VAUGHN MANCHA

The Athletic Director . . .

Whenever Alabama disciples gather to talk football, the conversation invariably gets around to Vaughn Hall Mancha, a living symbol of the Crimson Tide's great teams of the mid-forties.

Mancha is practically as legendary in Alabama football circles as Don Hutson and Harry Gilmer. For Florida State University's personable director of athletics was a 240-pound All-Southeastern Conference center at Alabama for four seasons (1944-47) and everyone's All-America center.

Mancha was a solid choice to return to FSU as athletic director in November, 1959, ending a three-year absence from the Seminole campus. He gained wide popularity with Florida State officials and fans while serving as line coach at FSU

from 1952 through 1956.

Born in Sugar Valley, Ga., in 1921, Mancha moved to Birmingham at an early age. He entered Alabama in 1944, when he was issued jersey No. 41, a number Alabama's football opponents tried to dodge for four years. During Mancha's four seasons, Alabama rolled to a 30-9-2 record and played in three major bowl games. Vaughn was a starter when the Crimson Tide met Duke in the 1945 Sugar Bowl, Southern Cal in the 1946 Rose Bowl, and Texas in the 1948 Sugar Bowl.

He was such a standout in the '45 Sugar Bowl—on one sparkling play he threw Duke's great George Clark for an 18-yard loss—that he was named to the All-Time Sugar Bowl Team (1945-52 period). In 1955, he was named to Alabama's All-Time Crimson Tide.

Mancha earned a B.S. Degree in Education at Alabama in 1947 and played with the professional Boston Yankees in 1948. In 1949, he returned to Alabama to earn a Masters Degree in Education. Turning to coaching, Mancha put in a highly-successful three-year tenure as head coach and athletic director at Livingston (Ala.) State.

Mancha first came to Florida State in 1952 as assistant football coach and also served as an assistant professor of Physical Education. In 1957, he went to Columbia University as an assistant football coach and associate member of the Department of Physical Education, positions he held for three years. While at Columbia, he completed all work for the Doctorate with the exception of the dissertation.

Married to the former Sybil Little of Birmingham, he is the father of three children: Clare, 11; Nan, 9, and Vaughn, Jr., 2.

BASKETBALL

J. K. (BUD) KENNEDY, Head Coach

Hoping that it won't prove to be an unlucky number, J. K. (Bud) Kennedy moves into his thirteenth year as head basketball coach at Florida State. He has a young, promising team that is facing the toughest schedule in FSU's 14 years of basketball.

Heading a list of seven returning lettermen is All-Florida forward David Fedor. The 6-6 junior from Zephyrhills, Fla.—he played high school basketball in Germany—led the Seminoles in six statistical departments as a sophomore, establishing all-time school records in rebounding (400) and field goal percentage (47.2).

Florida State, which annually plays one of the toughest independent schedules in the South, again will participate in the Gator Bowl Tournament, now expanded to six entries. Other teams entered in the three-day tournament set for Jackson-

tournament set for Jacksonville's new Coliseum Dec. 28-30 are Georgia, Florida, Georgia Tech, Navy, and Jacksonville University.

Overall, the Seminoles will meet seven Southeastern Conference teams during 1960-61—Kentucky, Vanderbilt, Auburn, Florida, Georgia, Tennessee, and Alabama. FSU also meets highly-regarded Miami (Fla.) twice.

Kennedy, whose 12 previous Seminole teams have won 148 games and lost 145, was born at Lawrence, Kan.—a natural basketball setting. He attended the University of Kansas, Baker University, and Kansas State Teachers College, playing basketball at all three schools. He was a standout football player at Baker and Kansas State Teachers.

His first coaching experience before leaving college was at San Diego, Calif., where he was playing coach of the San Diego Athletic Club for two years. Through his next few years, Kennedy coached various high school teams in the Midwest with marked success. He also coached while serving as a Naval Officer.

