mike Martin, Jr., Jeremy Salazar and Tony Richie.

Baker also serves as the director of the Mike Martin and Seminole Advanced Baseball Schools. Over 120 former campers have gone on to wear the Garnet and Gold and several have advanced to the major leagues. Past camps have produced 30 first round draft picks including Sean Gilmartin, John-Ford Griffin, Nick Stocks, Jonathan Johnson, J.D. Drew, Chipper Jones, Alex Rodriguez and brothers Justin and B.J. Upton. The Super Skills Academy is widely regarded as one of the nation's top summer camps. Baker has also been on the staff of national and regional clinics and continues to work with local youth organizations, putting together clinics for the Tallahassee Babe Ruth League, among others.

The 55-year-old native of North Carolina has written articles for Scholastic Coach and Collegiate Baseball magazines on the subjects of catching, third base coaching and bunting, and has published a Collegiate Level Strength & Speed book. Eight years ago, Baker put together a record-selling catching video with Championship Videos entitled, 'Expanding the Strike Zone.' A popular speaker with no shortage of stories, Baker continues to address Seminole Booster clubs and civic organizations around the state.

A 1980 graduate of High Point University in North Carolina, Baker was part of four Carolina Conference championship teams, including the 1979 team that was the NAIA World Series runner-up.

After completing his bachelor's degree in physical education, Baker earned a Master of Science degree in motor behavior at Virginia Tech, where he began his collegiate coaching career.

Baker is married to the former Julie Larsen, a record-holding pitcher on FSU's 1985-88 softball teams, who was inducted into the Florida State Hall of Fame in 1995. The two were married in 1991 in a most memorable ceremony conducted between a doubleheader at Dick Howser Stadium. The Bakers are the proud parents of a 17 year-old daughter, Katie Nicole, who is a regular at FSU home games and has traveled to the College World Series five times. Baker's older brother, Jim, is the head basketball coach at Catawba College.

In 2001, Baker and head coach Mike Martin were presented with the university's prestigious Westcott Award for their bravery in saving the lives of players and staff during the Seminoles' road trip to Stanford. Leaving the San Francisco airport, the two coaches gained control of the team's charter bus after the driver suffered a fatal heart attack, safely guiding the bus to the side of a busy highway.

CHRIS CATES

VOLUNTEER ASSISTANT COACH

LOUISVILLE '07

1ST SEASON AT FSU

Chris Cates joins the Florida State Baseball staff in his first season as the Seminoles' volunteer assistant coach in 2013. Cates' primary responsibilities will be in the development of the outfielders while serving as the first base coach.

Selected in the 38th round of the 2007 MLB First Year Player Draft by the Minnesota Twins, Cates played for five seasons in the Twins' minor league organization. He was named a two-time All-Star in the minors earning his first nod in 2008 with the Beloit Snappers out of the Class A Midwest League. A year later Cates would make his second All-Star team, this time in his first season at the Class A-Advanced level of the Florida State League with the Fort Myers Miracle. Cates turned his second All-Star appearance into a promotion to the Double-A Eastern League where he spent two seasons playing with the New Britain Rock Cats before retiring from professional baseball in 2011.

Cates graduated from the University of Louisville in 2007 with a bachelor's degree in sports administration. A four-year starter at shortstop for the Cardinals (2004-07), Cates started 239 games and hit .302 with 270 hits, 162 runs scored, 101 RBI, 44 doubles, five triples and three home runs. He also showed great strike zone discipline finishing his career with 89 walks to just 69 strikeouts. Cates played an integral role in leading Louisville to its first ever College World Series appearance in 2007 where the Cardinals went 1-2 in Omaha posting a victory over Mississippi State in an elimination contest. He closed out his senior campaign hitting .294 with 70 hits and a single-season career-high 17 stolen bases en route to being named to the All-BIG EAST Second Team. Voted team captain by his teammates and coaches, Cates was a semifinalist for the Lowe's Senior CLASS Award and the recipient of the Men's BIG EAST/ Aeropostale Scholar-Athlete award which earned him a postgraduate scholarship.

The Tampa, Fla., native had a career junior season at Louisville as he started all 60 games at shortstop and led the team with a .332 average, 47 runs scored and 16 sacbunts – a new single-season record for the Cards. Cates was instrumental in helping set a team record for double plays turned in 2006 with 75. He went on to earn third team All-BIG EAST honors as a junior after guiding the Cardinals to their first appearance in the BIG EAST Tournament championship game in their first season in the league.

