E I THE UNIVERSITY

FLORIDA STATE UNIVERSITY

One of the two senior universities in Florida's university system, Florida State University has shown spectacular growth since, in 1947, it was converted from Florida State College for Women with about 2,500 students to co-educational Florida State University. It has become, for instance, one of the foremost centers of graduate education in the South and in 11 years has awarded more than 500 doctorates. The doctorate is offered in 34 fields. Enrollment has passed 10,000 and by 1970 is expected to be 15,000, including 4,000 graduate students.

Freshmen enter the Division of Basic Studies in the College of Arts and Sciences and for two years their instruction is in the basic knowledge and skills of communication, history, social science, humanities, natural sciences and personal development. At the start of the junior year students may continue in the College of Arts and Sciences or specialize in professional training in any of eight other schools. FSU offers professional training in business, education, engineering science, music, social welfare, nursing, home economics and library work.

A main campus of more than 315 acres contains a growing number of functionally designed classroom and laboratory buildings and large dormitories. Among the newest structures is one housing the Institute of Molecular Biophysics, which is supported by a \$3 million grant from the Atomic Energy Commission. A Nuclear Research Building is nearby and this science center area of the campus eventually will have 19 large buildings devoted to studies in biology, chemistry, physics, meteorology, mathematics, geology, oceanography, space biosciences and other sciences.

A \$2 million University Union near the center of the campus is now being constructed, along with a third large dormitory for men to join two 10-story men's dormitories. In addition to the main campus FSU has a university farm two miles from the campus and an off-campus apartment village housing several hundred married students and their families.

The President

DR. GORDON W. BLACKWELL

Dr. Gordon W. Blackwell

A native of South Carolina, Dr. Gordon W. Blackwell became President of Florida State University in September, 1960, succeeding Dr. Robert M. Strozier. Dr. Blackwell has distinguished himself most notably as an educator, social scientist, and more recently as a college administrator.

Well known for his scholarship, Dr. Blackwell has

authored five books and some 50 articles and edited for several years the journal, Social Forces. For 14 years, Dr. Blackwell directed the Institute for Research in Social Science of the University of North Carolina.

Born at Timmonsville, South Carolina, in 1911, Blackwell, the son of a Baptist minister, was graduated summa cum laude from Furman University in 1932.

Blackwell was awarded the M.A. degree by the University of North Carolina in 1933 and the Ph.D. by Harvard University in 1940.

Dr. Blackwell became President of Florida State University after three years as Chancellor of the Women's College of the University of North Carolina.

Mrs. Blackwell, a graduate of Converse College, is the former Elizabeth Blair Lyles of Spartanburg, South Carolina. The Blackwells have four children: Gordon, 24; Randy, 22; Blair, 17; and Millie, 15.

The Athletic Director

VAUGHN MANCHA

Now beginning his fifth year as Florida State's athletic director, Vaughn Mancha first served FSU as an assistant football coach under Tom Nugent (1952-58) and is a prominent figure in southern football circles.

Mancha was a standout center on Red Drew's Alabama teams (1944-47), and figures in Alabama football legend with Don Hutson and Harry Gilmer.

Since his college days Mancha has put in a year of professional football, earned a

Vaughn Mancha

Masters' at Alabama, served as Head Football Coach at Livingston, Ala., State College, Assistant at FSU, and Physical Education instructor at Columbia University.

An All-SEC and All-American selection for an amazing four years at Alabama, Mancha's finest year was as a sophomore in 1945 when he and Harry Gilmer led Alabama to a perfect 9-0-0 record. In Mancha's four years at 'Bama, the Tide had a 30-9-2 record and appeared in the '45 and '48 Sugar Bowl games and the '46 Rose Bowl Classic. Mancha's play earned him a position on the All-Time Sugar Bowl team.

Mancha was offensive center in 1948 with the Boston Yanks (franchise later became the Baltimore Colts), then became Head Coach at Livingston in 1949, where his teams won 21 of 28 games in three years before he came to FSU in 1952.

Mancha completed all work toward his doctorate with the exception of the dissertation 1957-59 while at Columbia, then assumed his present role at FSU in November, 1959. He is married to the former Sybil Little of Birmingham; they have three children: Clare, 14; Nan, 11; and Dit, 4.

The 42-year-old Athletic Director is a native of Sugar Valley, Ga.

The Head Coach

BILL PETERSON

Bill Peterson

Beginning his third season as Florida State's head football coach, Bill Peterson gives no indication of slacking his efforts to boost the Seminoles to the top of the gridiron heap.

Peterson once said: "I don't care how great a football player is supposed to be, if he doesn't have the desire to play hard all the way, and if he doesn't take pride in what he is doing, he won't help you when the chips are down."

The chips were on the table last fall, and Peterson's "Team

Named Desire" raked in a good portion of them. Recognized by many as the best team FSU has ever had, the 1962 Seminoles were a personal tribute to Peterson's ability to instill desire and pride into his football players.

A former offensive line coach at Louisiana State University, "Pete," as he is affectionately known by fans and fellow coaches, is impressive off the field as well, and continues to win friends from Pensacola to Miami in the endless chain of personal appearances he makes.

A 1946 graduate of Ohio Northern University—he was a standout end and team captain his senior year—he compiled a 51-22-3 record in ten years of high school coaching in his native state of Ohio. Two of his Mansfield elevens won Ohio State High School championships.

While an assistant at LSU, Peterson was credited with obtaining many of the players who boosted LSU in to college football's top ranks. LSU's 1958 team won the national championship and defeated Clemson in the 1959 Sugar Bowl.

Coach Peterson has done graduate work at both West Virginia and LSU. A native of Toronto, O., he is active in the Methodist Church. He and his wife, Marjorie, have five sons: Ronnie, 20; Tommy, 14; Jon, 10, Billy, 7; and David, 4½.

THE FOOTBALL STAFF

BOBBY BOWDEN,

Assistant Coach

A newcomer to the FSU staff, Bobby Bowden formerly was Head Coach at Howard College in Birmingham, Alabama, for four years. Prior to coming to Howard, he was Head Coach at South Georgia (Junior) College in Douglas.

A native of Birmingham, Bowden quarterbacked Woodlawn High teams in 1946 and 1947, later was a Little All-American at Howard in 1951. After graduation in 1953, he became an assistant coach under

Bobby Bowden

Earl Gartman, serving in that capacity for two years before moving over to South Georgia.

As head coach at the Douglas school, Bowden's teams had a 22-11 record. As Howard's Head Coach, Bowden had an amazing 31-6 record and dominated Alabama small-college football (his 1961 team won one game by an 80-0 score.) Bowden developed numerous small-college All-Americans while at Howard.

In his new job at FSU, Bowden will coach the offensive ends.

Coach and Mrs. Bowden, the former Julia Ann Estock of Birmingham, have six children: Robyn, Steven, Tommy, Terry, Jeffrey, and Ginger.

John Coatta

JOHN COATTA,

Assistant Coach

Coach John Coatta, a former Wisconsin assistant who is now in charge of the FSU offense, begins his fifth year on the staff.

Coatta (pronounced koat-ah) was an All-Big Ten Choice as a Wisconsin quarterback in 1951 and his record of 52 completions in 81 pass attempts for 610 yards (.642 percentage) set a conference all-time mark. A native of Dearborn, Mich., Coatta played at Wisconsin under Ivy Williamson.

