## 2024-25 SEMINOLES AROUND THE GLOBE

### LOTTIE WOAD

Florida State's Lottie Woad secured two points and the Great Britain and Ireland team defeated the United States, 11-9, to win the 43rd Curtis Cup at Sunningdale Golf Club. Woad and Seminole Hall of Famer Karen Stupples – an assistant captain – were members of the victorious team who returned the Curtis Cup to the GBI team for the first time since 2016.

Woad is a four-time All-American at Florida State and winner of the 2024 Augusta National Women's Amateur tournament. She made her first appearance in the prestigious Curtis Cup against the United States.

Woad finished with a 1-1-2 record for 2.0 points earned as a member of the GB&I Team.

### MIRABEL TING

In her LPGA debut, Mirabel Ting returned to her home country of Malaysia to compete in the 2024 Maybank Championship at Kuala Lumpur Golf & Country Club's West Course, facing off against some of the world's best golfers. Ting shot rounds of 67-75-64-70 to finish at 1 2-under, tying for 12th place.

Her third-round performance was nearly flawless, shooting an impressive 8-under 64 with eight birdies and no bogeys. This round moved her from 44th to 10th, just six shots behind the leaders. Starting on the back nine, she caught fire with six birdies, carding a 30, before adding two more birdies after the turn.

## NUMBER ONE AMATEUR GOLFER IN THE WORLD

**LOTTIE WOAD**

Lottie Woad, Florida State's star golfer, is ranked the No. 1 in the world. In 2024, she won the Augusta National Women's Amateur, claimed the Smyth Salver Award as the low amateur at the AIG Women's Open, was named the ACC Golfer of the Year, and played a pivotal role in helping the Great Britain and Ireland team win the Curtis Cup. Her incredible year culminated in being named Female Amateur of the Year by Golfweek.

Woad enters her third spring season at Florida State as the No. 1 ranked golfer in the World Amateur Golf Ranking (WAGR), a position she has held for 27 consecutive weeks since July 31, 2024. Overall, she has held the No. 1 spot for 29 weeks, including all but two weeks since first achieving the ranking on June 12, 2024. Her dominance on the amateur stage was further recognized with the prestigious Mark H. McCormack Medal, awarded annually by the Royal & Ancient Golf Club of St. Andrews and the USGA to the world's top-ranked female amateur golfer.

As a two-time All-ACC selection (2023, 2024) and a four-time All-American honoree, Woad has consistently proven her elite skills. She earned All-American First-Team honors from the Women's Golf Coaches Association in both her freshman and sophomore seasons and has twice been named ACC Golfer of the Month. She holds the all-time school record for career stroke average at Florida State with an impressive 70.56 and has claimed four individual collegiate championships, most recently winning the Landfall Tradition in the fall of 2024.

Off the course, Woad excels academically as a sport management major at Florida State. She has been named to the Dean's List twice, achieved a perfect 4.0 GPA to earn President's List honors in the fall of 2023, and was included on the ACC Academic Honor Roll in both 2023 and 2024. Additionally, she is a two-time WGCA All-American Scholar.

With a career-best single-round score of 65, tied for the all-time school record, and numerous other program records to her name, Woad has solidified her place in Florida State history. Woad was named Female Amateur of the year by Golfweek

**AUGUSTA NATIONAL WOMEN'S AMATEUR****LOTTIE WOAD & MIRABEL TING**

Lottie Woad won the 2024 Augusta National Women's Amateur Championship. Woad finished with scores of 68-71-69 and a three-round total of 208.

Mirabel Ting tied for eighth place in the 2024 Augusta National Women's Amateur. Ting finished with final round scores of 2 over par 74 and a three-round total of 1 over par 217. This was her first career appearance in the AWNA.

Both Woad and Ting have earned invitations to the 2025 Augusta National Women's Amateur and will be attending.

## ALL-AMERICANS

Nadia Ste-Marie was the first All-American in the history of the Florida State women's program. She earned All-American honors in 1989.

Karen Stupples earned All-American honors in 1995 and had a successful career on the LPGA Tour.

Kris Tamulis earned All-American honors in 2003.

Caroline Westrip earned All-American honors in 2006, 2007, 2008 and 2009. She is the only four-time golf All-American in Florida State history.