Kennedy came to Florida State in 1948 as Athletic Business Manager, assisted in the basketball program that year, and became head coach the following season.

HUGH DURHAM, Assistant Coach

One of the finest basketball guards in Florida State history, Hugh Durham moves up as assistant basketball coach after coaching FSU's freshman team to a sparkling 8-1 record last season.

An All-Florida choice for three years (1957-59), Durham averaged a shade under 19 points a game during three brilliant campaigns. He shares FSU's single-game scoring record of 43 points with current Seminole Dave Fedor.

FRED POWERS, Freshman Coach

Fred Powers, an FSU graduate last June, takes over as head freshman coach this season.

Powers is working on a masters degree in physical education while serving as the new freshman coach. Fred served as manager for the FSU varsity for three years after playing guard for the 1956-57 freshman squad.

SCANNING THE SEMINOLES

23-RUFUS ASHWORTH. Junior, Guard, 20, 6-3, 175, Coral Gables. One of squad's most accurate shots, Rufe had second best average (11.0) and fifth most points (176) as sophomore despite missing last nine games with fractured jaw. Kennedy rates this former Miami All-City performer, converted from forward to guard this season, as

perhaps most improved player. New-found aggressiveness, one-hand accuracy from long range make Ashworth good bet for starting spot.

45- FAUREST COOGLE. Sophomore, Forward, 19, 6-3, 184, Louisville, Ky. One of the promising sophs up from once-beaten freshman team, Coogle may miss early part of season with a shoulder dislocation. A tough competitor who prepped at Louisville's Shawnee high, Faurest is good shot, should provide bench strength when recovered.

21-BILL COTTON. Junior, Guard, 21, 6-1, 172, Aurora, Ind. One of three Hoosiers on team, Cotton has developed rapidly since averaging about six points a game while playing in final eight games last year. Becoming eligible in late season, Bill displayed much hustle and promise for future. Constant scrap makes him defensive threat and a possible fixture at a starting berth.

11—JACK DAVIS. Junior. Guard, 21, 5-10, 155, Hagerstown, Ind. Jinxed in pre-season practice with a bad back strain and then a severe ankle injury, Davis may be late rounding into form. A starter as a sophomore, Davis was real sparkplug, scoring 231 points (9.2 average) for third best effort on team. A nine-letter-winner in four sports

at Hagerstown High School, this fiery redhead will cocaptain the Seminoles along with junior Dave Fedor.

41-CLYDE EADS. Sophomore, Center, 21, 6-5, 180, St. Clairsville, O. A loose, easy playing style and excellent spring in legs make this transfer from West Liberty, W. Va., move into the frontline picture. Eads has fine potential and sense of timing but must get oriented with team's offensive patterns. With effort and hard work, Clyde could challenge for starting center position.

25-TIM EDNEY. Junior, Guard, 21, 6-0, 178, Montgomery, Ala. Muir Jennings (Tim) Edney, Jr., was a four-sport flash at Sidney Lanier High in Montgomery and is continuing as a two-sport letterman (basketball, track) at FSU. Tim appeared in 19 games as sophomore, was used mostly to harass opposition in tight spots when speed and

clinging-vine tactics were required.

43-DAVID FEDOR. Junior, Forward, 20, 6-6, 193, Zephyrhills. Beyond any doubt, Samuel David Fedor is the most promising player in Seminole history. Amazing as a sophomore, when he set a host of school records and earned All-America honorable mention, co-captain Fedor has ability to become FSU's first basketball major All-American.

With finesse and a "natural" touch, this gifted southpaw scored 527 points (21.1 average) and pulled down a school-record 400 rebounds-ranking high nationally in both departments-while hitting better than 47 per cent of his field-goal attempts last year. Named most valuable player in the 1959 Gator Bowl Tournament, Dave is playing 15 pounds heavier at 193 this season.