Following graduation, Coatta stayed on as assistant before spending two years at Fort Eustis, Va., as an Army player and coach. Later he return to Wisconsin to coach and received his Masters' degree in 1959.

Coach and Mrs. Coatta (Jean) have five children: Jan, 10; Jeff, 7; John, 5; Julie, 3; and Jay, 2 months.

Vince Gibson

VINCE GIBSON,

Now first assistant to Coach Bill Peterson, Vince Gibson is Defensive Line Coach, starting a fifth year on the FSU staff.

A hard-charging guard on Seminole teams in 1954 and 1955, Gibson became freshman assistant in 1959 after three years as line coach and basketball and track coach at South Georgia (Junior) College, Douglas.

Like Bowden, Gibson is a Birmingham native. He earned a Masters' degree at Florida State in 1956.

Coach and Mrs. Gibson (Deane) have three children: Greg, 7; Pam, 5; and Larry, 1.

BOB HARBISON,

Assistant Coach

Charged with directing the Seminole offensive line, Bob Harbison is a veteran on the FSU staff. He came to FSU as assistant under Don Veller in 1948, the second year of modern football here. Harbison's 16 years is easily a staff longevity record.

Regarded in football circles as a sound coach and scout, Harbison was an outstanding guard under Bo

Bob Harbison

McMillian (1945-47) and played in the 1947 Blue-Gray game in Montgomery, Ala. Coach Harbison is a native of Evansville, Indiana.

A keen student of the game, Gibson brings a tremendous amount of enthusiasm and a great capacity for hard work into his job.

Coach and Mrs. Harbison (Jayne) have three daughters: Paula, 13, Susy, 10; and Mary, 7; and one son, Joe, 2.

Don James

DON JAMES Assistant Coach

Don James, in charge of the FSU defense, played service ball with John Coatta, offense chief, at Fort Eustis, Va. James is well-traveled in coaching circles.

James quarterbacked Massilon, O., High teams in 1947-48, to two state championships. He lettered as a quarterback at Miami in 1952-53.

Following two years in service,

James went to Kansas as assistant to Chuck Mather, his former high school coach, moving from there to Miami Southwest High School, where he handled the backfield coaching duties.

James came to Florida State in 1959 after two years at SW High.

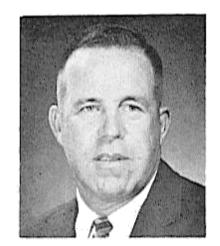

Coach and Mrs. James (Carol) have two children: Jeff, 8, and Jill, 5.

KEN MacLEAN, Assistant Coach

Ken MacLean, a veteran of high school coaching, joins the FSU staff this year after eight highly successful years at Florida High School, next door to the campus.

MacLean's Florida High teams won 61, lost 17, and tied four. His 1961 team was 10-0.

Ken, a native of Chattahoochee, played for both Florida and FSU. He was a starter at Florida in 1947 before transferring to FSU when it became co-educational in 1948.

Ken MacLean

MacLean was leading groundgainer, passer, and punter here in 1948-49.

MacLean coached at Chattahoochee High for two years before returning to FSU as an assistant in 1952, when he obtained his Masters' degree. He was at Cocoa High for a year prior to opening his Florida High tenure in 1955.

Coach and Mrs. MacLean have three boys: Ken, 6; Mark, 4; and John, 2.

Bubba McGowan

BUBBA McGOWAN, Assistant Coach

Ken MacLean played at both Florida and FSU, but William Albert "Bubba" McGowan can go Ken one better—McGowan has coached at both schools.

A Dothan, Ala., native, Bubba played at left half for Florida under Bob Woodruff; after graduation in 1952, he became freshman backfield coach there.

After two years of service with the U. S. Army at Fort Jackson, S. C., McGowan became assistant at Gainesville High School, later joined the FSU staff in 1959.

Coach and Mrs. McGowan (June) have a boy, William Albert, Jr., 4, and a girl, Gina, 1.

BILL PROCTOR,

Assistant Coach

Bill Proctor is another who played varsity football at the University of Florida before becoming a Florida State standout.

As a Seminole tackle, Proctor was drafted by the Cleveland Browns after graduation in 1956 but refused the offer to enter high school coaching.

Proctor was promoted to a fulltime assistantship this year after

Bill Proctor

serving in 1962 as a graduate assistant. Prior to joining the staff, he compiled a 25-10-5 record as Head Coach at Longwood's Lyman High School for four years.

Proctor, who works with the defensive line, is a native of Winter Park. He is married to the former Pamela Duke of Gainesville.

BEHIND THE SCENES

Don Fauls

DON FAULS,

Trainer

A proponent of isometrics and often in demand as a lecturer on that subject, Don Fauls has been easing Seminole wounds for ten years now, came onto the FSU scene first back in 1954. A native of Ithaca, New York, he graduated in 1948 from Ithaca College with a degree in physiotherapy. He worked for two years with a hospital in Bath, N. Y., then joined the Greens-

boro Patriots of the Carolina Baseball League, in Greensboro, N. C. During the off-season he worked at the Gilmore Clinic in Greensboro and after two years joined the St. Louis Cardinal chain as a trainer with their Omaha, Nebraska, farm team.

Don and Mrs. Fauls (Marguerite) have three children: Donna, 12; and twins, Danny and Jackie, 10.

RONALD MELTON, Athletic Business Manager

Promoted to his present position in June, 1959, Melton served as Assistant Athletic Business Manager for five years prior to the appointment. He also has been FSU's Assistant Baseball Coach. Melton was a baseball standout here for four years, hit safely in 17 consecutive games one season. He graduated from the School of Business in 1953.

Ronald Melton

In his work as Business Manager, Melton handles numerous tasks, among them coordinating travel plans for the football team, seeing that they are as comfortable as possible on the road.

Dr. R. P. Johnson

DR. R. P. JOHNSON, Team Physician

Florida State's team physician is another University of Florida graduate who has transferred his loyalties to the Seminoles.

Born in Long Island, N. Y., Dr. Johnson moved to West Palm Beach in his early childhood. He attended Palm Beach Junior College, received his B.S. from Florida in 1952, and his M.D. from Tulane in 1956. From 1957 through 1960, Dr. Johnson was

on active duty with the U. S. Navy. He is currently a LCDR in the U. S. Naval Reserve.

Dr. Johnson is experienced in the field of athletic aches and pains, having served with the University of Miami Athletic Department before coming to Florida State.

In his second year as FSU's team physician, Dr. Johnson is the only bachelor on the Seminole Staff.