In 2005, Cates played with North Adams of the New England Collegiate Summer Baseball League where he earned Defensive Player of the Year honors. He was also named MVP of the NECBL All-Star game that summer after going 2-for-3 at the plate while turning in a spectacular defensive performance.

Cates was a four-year letterwinner as a middle infielder at Brandon High School in Tampa. He finished his career third on the all-time stolen base list (55), while posting a career .349 average with 24 doubles, 98 runs and 40 RBI. Cates was also a standout on the hill for the Eagles recording a 10-5 record with a career ERA under two with five saves and 82 strikeouts. He went on to garner MVP honors at the 2002 Baseball America Perfect Game showcase in Ft. Myers.

Shortly after joining the Seminoles in the fall of 2012, Cates married the former Meagan Suárez in Tampa on November 3.

2012 SEASON IN REVIEW

FSU IN THE COLLEGE WORLD SERIES

Florida State made its 21st trip to the College World Series in 2012 and third in the last five years. The Seminoles finished the 2012 CWS with a 2-2 record moving their all-time record to 28-42. The 28 wins are the 11th most in NCAA history. With wins over Stony Brook and UCLA, Florida State won at least two games in the College World Series for the seventh time in 21 appearances and for the first time since 2000. FSU was one of four remaining teams at the 2012 CWS. The last time the Seminoles matched that feat was in 2000. Fifteen of the 21 trips made by Florida State out to Omaha have been under the direction of head coach Mike Martin. Devon Travis became the first player in CWS history to record four consecutive multi-hit games to open a CWS since Stanford's John Gall performed the feat in 1999, while Sherman Johnson and Travis were recognized on the 2012 CWS All-Tournament team as the duo combined to hit .485 with 16 hits, five doubles, two home runs, seven RBI and eight walks.

FSU IN THE NCAA TOURNAMENT

Florida State advanced to its 35th consecutive NCAA Regional in 2012 - second longest streak in the nation behind only Miami (40). Overall, the 2012 season marked Florida State's 50th NCAA Regional, which is the second-most ever trailing only Texas. The Seminoles and Longhorns are the only two schools to make 45 or more tournament appearances all-time. The Seminoles are 174-113 all-time in NCAA Tournament play, a record that includes 21 trips to the College World Series (28-42). Florida State entered the 2012 NCAA Tournament as a top eight national seed for the eighth time since 1999.

ANOTHER DIVISIONAL CROWN

For the sixth year in a row, Florida State finished atop the ACC Atlantic Division claiming at least a share of the division title. Since the move to divisional play in 2006, FSU has captured at least a share of the division title in six of the seven years. Florida State has won the divisional title outright five times (2007-09, 2011-12), while sharing the title with Clemson in 2010. The Seminoles finished the season with a league record of 24-6 tying the ACC mark for victories. FSU joined the 2006 Clemson Tigers and 2008 Florida State Seminoles for the most wins in league history.

GREAT ACC SEASON

Florida State finished ACC play with a record of 24-6, matching the league record held by two teams - Clemson (2006) & FSU (2008). FSU posted its best winning percentage in the ACC following the 1999 season when the Seminoles finished with a record of 22-2 (.917). Since the move to a 30-game league schedule in 2006, the Seminoles recorded its best finish in 2008 finishing atop the Atlantic Division with a school record mark of 24-6 tying the record for the most wins in the ACC. The record was matched once again in 2012. 2012 marked the fifth time in school history that Florida State recorded 20 or more league wins since joining the ACC in 1992.

COMPTON TIES FRESHMAN RECORD

FSU starting pitcher Mike Compton tied the Florida State school record for wins by a freshman with his victory against Stony Brook in the CWS elimination game. Compton worked 6.0 innings allowing two runs on six hits as he walked two and struck out four. The right hander is the fourth freshmen pitcher all-time at FSU to reach 12 wins as he joins Sean Gilmartin (2009), Ray Revak (1984) and Doug Little (1983). Compton finished the season ranked second nationally in wins and was the only freshman in the nation to reach double-digit wins in 2012.