Maria Salinas was an Honorable Mention All-American in 2012 by the WGCA and earned All-American honors in 2011 by GolfWeek.

Morgane Metraux earned All-American Honors as a junior and as a senior.

Matilda Castren earned All-American Second Team honors during her 2014 season as a freshman and Honorable Mention honors as a senior.

Amelia Williamson secured a spot on the All-American Second Team in 2022.

Charlotte Heath was named an All-American Honorable Mention in 2022 and earned First-Team All-American honors in 2023.

Beatrice Wallin received All-American Honorable Mention honors in 2020 before earning First-Team All-American recognition in both 2021 and 2022.

Lottie Woad achieved First-Team All-American honors as a freshman in 2023 and repeated the achievement in 2024 during her sophomore year.

Mirabel Ting earned All-American Honorable Mention honors in 2024.

## SEMINOLES IN THE PROS

Matilda Castren started her professional career on the LPGA Tour in 2020. She has secured eight career top-10 finishes, including a victory at the 2021 LPGA MEDIHEAL Championship.

Alice Hodge will begin her professional career in 2025 on the LPGA's Epson Tour.

Frida Kinhult joined the LPGA Tour in 2021. Throughout her professional career, she has earned four top-10 finishes, including one in 2024.

Amelia Williamson debuted on the Epson Tour in 2023. Her lowest recorded round as a professional is 68.

Cecillie Finne-Ipsen turned professional in 2023 on the Ladies European Tour and has competed in 13 tournaments.

Charlotte Heath turned professional in 2024 and started competing on the Epson Tour.

Amanda Doherty joined the LPGA Tour in 2022, marking the start of her professional career. She has achieved two top-10 finishes.

## 1981 AIAW NATIONAL CHAMPIONS

With two players finishing in the top 15 of the individual standings, the 1981 Florida State Women's golf team won the AIAW National Championship. The Seminoles, led by coach Verlyn Giles, finished in the top four of all ten regular season tournaments in which they participated. The team won the Lady Gator Invitational, the Lady Paladin Invitational, the Dick McGuire Invitational and the South Florida Invitational in Tampa, Fla. They also finished with one second place finish, four third place finishes, and one fourth place finish.

After the first two rounds of the four-day tournament Florida State found itself down by eight strokes – behind the host school, Georgia, and defending national champion Tulsa. The Seminoles shot a tournament-best 298 in the third round and took over the lead from Georgia. The Seminoles finished strong in the fourth and final round outlasting Georgia on the last hole to win the tournament by three strokes.

Seminole junior Lisa Young, who won three LPGA events later in her career, finished in third place in the individual standings – only one shot behind the champions. Florida State's Barb Bunkowsky finished in a tie for 14th. Jane Geddes, the 1986 U.S. Women's Open and 1987 LPGA Championship winner, finished tied for 31st. Michele Guibault finished 57th and Marla Anderson finished in a tie for 73rd.

Young and Guibault earned All-America First Team honors while Bunkowsky were honored with All-American Second Team honors. Four of the six members of the Florida State Athletics Hall of Fame were on the Seminoles' National Championship team including Young, Bunkowsky, Guibault and Geddes.

Michele Guibault helped Florida State win the 1981 National Championship and was later elected to the FSU Athletics Hall of Fame.

Marla Anderson, who played at Florida State in 1980, 81 and 82, helped the Seminoles win the A.I.A.W National Championship in 1981.

Barb Bunkowsky was Florida State's second highest individual finisher at the 1981 A.I.A.W National Championship.

## ATLANTIC COAST CONFERENCE

Consistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 65th year of competition, still one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 189 NCAA team championships.

In women's golf, Duke ranks second in all-time NCAA championships with seven titles (1999, 2002, 2005, 2006, 2007, 2014, 2019), trailing only Arizona State's eight. Miami also claimed an NCAA national title in 1984 before joining the ACC.

Duke has dominated the conference with 22 ACC championships, followed by Wake Forest (eight), Virginia (two), and North Carolina (two).

The ACC first recognized women's golf as a conference sport from 1984 to 1986, when a minimum of four teams (Duke, North Carolina, NC State, and Wake Forest) competed. After a five-year hiatus, women's golf returned as a sponsored sport in 1992, with Duke, Florida State, North Carolina, and Wake Forest participating. NC State joined in 2001.