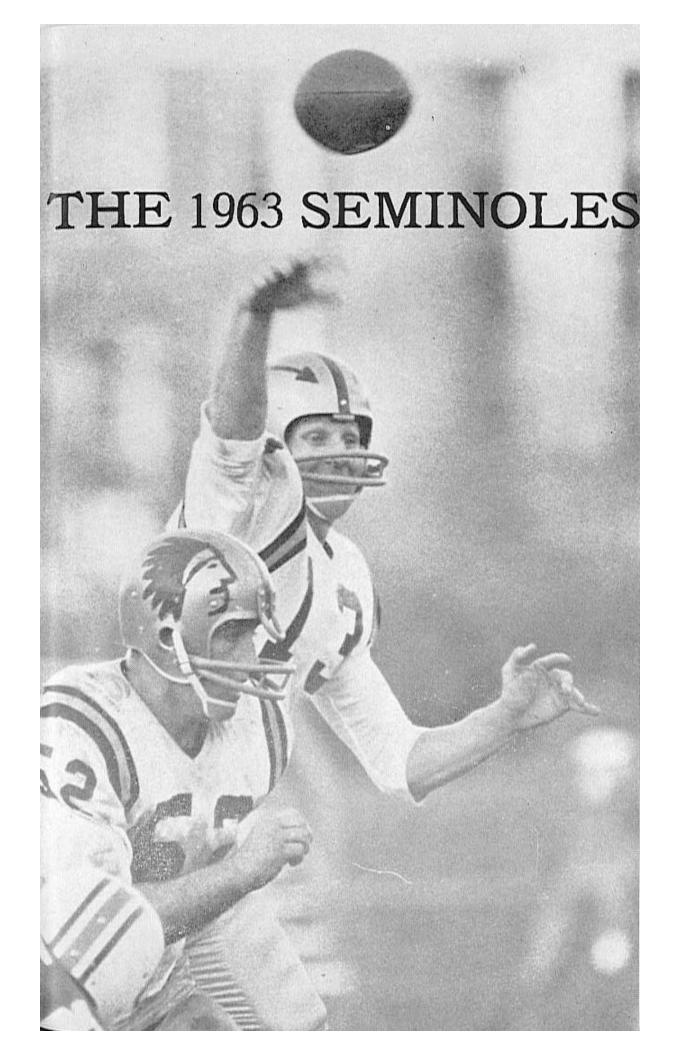

TILLMAN DIXON, Equipment Manager

Known to FSU athletes as "Mr. Dix," Tillman Dixon is charged with effectively keeping up with 5000 pieces of football gear. Starting his eleventh year at the job, Mr. Dix was formerly on the staff of the Florida School for Boys, Marianna. A native of Esto, he earned letters in football, basketball, and track at Madison High School.

Mr. Dix designed Florida State's equipment and locker room setup . . . one of the finest in the South.

SEMINOLES TO

Steve Tensi

Quarterback Steve Tensi

It's difficult not to notice Steve Tensi on a football field. The big fellow is the tallest college quarterback in the nation at 6-5, however, his height merely serves to focus attention on his remarkable right arm.

As a sophomore last year, Tensi averaged only 15 minutes per game, yet he outpassed senior Eddie Feely who was in the process of snapping three FSU career offensive records. The lanky 195-pound native of Cincinnatti, Ohio, completed 60 of 121 passes (49.6 per cent) for 796 yards

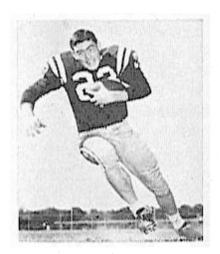

and five touchdowns. He had only two intercepted. Florida State ranked eighth nationally in pass offense on the efforts of Tensi and Feely.

This year, the big blond is in charge from the start, and a large measure of Seminole optimism stems from this fact. A former Ohio All-Stater, Tensi turned down 70 college scholarship offers to come to Florida State.

Halfback Dave Snyder

Someone once remarked: "Dave Snyder plays football like he just doesn't care."

Complete disregard for personal safety is one of the trademarks of this hard-running halfback from Jacksonville. He played fullback last year and was used mostly on defense, but gave FSU a needed punch against Georgia Tech when he battered his way 22 yards for the first Seminole touchdown. Tech's Bobby Dodd called this "the most determined run I've seen on Grant Field."

Dave Snyder

Determination is the keynote to Snyder's running. He was named the "most outstanding player," "most determined player," "strongest runner," and "best all-around runner" in spring practice last year. Look for him to add some life to the FSU running attack.

WATCH IN 1963

Charlie Calhoun

Quarterback Charlie Calhoun

This solid performer is Florida State's "Mr. Everything." They're still trying to find something Charlie Calhoun can't do with a football. He can punt with the best, kicked 55 times last year for 2083 yards with deadly accuracy.

He'll back up Tensi offensively, but Calhoun's real value is as a de-

fensive safety man.

He's a solid tackler and an excellent pass defender. Many times he forms the last Seminole line of defense. Calhoun may go unnoticed

until he's needed, but then he's always there, either kicking the Seminoles out of a bad spot, or making the game-saving tackle.

End Bill Dawson

Coach Peterson has said: "That big redhead could be one of the best football players in the country."

"Red" Dawson is cut from a rugged mold. As a defensive specialist on the "Renegades" last fall, he was miserly in giving up yardage to opponents. Going both ways this year he'll be the receiving end of some Tensi aerials. Pass receiving has been called Dawson's weak spot, but with extra work and determination he has molded himself into a good receiver.

Bill Dawson

Avery Sumner

Tackle Avery Sumner

Coach Bill Peterson feels that Avery Sumner may be the best tackle ever produced at Florida State. A junior this season, Sumner has two years to make this boast good, and there's not much doubt in Tallahassee that he has the equipment.

Sumner was a starter on the defensive "Renegades" in FSU's threeteam system last fall. This year he's expected to play both ways, and the opinion of the FSU coaching staff is that this challenge will give the Adele, Ga., strongman more oppor-

tunities to exhibit his caliber of football. As a defensive specialist last season Sumner was credited with 66 tackles and assists.

LEFT TACKLES

AVERY SUMNER, 21, Jr., 6-2, 212, Adele, Ga. (Cook Co. High), 1L. Avery of Adele can be one of the South's top tackles . . . as a soph LT with the Renegades, he was credited with 66 tackles and assists . . . needs work on offensive blocking . . . has terrific speed and lateral movement . . . Sumner could be an All-American before he leaves FSU.

BOB MANGAN, 21, Soph, 6-1, 246, Atlanta, Ga. (St. Pius X High). Big, fast and strong . . . Bob needs game experience, but he has all the tools to be a top tackle if he's willing to sacrifice and get in physical condition . . . Mangan, redshirted last year, could play a Renegade tackle this year.

DALE MacKENSIE, 20, Jr., 221, Clearwater, 1L. Dale earned a letter with the offense (Warriors) a year ago as a soph... he has good quickness and intelligence but has been slow developing on defense, needs more aggressiveness... Dale is a hard worker with good character.

RIGHT TACKLES

JERRY BRUNER, 21, Sr., 5-10, 229, Evansville, Ind. (North High), 2L. The fire-plug type, Jerry is the best blocker on the team . . . with the offensive specialists last year, he'll go both ways in '63 . . . has played guard last two years, moved to tackle in Spring . . . not fast, but strong, will hopefully be recovered from Spring knee injury in time for season opener . . . needs defensive experience . . . good team leader.

FRANK PENNIE, 20, Soph, 6-4, 229, Hollywood (South Broward High). An ex-red-shirt and transfer (from Ohio State where he attended on a swimming scholarship), Pennie is raw, but big and strong . . . hard work and game experience could make Frank a fine tackle.

TOM WEST, 20, Jr., 6-4, 205, Headland, Ala., 1L. Tom has good speed and intelligence afield . . . likes to play . . . a good blocker (RT on Warriors a year ago) who needs work on defensive fundamentals . . . West won Most Valuable Player on frosh team back in 1961.

LEFT GUARDS

DICK HERMANN, 21, Jr., 6-0, 195, Marianna, 1L. Dick and end Don Floyd were voted "hardest tackler" award jointly in the Spring . . . Seminole coaches say Dick can be greatest linebacker to play for FSU . . . he made 81 tackles and assists as soph . . . has great speed and quickness . . . a key in FSU's stout defense . . . also should become fine pulling guard in new role as two-way man . . . a hard worker, Dick comes to play.