WALK IT OUT

Florida State drew 19 walks in four games at the College of World Series and 56 in nine postseason games. FSU finished 2012 as the national leader in walks with 386, while three Seminoles ranked in the top five nationally - Sherman Johnson (1st - 69), James Ramsey (3rd - 63) and Stephen McGee (5th - 61). The Seminoles have now led the nation in base-on-balls the last thre years and in four of the last five seasons (2008 - 435; 2010 - 402; 2011 - 381; 2012 - 386). In 2009, FSU finished second nationally in walks with 386. Florida State has drawn 1990 walks the last five years, good for an average of over 398 walks a year.

'NOLES IN THE NATIONAL RANKINGS

Florida State concluded the 2012 season ranked No. 3 in the ESPN/USA Today Coaches poll and No. 4 by Baseball America, Collegiate Baseball and the NCBWA. It marked FSU's highest ranking since finishing No. 3 in the final poll of the 2000 season. The Seminoles were ranked No. 1 for a combined eight weeks by the four major polls including a season-high seven consecutive weeks by Baseball America. It was FSU's first No. 1 ranking since March 26, 2007.

MARTIN REACHES 1,700 VICTORIES

Mike Martin reached career win No. 1,700 in his 33rd season as head coach at FSU when the Seminoles defeated Georgia Tech 8-4 on Sunday, April 8 in Atlanta. Martin became just the fourth coach in all divisions and the third coach in Division I history to reach the historic milestone. The elusive group among all divisions includes Gordie Gillespie (1,893), Augie Garrido - Texas (1,847), Gene Stephenson - Wichita State (1,798) and **Mike Martin (1,723)**.

BENNY & THE SAVES

Robert Benincasa thrived in his new role as the Seminole closer in 2012. Benincasa finished the year 16-for-19 in save situations ranking second in the ACC and sixth nationally. It marked the second most saves recorded in a single-season in school history. Of his 16 saves, eight came in one-run ball games, four in two-run games and four in three-run games. Benincasa was a perfect 3-for-3 in save situations in the NCAA Tournament picking up saves against UAB, Samford and in the CWS vs. UCLA.

GRAND SLAM

Seth Miller took advantage of his opportunities at the plate with the bases loaded in 2012 connecting on three grand slams to tie a school record for grand slams hit in one year. Miller joined the exclusive group after hitting his third of the season in game two of the Super Regional against Stanford. The junior right fielder is the fifth Seminole to perform the feat as he joins J.D. Drew (1997), Jeremy Morris (1997), Dennis Guinn (2006) and Buster Posey (2008). All three of Miller's home runs in 2012 were grand slams.

GOLDEN SPIKES AWARD

The Golden Spikes is presented annually to the top amateur baseball player in the country as selected by a special committee for the United States Baseball Federation.

For the past 35 years, USA Baseball has honored the top amateur baseball player in the country with the Golden Spikes Award (see winners box). The award is presented each year to the player who exhibits exceptional athletic ability and exemplary sportsmanship. Past winners of this prestigious award include Major League Baseball stars Stephen Strasburg, Jered Weaver, Tim Lincecum, David Price and Florida State's Buster Posey.

The Golden Spikes Award is sponsored by the Major League Baseball Players Association (MLBPA), underscoring the commitment of Major League Baseball to the grassroots development of baseball programs, particularly for youth, around the world. The MLBPA supports USA Baseball's ongoing efforts to provide instruction for youth baseball players, coaches and volunteers, and to prepare amateur athletes for professional competition.

USA Baseball is the national governing body of amateur baseball in the United States. The organization selects and trains the USA Baseball National Team, the USA Baseball Junior National Team (18-under), and the USA Baseball Youth National Team (16-under), which participate in various national and international competitions each year.

NATIONAL PLAYERS OF THE YEAR

DICK HOWSER

The first All-American in Florida State history, Dick Howser led FSU into the District III Playoffs each season from 1956-58, and to the District Championship in 1957. This brilliant shortstop was named All-Region in 1957 and '58 and earned All-America recognition from the ABCA both of those years. In 1956, Howser's .422 batting average

set a Florida State season mark. He played professional baseball for Kansas City, Cleveland and the New York Yankees and returned to coach his alma mater to a 43-17-1 record in 1979.

BUDDY TEAGLE

Buddy Teagle, the catcher for the 1962 Seminoles, was honored with ABCA All-America status after a fine offensive and defensive year. He proved to be a threat both at and behind the plate. At the plate, Teagle boasted a .325 batting average. Behind the plate his rifle arm was a threat to all potential base stealers.