13-CHARLIE LONG. Sophomore, Forward, 19, 6-4, 190, Louisville, Ky. Scoring leader of last year's freshman team, when he hit a fantastic 62 per cent of his shots and averaged 25 points a game, Long's shooting talent may earn him a starting spot for a long while to come. Deadly with a long, arching one-hand shot, the erstwhile Louisville Eastern High player needs varsity experience but has the tools.

31-DALE RICKETTS. Sophomore, Guard, 19, 6-1, 170, Versailles, Ind. More confidence could help this finefeeding soph become a dangerous backcourt man. A lefthanded shooter who loves to drive, Dale is in thick of battle for a first-team guard nomination. Secondbest point producer as a freshman, Ricketts should draw numerous fouls on his dashes under the basket.

35-JERRY SMITH. Senior, Forward, 21, 6-4, 195, Chattahoochee. An All-Big Bend high school whiz at Greensboro High, Jerry will be playing his second season with the Tribe after a fine career at Chipola Junior College. Only senior on an 11-man varsity squad, Smith ap-peared in 17 games last season.

33—RAY SWAIN. Junior, Center, 20, 6-4, 181, Jacksonville. A former All-State selection at Jacksonville's Landon High, "Swish" was team's fourth best scorer in 1959-60. Playing in all 25 games, Ray scored 206 points (8.2 average) and pulled down 175 rebounds—third best down 175 rebounds—third best on team—in a fine sophomore year. Nearly 10 pounds lighter this season, Swain figures stronger and faster as he moves into all-important No. 1 center post. Has fine, high arching and hander

high-arching one-hander.

SWIMMING

N. B. (BIM) STULTS, Head Coach

Florida State's swimming team opens its thirteenth year under the leadership of Coach N. B. (Bim) Stults with an amazing record of 90 victories, 17 losses, and two ties in dual meet competition. That is a champion-ship percentage of .835.

This impressive record marks FSU's swimmers as one of the outstanding collegiate squads in the nation. The Seminoles swept past ten opponents last year and entered this season with a 16-meet victory string that began after a loss to Southern Methodist, perennial Southwest Conference power, in 1958.

Stults has guided the Seminoles through four undefeated seasons—1951, 1954, 1955, and 1960—and only ten dual losses since 1950. At one point his teams carried a 25-meet streak that spread over three seasons.

Among Stults' outstanding achievements at Florida State has been the development of five All-Americans, including two returning members of this year's squad. The All-Americans are Buck Hiles, 440 freestyle, 1959; Curt Genders, diver, 1959 and 1960; Bob Weber, diver, 1959 and 1960; Ernie Stock, breaststroke, 1954, and Roger Slater, diver, 1950 and 1951.

Stults' 12-year reign at Florida State also has produced some noteworthy team championships. The Seminoles won the inaugural Florida Intercollegiate championship in 1959 and repeated last year. They won the Florida AAU title from 1956 through 1958 and the Georgia AAU crown in 1957, 1958, and 1960.

Stults was graduated from Washington & Lee in 1930 with a B.A. Degree. He went directly to Ross High School in Fremont, O., as head swimming coach, where his teams won the Ohio state championship five times and were runners-up twice. His Ross High swimmers finished third in national competition on four occasions.

In 1939, Bim served as assistant swimming coach at Ohio State University. After serving as a Lt. Comdr. in the Navy from 1942 through 1946, he returned to Ohio State until he came to Florida State in 1948.

DEE EDINGTON, Assistant Coach

A former All-America swimmer at Michigan State, Dee Edington is in his second year as assistant coach under Bim Stults.

The 22-year-old product of Huntington, Ind., national YMCA breaststroke champion in 1959, helped Michigan State win the Big Ten championship in 1957 and to earn second and third-place national finishes in 1958 and 1959, respectively.

Edington was voted the outstanding freshman swimmer in 1956 while setting a Big Ten freshman record in the 200-yard breaststroke. He earned All-America recognition in the long-distance freestyle (14 miles) event in 1955.

Holder of numerous medals and trophies, Edington is completing graduate work in the Department of Physical Education.