JOE PARRISH, 20, Soph, 6-1, 195, Auburndale. A surprise in the Spring, Joe emerges from the ranks of the redshirts, has good speed and learns fast . . . needs game experience . . . he's being counted on to play a Renegade linebacker post.

GEORGE D'ALLESANDRO, 20, Soph, 5-10, 208, Fort Myers. A fullback in High School, D'Allesandro played there with the FSU Frosh two years ago . . . he's very strong, has good speed for a lineman . . . raw but works hard . . . a broken leg sustained in the Spring could hold him back . . . like Parrish, he was a redshirt in '62.

RIGHT GUARDS

CHUCK ROBINSON, 21, Sr., 5-11, 217, East Palestine, Ohio, 2L. Chuck, Jerry Bruner, and Charlie Calhoun are the real vets on this team . . . Chuck is a good blocker, operated with the Chiefs in '62, has been a starter for two seasons . . . good speed, very strong, and a fine competitor . . . will call Seminole defensive signals and is the take-charge guy . . . '63 should be his finest season.

STEVE SLAY, 20, Jr., 5-10, 207, Atlanta, Ga. (Southwest High), 1L. Hurt early in the 1962 season, Slay came on midway of the campaign and finished strong . . . makes up for lack of speed with desire and determination . . . also a good linebacker . . . Slay was outstanding in the season's finale vs. Florida.

JACK SHINHOLSER, 21, Soph, 6-1, 204, Tampa (Chamberlain High). Redshirted last year, Jack was an All-State and All-Southern performer in high school . . . he has all the physical credentials to be a good one . . . attitude will be the key to his success . . . he showed steady improvement during Spring drills.

CENTERS

BILL DALY, 20, Sr., 6-1, 196, Jacksonville (Bishop Kenny High), 2L. Most improved lineman during the Spring exercises . . . Daly is quick, plays excellent defense and has made rapid development in his offensive play of late . . . Bill has the team's best academic average, is a top student . . . defensively, Bill has the ability to block kicks, can make the big play when needed.

FERRELL HENRY, 21, Sr., 6-1, 200, Colquitt, Ga. (Miller High), 2L. A knee injury kept Ferrell out of Spring training ... he had an outstanding junior year in '62 until the injury came in mid-season ... he was a guard-linebacker as a soph and last year, now is at center to add defensive strength there ... a terrific competitor, he called defensive signals for the Renegades ... teammates look up to Henry ... his determination offsets his lack of speed.

JACK EDWARDS, 20, Jr., 6-1, 214, Tampa (Hillsborough High), 1L. Edwards has the size, strength, and agility . . . he's the best offensive center on the team, but needs instruction on defensive fundamentals . . . FSU coaches agree that Jack could become one of finest Seminole centers ever.

QUARTERBACKS

STEVE TENSI, 20, Jr., 6-5, 205, Cincinnatti, O. (Elder High), 1L. Eddie Feely was busy setting school passing and total offense records last year and then along came Steve . . . the blond bomber, the nation's tallest QB, called signals for the Warriors as a soph . . . in first varsity game, passed for three TD's (vs. The Citadel) . . . Tensi and Feely led Seminoles to eighth place nationally in passing offense . . . Bart Starr, on hand for Spring drills, said: "Steve has all the tools to become a real good proquarterback" . . . # 1 adjective: riflearmed . . . has a very strong arm.

Tensi's Passing Stats

CHARLIE CALHOUN, 20, Sr., 5-10, 174, Tallahassee (Florida High), 2L. One of the nation's finest defensive backs, Calhoun is a great competitor and team leader . . . "He's like a coach out there" . . . doubles as Seminole punting specialist (55 times, 37.9 avg.), also ran back eight for 99 yards . . . an adequate passer while on the offense . . . tough and rugged, a real clutch player and fine athlete.

ED PRITCHETT, 22, Soph, 6-2, 172, Decatur, Ga. (Avondale High). Versatile Ed, injured last year, could develop into an outstanding two-way operator... finished strong in spring practice... a frosh QB, he opened 1962 as a fullback... tall and lean.

LEFT HALFBACKS

DAVE SNYDER, 21, Sr., 5-10, 175, Jacksonville (Terry Parker High), 2L. After two years of service as a defensive specialist, Snyder shifted to the offense, scored 22 yd. TD vs. Ga. Tech for 14-14 tie... Dave, a tremendously competitive athlete whose fiery attitude can spark the entire team, was named Most Outstanding in Spring Practice, among other things... his offensive abilities almost match his defensive skills, will be a fine two-way performer... the Seminoles chief running threat.

Snyder's Rushing Stats

WINFRED BAILEY, 21, Jr., 6-0, 181, Atlanta, Ga. (O'Keefe High), 1L. Great poise and confidence are typical of his play . . . snagged 18 passes as soph flankerback, Bailey showed defensive potential this Spring . . . a smart, tough and solid football player.

Bailey's Rushing Stats

MAURY BIBENT, 20, Soph, 6-0, 192, Cincinnatti, O. (Western Hills High). A '62 Redshirt corpsman, Maury could be a solid performer . . . he catches the ball well offensively and is strong defensively . . . lacks great speed, but smart and a fine allround athlete.

RIGHT HALFBACKS

FRED BILETNIKOFF, 20, Jr., 6-1, 183, Erie, Pa. (Tech Memorial High), 1L. Moved from an end slot, Fred has great hands, is a fine runner after he catches the ball . . . is coming on fast as a defensive player . . . Biletnikoff could have a brilliant year in 1963 . . . caught 66 yd. TD pass vs. Tech in '62 . . . caught six passes for 118 yards . . his adjustment to new position is being counted on.

PHIL SPOONER, 19, Jr., 5-11, 170, Fort Myers, 1L. Voted best offensive player in Spring Practice, Phil is the Seminoles' most elusive back . . . very dangerous . . . leading ground gainer in '62 victory over Georgia, had a fine Spring . . . excellent runner with toughness and desire.

Spooner's Rushing Stats

JIM LOFTIN, 6-1, 182, 20, Jr., Pensacola (Escambia High) 1L. Loftin, All-Southern choice as a high schooler, missed Spring drills because he was playing baseball, but was still the FSU coaches' choice as the Seminoles' best broken field runner and "player with the most potential" . . . he could become a real good one . . . saw enough action to letter last year, caught TD pass vs. Auburn.

Loftin's Rushing Stats

FULLBACKS

LARRY BRINKLEY, 21, Sr., 5-11, 180, Willoughby, O. (South High), 2L. The most improved back in the Spring of 1963... good speed, good blocker, good runner and excellent defender (HB on Renegades last year)... jut-jawed Larry has great spirit and hustle... an important man in Seminole plans for '63.

THE OUTLOOK IN '63 By COACH BILL PETERSON

This should be an interesting year for Florida State. Since we have built our football program on a three-team system, the new rules set forth by the NCAA have necessitated our having to make some big adjustments.

However, with 26 lettermen back from last year's team, we should be bigger and stronger and have better overall speed.

Before spring training we thought the tackle position would be one of our strong points, but unfortunately, we had quite a few injuries at this position. Many of our boys are untried as a result. However, we have several young players we are counting on: Jerry Bruner, moved from guard; Avery Sumner, a defensive specialist from last year; Frank Pennie and Bob Mangan, up from the Redshirts; and Tom West, an offensive specialist last season.