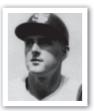

MIKE AUGUSTINE

Mike Augustine is literally a Seminole success story. In the 1962 season, he never saw regular playing time until tournament time. The next season, the centerfielder broke a school record for most hits in a season with 58. This 5-9, 150-pound All-American led Florida State to the District III title and a trip to the College World Series.

KEN SUAREZ

For the second time in three seasons, the Seminoles boasted an All-America catcher. In 1962, Buddy Teagle was named All-America and in 1964, Ken Suarez was named to the first team Coaches All-America team. Suarez was the leader of the 1964 Seminoles. He led the team in five offensive departments, including batting average as he hit .404.

JIM LYTTLE

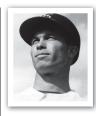

In 1966, Jim Lyttle was named a first team All-American by The Sporting News and the American Baseball Coaches Association. He was also an All-District III NCAA selection. That year, Lyttle rewrote Florida State slugging records. His 13 home runs, 51 RBIs and 131 total bases set school records that lasted for years. He was also a fine

defensive outfielder with an arm like a rifle. He played professional baseball with the Yankees, White Sox and Expos.

DICK GOLD

Dick Gold, the team co-captain for the 1969 Seminoles, set many Florida State batting records. His 20 career doubles, 83 career RBIs, 151 career hits and 98 career runs either tied or surpassed the school records of the day. The nine triples he hit in 1969 remains a Florida State mark. Gold was a first team ABCA All-American and a District III team selection.

DICK NICHOLS

Dick Nichols was the leading hitter on the 1970 national runner-up Seminole team that boasted four All-Americans. His batting average of .338 was just above fellow All-American Ron Cash's .335. Nichols, the second baseman for the Tribe, was selected to the All-District III team and earned All-America recognition from The Sporting News.

GUILLERMO (JUAN) Bonilla 1977

1976

The third baseman for the 1976 Tribe team that went 40-16 under Head Coach Woody Woodward, Guillermo (Juan) Bonilla garnered first team All-America honors from the Coaches Association for his offensive and defensive

prowess. Bonilla, a native of Rip Piedras, Puerto Rico, hit nearly .350 for the 1976 Seminoles and ranked second only to fellow All-American Terry Kennedy in RBI and runs scored.

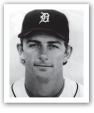

TERRY KENNEDY 1976-77

The Sporting News Player of the Year

Swinging his big bat or crouched behind the plate, Terry Kennedy gave Florida State his best. From 1975-77, he drove in 122 runs and clouted 32 homers. His 64 RBIs, 21 home runs and .810 slugging average were school records in 1976. He earned 1976 All-Region and 1977 all-Metro

honors. In both 1976 and '77, he was named a first team All-American by The Sporting News and added Most Valuable Player recognition from the magazine in 1977.

JIM WEAVER

Jim Weaver, the Seminole leftfielder in 1980, was second only to fellow outfielder Mike Fuentes in batting. Weaver's numbers, .372 batting average and 18 home runs, fit perfectly into a powerful hitting team which boasted five players who hit above .350. Weaver also had a teamhigh 28 stolen bases. He was a member of the All-Metro

Conference first team, as well as an All-American by The Sporting News.

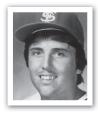

MIKE FUENTES

Golden Spikes Award

Mike Fuentes went from being cut from the Seminole team to winning the Golden Spikes Award in 1981, symbolizing college baseball's best player. He was FSU's third two-time All-American (ABCA) and also earned first-team recognition from Baseball America. He became the first

Seminole to hit .400 in a season when he batted .408 as a junior while leading Florida State into the 1980 College World Series. Fuentes capped a brilliant career with a senior season that included 27 home runs, 81 RBIs and a .360 average. During that year, he broke the NCAA career home run mark, finishing his career with 64.

JEFF LEDBETTER 1981-82

The Sporting News Player of the Year Baseball America Player/ Pitcher of the Year

Jeff Ledbetter was nicknamed "Tree Tops" for his monumental blasts into the pine trees behind the rightfield wall at Seminole Field. Ledbetter set NCAA and FSU records in almost every offensive category, including home

runs in a season (42), career home runs (97), home runs in a game (4), career RBIs (346), total bases in a season (273) and career total bases (346). Ledbetter ended an outstanding 1982 season by being named All-Metro, All-Metro Tournament, Metro Player of the Year, consensus All-American and The Sporting News and Baseball America Player of the Year.