John McConnaughhay, our great two-way end, is gone, but that position is one of our brightest spots with six lettermen back. We will look for Red Dawson, Don Floyd, Hank Sytsma, Butch Gunter, John Wachtel, and Jim Causey to pick up where they left off last year.

Our guards show considerable promise with Dick Hermann and Chuck Robinson, backed up by Steve Slay, Jerry Wooten, Joe Parrish, and Jack Shinholser. Robinson is the only two-way player back from last year's squad.

Center is manned by veteran Bill Daly, a defensive specialist from last year; Jack Edwards, an offensive specialist; and Ferrell Henry, who was a guard during the 1962 season.

Steve Tensi should be a great quarterback for us. At 6-5 he's the tallest college quarterback in the nation, and we're depending on his passing ability. He's backed by veteran Charlie Calhoun, who did a tremendous job on defense and as our punter last year; and Ed Pritchett, who had a successful knee operation in the spring. Anthony Gero is a sophomore who could break in any time.

At halfback we have Dave Snyder, a great competitor; Phil Spooner, a break-away threat; and Fred Biletnikoff, Winfred Bailey, and Maurey Bibent as pass receivers.

Our fullbacks are Marion Roberts, Gene Roberts, and Larry Brinkley. Brinkley had an outstanding spring and we're counting on his running. Marion and Gene Roberts are a pair of veterans who give the spot plenty of depth and experience.

As I said, it should be a most interesting team to follow through the 1963 season.

Things look even better since Mira's three key receivers of '62 are back: Nick Spinelli and Jack Sims at the halfbacks and Bill Sparks at end. Replacing Nick Ryder, the South's top ground gainer, at fullback will be a chore. Losses up front include guard-linebacker James O'Mahoney, a real good one, center Bob Dentel and end Ben Rizzo, but the Hurricanes lettered five guards, three tackles, and three ends who'll be back.

THE 1963 FROG OUTLOOK: Abe Martin was pleased with the way his veterans toiled in the Spring, says he "can't re-member when I've had a better Spring training." A heavy burden rests on the shoulders of fullback Tommy Crutcher, runner-up for SWC rushing title for the last two years. At 6-3, 205, Crutcher is being hailed as the finest all-round FB in TCU history. Gone is Quarterback Sonny Gibbs, the 6-7 giant who wound up third in the conference in total offense. Best bet to replace him is Senior Gray Mills, who lettered as a soph in '61 but saw only 35 minutes of action in Gibbs' shadow last year, completing two of six passes for 23 yards. Track man Jim Fauver (5-10, 185) is the top halfback. The Frogs look strong up the middle with giant (6-6, 251) center Ken Henson and guards Robert Mangum (210) and Steve Garmon (205) all billed as capable. Martin says his tackles are average. Problem is to develop overall speed, he adds. Defense, meanwhile, is improved; linebacking of Mangum and Crutcher is particularly impressive.

Vann, whose 1962 team finished 9-1, has 14 lettermen back and says the past Spring session was "one of our best." Seven starters are gone, and Vann must draw bench strength from a group of 36 sophomores. Tom Walters and Jack White, 1-3 in rushing last year, are back to man the halfback slots while George Sekul moves into a starting position at fullback. Walters averaged seven yards a carry. QB James Berry, who understudied the departed Billy Coleman last year, hit on only six of 18 attempts, but he has Benny McLeod and Wiley Rice, both lettermen, back on the flanks for pass receiving. Three lettermen, led by ex-guard Charley Parker, will see duty at tackle. Three lettermen are also back at guard, while Larry Ecuyer gets the center job.

THE 1963 GOBBLER OUTLOOK: With 29 lettermen returning, Tech should be an improved team in 1963. Among the veterans are 14 seniors and 19 juniors. Coach Jerry Claiborne is proud of his two veteran backs, QB Bob Schweickert (6-1, 188) and Sonny Utz (5-11, 208). Schweickert will engineer Tech's wing-T offense, also punt. The Gobblers will be strong on the line where lettermen return in the following order: ends-4; tackles-5; and centers-2. A healthy Schweickert means the Gobblers will display a more consistent offense and better kicking game. Defense and passing should also improve.

THE 1963 PALADIN OUTLOOK: Furman's patented Prostyle multiple offense will be intact for '63, headed-up by a light, quick front line and a fine backfield that includes the Southern Conference's two leading ground-gainers of last year. Senior FB Elliott Geller (6-2, 198) is the key; his 724 yds. gained on 133 carries (5.4 avg.) was the Southern Conf. best, and won him Hon. Ment. All-America accolades. At left halfback, John Cook (6-0, 175), was second in the conference with 670 yards on 100 carries. The Paladins' top candidate for "All" honors is center Doug Stacks (6-0, 190). The guards are Richard Gidding and Julian Carnes, both lettermen and big boys at 215, while the tackles, Charles Floyd and John Gettys, weigh in at 218 and 205. Coach King is confident that ends Pete Luongo and Doug Shaw, both veterans, will be fine receivers for Donovan's aerials. The Paladins have the manpower, should travel.

THE 1963 JACKET OUTLOOK: If Billy Lothridge doesn't run or pass for a touchdown, he may kick a field goal or extra point; otherwise, he'll be busy punting or kicking off. Now a Senior, the Tech QB (Football News 1st team All-America, UPI and AP 1st team All-SEC) is the nation's Most Valuable, theoretically the Indespensible Man. He'll have to operate in '63 behind a Tech line that's only a shadow of its former self. On the bright side, though, the SEC's fine end duo, Billy Martin (6-4½, 236) and Ted Davis (6-1, 225) are both rated top pro material. Fullback Ray Mendheim (6-0, 198) was the shining light last Spring. Coach Bobby Dodd has his work cut out: strengthen that anonymous interior line, develop overall depth, keep Lothridge in good health.

Only eight lettermen, three of them starters (guards Skip Mathews and Harry Puckett and fullback Roger Moore) graduated; 21 lettermen return, and the Wolfpack is exactly two-deep at every position this year except for one: right guard. QB Jim Rossi, 1008 total yards—216 rush, 792 pass), and wingback Joe Scarpati (2nd team All-ACC, 3-4 yds. per carry) are the backfield's best. THE 1963 TIGER OUTLOOK: Shug Jordan has adopted a wait-and-see attitude about his '63 team, since all four top tackles of '62 are gone and fullback is a question-mark position. Nevertheless, you can't overlook the fact that Jordan has half-a-dozen good football players: QB Jimmy Sidle, LHB Tucker Frederickson, LE Howard Simpson, C Mike Alford, and guards Bill Van Dyke (200) and Don Heller (205). Sidle (190) and Frederickson (210) moved into starting positions as sophs, can match anyone at their respective posts. Jordan hopes Larry Rawson, an All-SEC choice as a soph two years ago, can emerge from his new-found obscurity and return to former greatness. Meanwhile, brother David Rawson, who played front-line fullback most of last year, is now at halfback. Sidle is the key, but the Plainsmen need experience and depth.

1962 IN REVIEW

Florida State's 1962 Seminoles wore a "best ever" tag when they took the field for the opening game. Unbelievers were silenced quickly as FSU came through one of its toughest schedules with a 4-3-3 record.

It was a year of justification for Coach Bill Peterson's three-team system. The two-way Chiefs, the defensive Renegades and the offensive Warriors were skillfully shuffled on and off the field as the Seminoles gave notice of their "arrival" in major collegiate football circles.

Whatever heights are reached by future teams, the 1962 Seminoles will be remembered as the ones who proved that Florida State could compete with the best.

It happened this way:

FSU 49, CITADEL 0

The Seminoles came out throwing in their opener, and showed 18,000 fans in Doak S. Campbell Stadium why they received pre-season acclaims as the best team in FSU history.

One aspect of the game was portentous for future FSU opponents, that being the first varsity appearance of an unknown sophomore quarterback named Steve Tensi. The big fellow completed seven passes in as many attempts for 108 yards and three touchdowns.

Little Eddie Feely of the Chiefs began his recordbreaking final season in a solid manner, pitching 9 for 11 for 189 yards and two touchdowns.

Defensively the Seminoles held the Cadets to two first downs, 22 yards rushing and minus two yards passing. Guard Gene McDowell and tackle Avery Sumner led the charge, and guard Chuck Robinson was named "Lineman of the Week" by the Florida Sports Writers Association.

FSU 0, KENTUCKY 0

Independent Florida State is always "up" for games with Southeastern Conference opponents. Disbelievers are referred to any of the 30,000 who saw the underdog Seminoles run up and down all of Lexington's Stoll Field but the end zones in their first of three tie games last year.

FSU out first-downed the Wildcats 13-6, outrushed them 137-29, outpassed them 94-76, but the elusive Kentucky goal line evaded the

Seminoles all night.

Five times during the first half, Florida State penetrated into enemy territory, and five scoring threats fizzled. In the last quarter, Eddie Feely directed the Chiefs to a position on the Wildcat 23, where a penalty and a pass found FSU one yard short of the needed first down.

Despite the empty scoreboard, Feely was named "Back of the Week" by Florida sportswriters. He was the game's leading rusher with 47 yards on 11 carries and hit 8 for 15 passes for 60 yards.

The Seminole line was again magnificent and completely stymied Kentucky's running attack, while putting plenty of pressure on Jerry Woolum, the Wildcat quarterback. Punter Charlie Calhoun rolled five punts dead inside the Kentucky 30, keeping the 'Cats back on their heels throughout the game.

Kentucky's only threat was a foray to the FSU 11 in the third quarter. Successive losses and a subsequently unsuccessful field goal attempt from the 25 killed the advance.

FSU 42, FURMAN 0

Preceding the Furman game, Coach Bill Peterson was worried. His Seminoles looked too good in practice, he said.

As it turned out, they looked good right up until game time and didn't stop for the opening whistle as they forced Furman to punt, then marched 99 yards for a touchdown the first time they acquired the football.

Eddie Feely was again in the driver's seat, mixing his passing and running with line thrusts by Keith Kinderman and Marion Roberts. Feely capped the field-length drive with a 22-yard pitch to Ken Russom. Doug Messer booted the point after.

The Paladins bounced back with a penetration to the FSU 17, only to falter by a wave of the penalty flag.

Steve Tensi and his Warriors took over and another Seminole touchdown was in the making. Jim Loftin gained important ground in the scoring drive which saw end Don Floyd grab a 13yard shot from Tensi for the touchdown.

Shortly after halftime, the Seminoles, under direction of Feely, had another one, this time scored by the maestro himself from nine yards out after a 41-yard effort by Loftin.

Renegades and Chiefs combined for the next score, with Marion Roberts driving over from the one. Charlie Calhoun showed his passing form and Dave Snyder turned in a 14-yard run during the push.

Jack Edwards pounced on a fumble at the Furman 25, moments later Phil and Spooner went seven yards straight up the middle for the fifth FSU touchdown.

Calhoun got back into the act after Tom Hilabrand's pass interception and threw 17 yards to Red Dawson in the end zone to finish scoring for the day.

It was Band Day at Doak S. Campbell Stadium, and the music was beautiful.

FSU 6, MIAMI 7

The night of October 5, 1962, will go down as one of Florida State's most dismal The unbeaten, unhours. scored upon Seminoles invaded Miami's Orange Bowl determined to upset ninth-ranked Hurricanes.

However, frustration hovered in the sultry air and struck the Seminoles in the form of fumbles six times in Miami territory. The fumbles along with two long passes from All-American George Mira to Nick Spinelli, spelled defeat in one of the hardest-hitting games of the year.

Florida State jumped to a 3-0 first quarter lead on Doug Messer's field goal from 29 yards out. Then came Mira, Spinelli and Bobby Wilson's conversion seven points for the Hurri-

canes.

Seminole Bench Reflects Hard Action Afield

The Seminoles came back with three more points before the half, another field goal by Messer, this one a 26-yarder.

In the second half, FSU assaulted the Hurricane goal no less than three times, losing fumbles on the Miami 19, 15 and 10. The last fumble came with less than a minute to play and was recovered by Miami's Jim O'Mahoney, who gathered three Seminole bobbles that evening.

Florida State had a solid statistical edge over the Hurricanes. The Seminoles made more first downs, outrushed and outpassed the 'Canes.

Gene Roberts was the leading ball-carrier for FSU with 71 yards in 8 carries. Eddie Feely hit 8 out of nine passes for 105 yards.

The tackling and blocking on both sides was awesome. Most of FSU's fumbles came when ball-carrier met tackler with tremendous force. The Seminoles seemd to have found the answer to Mira's passing with what one Miami sportswriter called a "nosebusting rush," but the once that the Miami magician spun his web was enough.

FSU 18, GEORGIA 0

It was once a rarity for the Seminoles to enter a game favored to win over an SEC team. However, FSU's three platoons wasted little time in justifying their onepoint pick over Georgia's Bulldogs.

It was the second straight year that Florida State defeated Georgia, the team that in 1959 beat the Tribe 42-0, the biggest margin of defeat in FSU history.

The Bulldogs, playing on their home field, drove 73 yards in seven plays following the opening kickoff, and camped on the FSU two-yard Then the Seminoles line. showed why they were rated one of the nation's top teams defensively as they held the Bulldogs with a fierce goalline stand. Charlie Calhoun punted out, and Georgia had its last glimpse of the FSU end zone from anywhere closer than 20 yards out.

Ken Russom's 38-yd. punt return in the second quarter set up a field goal by Doug Messer, and the Seminoles had a 3-0 halftime lead.

Things swapped around a good bit throughout most of the third quarter with penalties, fumbles and intercepted passes thwarting both teams. Finally, FSU drove deep into Georgia territory, where Eddie Feely rifled one to end Hank Sytsma for the first Seminole touchdown. A Feely pass to Gene Roberts for the conversion gave FSU an 11-point lead.

Late in the game, Dave Snyder intercepted a pass from Georgia's Larry Rakestraw and zipped 15 yards for FSU's second touchdown. Messer's kick was true, and the Seminoles held an 18-0

advantage.

Another interception — this time by Ralph Norman — put FSU on the Bulldog 11 with 20 seconds to play, but time ran out one foot from the goal.

FSU 20, VPI 7

Virginia Tech's Gobblers came to Tallahassee clucking for an upset, and for the first few minutes there was a conspicuous absence of turkey on the Tribal table.

The bruising victory was never easy for the Seminoles, and no one relaxed until FSU scored its third touchdown in the final minute of play. VPI countered the rugged Seminole defense with a few roadblocks of its own, and was most reluctant to give up yardage when it counted.