FRANK FAZZINI

A powerful slugger, Frank Fazzini posted outstanding numbers during the 1985 season. His remarkable batting average of .413 was padded with other great statistics including 33 home runs and 118 RBIs. Fazzini's offensive skills made him a first team All-America choice by the Coaches Association and Baseball America, as well as a

member of the All-Metro Conference and All-Metro Tournament teams.

LUIS ALICEA

Florida State's second baseman in 1986, Luis Alicea literally raked in the awards. He was named to All-America teams by The Sporting News and Baseball America, was the MVP of the NCAA South II Regional Tournament and earned recognition on the College World Series All-Tournament team. With a batting average of .392 and a fielding

percentage of .945, Alicea was dangerous both offensively and defensively. These skills made him an integral member of the Seminoles' College World Series runner-up team.

MIKE LOYND

Golden Spikes Award

Baseball America Player/ Pitcher of the Year

Pitcher Mike Loynd, who led the Seminoles to a 61-13 record and a second place finish in the College World Series, was named the 10th recipient of the Golden Spikes

Award in 1986. Loynd won the award after compiling a 20-3 record in a stellar senior season. Loynd was a master at fooling opposing batters, striking out 223 of them. Because of his tremendous numbers, Loynd was a first team ABCA and Baseball America All-American, as well as the Metro Tournament MVP.

RICHIE LEWIS 1986-1987

Richie Lewis, a pitcher from Muncie, Ind., was a fiery strikeout artist who mystified opposing batters. From 1985-87, Lewis struck out 520 batters in 392.2 innings of play. This not only remains a Seminole all time record, but ranks second in the NCAA record book. In 1987, he was chosen to the ABCA, The Sporting News and Baseball America

All-America teams.

PEDRO GRIFOL

Pedro Grifol, an All-America catcher, epitomized the spirit of the 1991 College World Series squad. Always competitive, Grifol posted a .344 batting average and a near-perfect .998 fielding average. He led the squad in RBIs with 80 and in home runs with 16. Grifol, a three-year starter at catcher, proved a great target for Seminole

pitchers. His ability to frame a pitch and provide leadership behind the plate gave his Florida State teammates a player they could look up to.

CHRIS ROBERTS

Chris Roberts, one of the highest draft picks to ever attend Florida State, was a three year starter in the outfield and on the mound for the Seminoles from 1990-92. Roberts was a 1992 Collegiate Baseball All-American, as well as an All-ACC selection. The Middleburg, Fla., product racked up numerous awards at Florida State, including the 1991

Metro Conference Player-of-the-Year. Roberts hit .301, smashing 32 homeruns and driving in 175 runs. As a pitcher, Roberts posted a 23-8 record with 202 strikeouts. While at Florida State, Roberts started in leftfield for the USA National Team in the summer of 1991 and again at the 1992 Olympic Games in Barcelona. Roberts was selected in the first round of the 1992 June draft, and later signed with the New York Mets.

PAUL WILSON

All-American Paul Wilson made Florida State history by becoming the highest Seminole ever chosen in any professional sport draft, when the right-handed pitcher was named the first overall pick in the 1994 Major League Baseball Amateur Draft. Wilson was selected to the Baseball America and National Collegiate Baseball Writers

Association All-American teams, in addition to being tagged All-Atlantic Coast Conference. The Orlando native capped his FSU career by being named one of nine finalists for the Golden Spikes award, presented annually to the top amateur baseball player in the country. Wilson compiled a 27-11 record at FSU with a 2.77 ERA. Along the way he struck out 299 in 304.2 innings of work. Wilson established himself as the ace of the 1993 Team USA pitching staff, starting in nine games.

JONATHAN JOHNSON

Jonathan Johnson led Florida State to its first ever Atlantic Coast Conference championship, as he was named Most Valuable Player of the 1995 tournament for his outstanding performance. Johnson, a 1995 Baseball America All-American, also garnered All-ACC honors. He struck out 391 batters in his career, which ranks fourth on the all-time

ACC career list. Johnson compiled a 34-5 record and 2.62 ERA in three years as a starter for the Seminoles. The native of Ocala, Fla., was also chosen as a finalist for the Golden Spikes Award, presented each year to the nation's top amateur baseball player. Johnson was the seventh pick of the 1995 June draft by the Texas Rangers.