The Gobblers stunned the 16,500 fans in Doak S. Campbell Stadium by recovering an FSU fumble on the Seminole 18-yard line. On the next play halfback Sonny Utz swept left end to score with surprising ease. It was the second touchdown scored on FSU last season and the first to be scored on the defensive Renegades.

Florida State moved in quick retaliation. Phil Spoon-

er cracked over from four yards out capping a 38-yard drive. Doug Messer kicked the point-after.

The next time the Seminoles got the ball they moved 80 yards for their second touchdown. Keith Kinderman ripped off great chunks of yardage in the drive and eventually scored on a fouryard smash. Messer again converted.

VPI had difficulty moving against the FSU defense in the second half, but the Gobblers were always in contention until the Seminoles pushed over a final touchdown just before game's end. Steve Tensi and his Warriors came in with FSU on its 49. The running of Spooner and Gene Roberts and the passing of Tensi to Winfred Bailey and Hank Sytsma got the Seminoles a first down on the VPI four, then Kinderman came in to score his second touchdown of the afternoon. A Tensi pass for a two-point conversion went awry, and the score was final with 56 seconds left.

Dave Snyder intercepted a Gobbler pass on the FSU eight to end the game.

FSU 0, HOUSTON 7

A chill wind blew in from the Texas plains, bringing with it pouring rain and a powerful football team, both of which served to dampen FSU spirits and dash Seminole hopes of a Homecoming victory after three years of waiting in line.

Houston's Cougars paid no attention to the ranked Florida State defense as they ground out 237 yards rushing in the mud. On the other hand, FSU could get only 52 yards on the ground, and the Seminole passing attack faltered when it was Houston's Frank needed. Brewer personally accounted for 122 of the yards gained by the hard-driving Cougars.

With Houston controlling the ball throughout most of the game, Florida State found only muddy frustration in its attempts to mount a scoring drive.

Houston methodically ground out its touchdown in the final period with 4:36 left to play. The drive started on the Cougar 41 and ended with Bobby Brezina's half-yard plunge into the FSU end zone. Bill McMillan booted the point-after.

Eddie Feely: "The Fox" Escapes

One high point for the Seminoles was the punting of Charlie Calhoun, which extracted them from trouble all afternoon.

Two strings ran out a little further that day. The University of Houston has never lost to a football team from the State of Florida, and Florida State lost its fourth straight Homecoming game.

It was an exceptionally rainy day for the Seminoles.

FSU 14, GA. TECH 14

Undaunted by their Homecoming loss, the Seminoles invaded Atlanta's Grant Field still convinced they were among the South's best football teams. As it was, they played favored Georgia Tech to a standstill, and very nearly pulled out a victory.

Spotting the home team seven points in the first five minutes is risky business, and FSU fortunes looked grim when Mike McNames intercepted an Eddie Feely pass and raced 25 yards for the game's first score. Billy Lothridge converted for the Yellow Jackets.

That was it until four frantic minutes in the third quarter when FSU found its scoring punch. Charlie Calhoun returned a Tech punt 26 yards to the Yellow Jacket 34. A key pass from Ed-

die Feely to Ken Russom got a first down on the 22, then fullback Dave Snyder took over, crashing right up the middle for the touchdown. Doug Messer's kick made it 7-7 with 6:08 minutes left in the third quarter.

Tech was forced to punt three plays after the kickoff, and Calhoun turned in a 17-yard runback to set the stage for some sophomore fireworks. Steve Tensi found fellow-soph Fred Biletnikoff open in the Jacket secondary, and the speedy end led defenders in a futile chase which covered 66 yards for the second Seminole touchdown. Messer was there again, and FSU led, 14-7.

Tech came back in the fourth quarter to salvage a tie by a matter of inches. McNames cracked from the one on fourth down for his second touchdown. Loth-ridge kicked the all-important extra point.

Coach Bill Peterson called it FSU's "best game of the year," and few of the 43,802 spectators cared to argue with that statement.

FSU 7, FLORIDA 20

It was a long drive home for the FSU faithful who made their yearly pilgrimage to Gainesville on that sunny afternoon last November. This was supposed to have been our year, but someone forgot to tip off the Gators.

Things started hopefully enough when Keith Kinderman dived off tackle into the Florida end zone two yards away in the second quarter. Eddie Feely had brought the Chiefs downfield 73 yards in a drive highlighted by Ken Russom's great pass-catching effort for a first down on the Gator 4. Doug Messer's kick was as reliable as ever.

However, that old fumble nemesis popped up again just before halftime, and Florida grabbed the ball deep in FSU territory. A 15-yard pass from Tom Shannon to Bruce Starling got the job done, but the kick was wide and the Seminoles had a one-point lead at intermission.

But the party was over when Hagood Clarke hauled in one of Charlie Calhoun's punts on the Florida 37 just after play resumed. Behind devastating blocking, Clarke sailed 67 yards for a back-breaking touchdown.

Florida scored again the next time the ball changed hands. This time they moved on the ground with Don Stoner getting the touchdown nod from 12 yards out. The Gators went for two points, and fullback Tom Kelly did the job.

The Seminoles took to the air with Steve Tensi and advanced to the Florida 7 before the drive ran out.

FSU came into the game having given up only 96 yds. on punt returns all year. The Gators managed to ramble for 119 yards after fielding Calhoun's punts. The big one, of course, was Clarke's.

And the big thing, naturally, was the final score. The Seminoles are still looking for that first victory over their down-state rivals.

FSU 14, AUBURN 14

The curtain-ringer carried the Seminoles to the lair of the "War Eagle," and provided a dramatic climax for the best Florida State football team in the school's 15year gridiron history.

Auburn's Tigers scored twice in the first half, setting the stage for FSU's diminutive wonder, Eddie Feely, to close out his recordbreaking career in the spotlight he had held so often during his three years as the Seminole quarterback.

Feely rallied the team in the last half and came up with two fourth down touchdown passes to tie the score.

Auburn scored in the first period when sophomore quarterback Jimmy Sidle ran 77 yards from scrimmage. Woody Woodall kicked the point. The Tigers hit again in the second quarter on a Sidle pass after an 87 yard drive.

Sidle made as if to break away again in the third quarter from deep in his own territory; however, Dave Snyder out-maneuvered a blocker and made a saving tackle on the Auburn 23. On the next play, Snyder intercepted a Sidle pass and returned 10 yards to the Tiger 13.

The Seminoles had moved only to the 10 on three plays, when Feely entered the game and tossed to Jim Loftin for the score. Messer was there with the kick and Auburn's lead was halved.

The breaks came to FSU again in the last quarter when Auburn's Tucker Fredrickson attempted to field a Calhoun punt on the Tiger six-yard line. He fumbled, and there was Florida State's Bruce Darsey to capture the ball. Moments later Feely found John McConnaughhay in the end zone for the second touchdown.

Messer calmly converted the tying point.

Thus ended another season.

THE BOB CRENSHAW AWARD

This award is given in memory of Robert E. (Bob) Crenshaw, 1955 Florida State Football Captain and student leader who was killed in a jet plane crash in 1958. The plaque's inscription reads "To The Football Player With The Biggest Heart," and the recipient is chosen by his fearmmates as the man who best exemplifies the "qualities that made Bob Crenshaw an outstanding football player and person."