J.D. DREW* 1996-1997

Golden Spikes Award Collegiate Baseball Player of the Year *The Sporting News* Player of the Year *Baseball America* Player of the Year

J.D. Drew rewrote history as he established himself as one of the best hitters in college baseball. Drew was a consensus

1st Team All-American after becoming the only player in Division I baseball history to hit 30 home runs and steal 30 bases. He was named Player of the Year by Baseball America, Collegiate Baseball, The Sporting News, and the Atlantic Coast Conference and received the Dick Howser Award given by the American Baseball Coaches Association. Drew was also crowned the Golden Spikes Award winner, given by USA Baseball to the best amateur baseball player. He batted a FSU record .455 in 1997, while becoming one of just three players in Division I college baseball history to record a triple-triple — 100 hits, 100 runs, 100 RBI. Drew broke a total of 17 Florida State and ACC records including FSU season batting average, FSU & ACC career slugging percentage and ACC season and career home runs. Drew highlighted his junior campaign with an FSU record 34-game hitting streak during which he batted .524 with 20 home runs and 62 RBI. Drew was the second pick of the 1997 draft by the Philadelphia Phillies.

JEREMY MORRIS

Jeremy Morris turned in a record-breaking year after returning for his senior season despite being drafted in the ninth round after his junior year. Morris became the Atlantic Coast Conference all-time RBI leader as he finished his senior campaign with 273 in his career. He also

set a new Florida State career doubles record with 78. Morris was selected a 1st Team All-American by Baseball America and The Sporting News, and earned 2nd Team honors from Collegiate Baseball, the ABCA and the NCBWA. He also earned All-ACC for the second consecutive season and was named the ACC Tournament Most Valuable Player for his performance in the Seminoles' 1997 conference championship. PARKING

There is no designated media parking for Florida State baseball games. Parking is available in the university lots around Dick Howser Stadium on a first-come, first-serve basis. All media are encouraged to arrive as early as possible to avoid parking problems. Legally parked cars will not be ticketed on game days, beginning two hours prior to first pitch.

PHOTOGRAPHERS

In accordance with NCAA rules and regulations, all photographers and videographers are required to shoot from within the designated areas inside the playing field area. Only credential-holding photographers and videographers will be admitted to shoot in those designated areas. These areas are marked just inside the gates adjacent to the home and visitors' dugouts. Photographers and videographers are asked not to restrict the view of fans.

PHONE LINES

Florida State provides one phone line and one ISDN line for the visiting team's radio booth located in the press box, behind home plate. Phone lines can be used to make local calls only. Florida State has only one active phone line in the main press box at Dick Howser Stadium, but does provide high speed internet connections. Media members are encouraged to bring their own ethernet cables. A limited supply will be made available in the press box on a first-come, first-serve basis.

THE LEE BOWEN RADIO BOOTH Lee Bowen (1957-2004)

For 15 years, Lee Bowen served as the voice of the Florida State Seminoles. From Marshall McDougall's record-setting six home run game at Maryland to numerous NCAA postseason appearances, Lee Bowen was Seminole baseball.

Bowen called the action for over 1,000 Florida State baseball games over his 15-year career, including 26 from the College World Series. He was behind the microphone for more than 100 Seminole NCAA postseason games.

He was a one-man show on the road, calling the action from as far as away as Hawaii and California. At home, Bowen teamed with longtime partner Jim Crosby as the many fans sitting at Dick Howser Stadium would listen in as they watched the ballgames. Bowen traveled with the team to the College World Series in Omaha eight times, including the 1999 CWS in which Florida State defeated Stanford in extra innings to advance to the national championship game.

Over his last five years, Bowen was joined in the radio booth by his wife Adrienne. The two were married on June 27, 1999 and Adrienne would often accompany her husband on Seminole baseball road trips.

Bowen, who was instrumental in getting all Florida State baseball games on the radio, also served as the broadcast coordinator for football and men's basketball on FSU's radio network. He began his career as a statistician on the network after he came to Tallahassee from the Burlington Indians of the Appalachian League, where he called play-by-play for the rookie league team.