The winners:

	1) ******
1958	AL ULMER, Guard
1959	RAMON_ROGERS, Center
1960	ABNER BIGBE, Guard
1961	PAUL ANDREWS, Fullback
1962	JIM SIMS, Tackle

THE "SAVAGE" AWARD

Here's an award which can be won by ten different players in a single season, and which has become one of the most coveted Seminole accolades. It derives its name not from a person, but a performance. The award is given by the FSU Conching Staff each week during the season to the most aggressive Seminole based on a study of game films. Last year's game-by-game winners:

Avery Sumner, Citadel; John McConnaughhay, Kentucky; Gene McDowell, Furman; Bruce Darsey, Miami; Dave Snyder, Georgia; Chuck Robinson, VPI; Charlle Calhoun, Houston; Larry Brinkley, Georgia Tech; John McConnaughhay, Florida; Jim Sims, Auburn, Season Winner; John McConnaughhay.

THE MARCHING CHIEFS

BRAUNAGEL

Florida State University's Marching Chiefs band, hailed by many as the South's best, has a new director this year.

Bob Braunagel, assistant director for the past 11 years, has taken the baton and promises bigger and better halftime entertainment during the 1963 season. He will be assisted by Clifford Madsen.

The Marching Chiefs will perform at all home games, plus the Miami game in Miami and the Florida game in Gainesville. The drum major is Roger McLendon, a junior from Fitzgerald, Georgia. The

Chiefs new head majorette is Janice Eddins from Miami. Charles Carter does the arrangements.

Many of the finest high school bands in Florida, Georgia, and Alabama will be present at the Furman game, November 2, for Florida State's annual Band Day.

The band has a marching membership of 120 musicians and ten majorettes.

The Seminole Football Network

The new "voice" of the Seminoles this year is Bo Mitchell, vice-president and station manager of radio station WCOA, Pensacola. The energetic Mitchell brings 15 years of broadcasting experience to the fast-growing Seminole Network, which carries Florida State football to thousands of listeners in Georgia and Florida. An exnaval aviator, Mitchell will do playby-play broadcasts of all FSU games this season.

HOY

MITCHELL

Joining Mitchell at the microphone is Tallahassee's John Hoy, sport director of WCTV. An Indiana native, he adopted Florida as his home in 1952. Hoy will do the pregame, halftime and "time-out" color commentary for the Seminoles.

Art Deeters of WTAL, Tallahassee, is the behind the scenes ramrod of the Seminole Network this season. Radio stations desiring information about the network should contact Deeters.

SEMINOLE BOOSTERS, INC.

"The Seminole Boosters provide the margin of difference between a good team and a great team."

Thus Florida State's Bill Peterson sums up his feelings toward the Seminole Boosters, Inc., an organization devoted to the support of FSU athletics with emphasis on the football program.

Membership in the Boosters—the group numbers approximately 1200 now—is open to anyone with a sincere interest in the University's athletic welfare. Minimum contribution for an individual membership is \$10, for a business membership, \$25.

Contributions are administered in accordance with NCAA regulations and in conjunction with the FSU Department of Intercollegiate Athletics.

Boosters receive a colorful automobile license plate which provides reserved parking at the stadium, a membership card, a weekly fall publication called "The Grandstand Coach," and certain priorities on season and individual football tickets.

Serving his initial term as president of Seminole Boosters, Inc., is F. Wilson (Bill) Carraway, Jr., Secretary and Manager of the Coca-Cola Bottling Co., Tallahassee. Hardworking executive secretary of the organization is Thomas A. Waits, Director of FSU Alumni Affairs.

FLORIDA STATE CLINIC

Frank Broyles of Arkansas

Sammy Baugh, Doak Walker, Norm Van Brocklin, Otto Graham, Bud Wilkinson, Bobby Dodd, Frank Broyles, Duffy Daugherty, Forest Evashevski, Ara Parseghian, Joe Kuharich, Ray Eliot, Sid Gilman, Paul Dietzel, Vince Lombardi, Dan Devine, Bear Bryant, Frank Howard, Darrell Royal, and Jack Mollenkopf.

These giants of college and professional football are among the scores of great names headlining

ten FSU Clinics since Tom Nugent started the whole thing in 1953. In this past summer's clinic, Nugent himself was a headliner guest, heralding "A Decade of Progress."

Joining the outstanding guests on hand each year, the FSU staff of coaches assists in the lectures and demonstrations. High school and college coaches and players flock to Tallahassee from all over the South for the clinic.

To take advantage of the clinic's fine personnel each year, the Florida Sportswriters Association has held annual summer business meeting in Tallahassee in conjunction with the clinic.

A basketball portion was added to the clinic two years ago; this year the program included Georgia Tech's John "Whack" Hyder, SEC Coach of the Year, as well as FSU's Bud Kennedy and his staff.

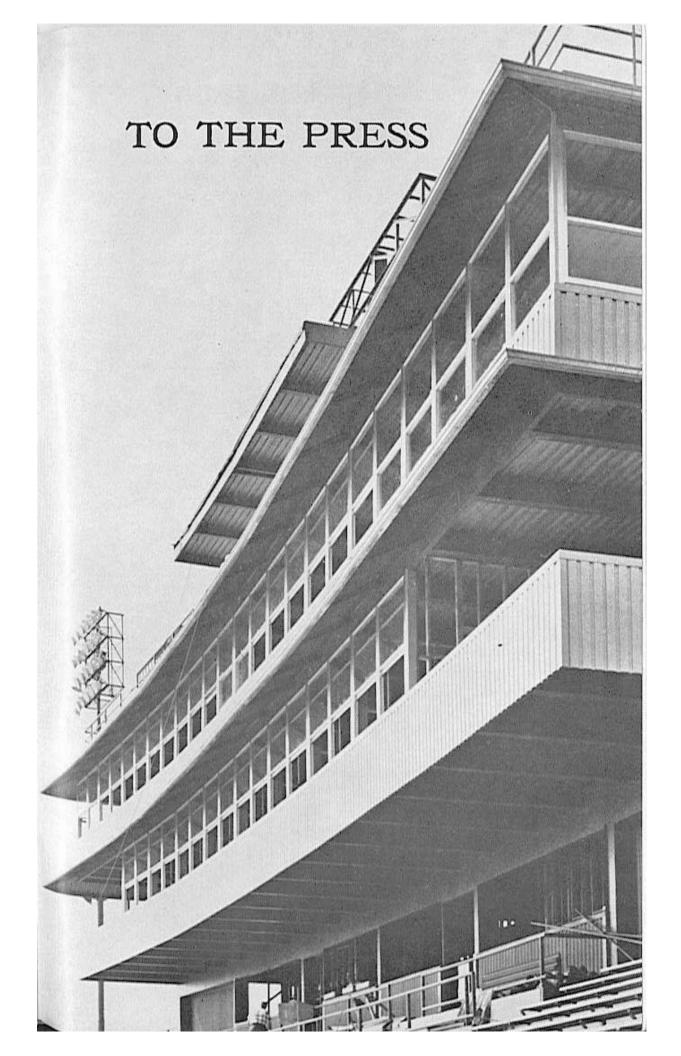

The praise of "name" guests for years has assured the FSU clinic of national prominence and a good start on a second Decade of Progress.

TICKET INFORMATION

Tickets for Florida State home football games may be purchased by letter enclosing check or money order covering the price of tickets. Telephone reservations become effective when payment is received. Season tickets to all home games (5) are \$20.00. Season Ticket holders and Seminole Boosters will have first priority to match number of Season Tickets purchased for the Florida game.