Florida State has been a consistent contender in the ACC Championships, finishing as the runner-up eight times (1992, 1995, 1999, 2017, 2018, 2019, 2021, 2022). Under head coach Amy Bond's leadership, the Seminoles placed second five consecutive years.

Since Bond took over, Florida State has finished in the top five at the ACC Championships nine times, including fourth-place finishes in 2012 and 2013, a tie for third in 2015, second-place finishes in 2017, 2018, 2019, 2021, and 2022, and a fifth-place finish in 2023.

Florida State has also produced two ACC Golfers of the Year: Beatrice Wallin (2021) and Lottie Woad (2024).

Additionally, two Seminoles earned ACC Golfer of the Week honors in 2024: Mirabel Ting (October) and Lottie Woad (November).

## PRESIDENT AND BOARD OF TRUSTEES

### UNIVERSITY PRESIDENT RICHARD McCULLOUGH

Richard McCullough became the 16th president of Florida State University on Aug. 16, 2021, bringing more than 30 years of academic research and leadership experience to the role as well as a commitment to innovation, entrepreneurship, and student success.

President McCullough is focused on building on Florida State University's foundation as a top public university and pursuing a bold vision for the future. Since assuming the presidency, he has recruited world-class faculty, staff, and administrators; invested in academic excellence, student success, and faculty and staff; grown the university's research portfolio; encouraged student and faculty entrepreneurial endeavors; cultivated relationships with elected officials and community leaders; enhanced fundraising efforts; and promoted athletic success.

Under McCullough's leadership, the university launched FSU Health — one of the largest and most ambitious projects in Florida State history. This initiative will transform health care delivery education and biomedical research in North Florida.

Prior to joining FSU, McCullough had served as vice provost for research and professor of materials science and engineering at Harvard University since 2012. In this role, he oversaw the development, review and implementation of strategies, planning, and policies related to academic research. In addition he led an office of Foundation and Corporate Engagement and assisted in the oversight of more than 25 interdisciplinary institutes, centers and initiatives across the university.

During his tenure, McCullough successfully built and launched the new Harvard Data Science Initiative, a collaboration between 12 of the university's schools and more than 120 faculty, which led to the creation of three new master's programs and many new undergraduate courses.

McCullough developed and launched a new structural biology program and cryo-electron microscope facility that partners Harvard Medical School with three Boston-area hospitals. He also led the development of a new \$100 million, multi-institution collaboration to build the Advanced Biological Innovation and Manufacturing Center and Facility, known as Landmark Bio, which is a hub for medical research and education, as well as economic and workforce development.

### BOARD OF TRUSTEES

The FSU Board of Trustees is the 13-member governing board for the University. Peter Collins is the Chair of the Board of Trustees.

The thirteen member Board of Trustees is composed of six members appointed by the Governor, five members appointed by the Florida Board of Governors, the Chair of the Faculty Senate and the President of the Student Body.

**PETER COLLINS**  
Chair

The Florida State University Board of Trustees was created in 2001 and is the public body corporate of the university. It sets policy for the institution and serves as the institution's legal owner and governing board. The Board of Trustees is responsible for high quality education programs within the laws of the State of Florida and Regulations of the Florida Board of Governors. The Board of Trustees holds the institution's resources in trust and is responsible for their efficient and effective use.

## UNIVERSITY/ATHLETIC ADMINISTRATION

### VICE PRESIDENT AND DIRECTOR OF ATHLETICS

#### MICHAEL ALFORD

Nationally recognized as one of the most visionary and effective leaders in collegiate athletics, Michael Alford enters his fourth year as Vice President and Director of Athletics at Florida State University in 2024-25.

The first three years of Alford's leadership of Seminole Athletics have been some of the most dynamic and transformative in FSU's outstanding athletics history. From numerous facility improvements to legislative advocacy for Seminole athletics on the conference and national levels to a resurgence of competitive excellence across the spectrum of sports teams, Alford's tenure already stands as an important inflection point for FSU.

No less important has been the alignment of FSU leadership reflecting the institution's confidence in Alford and his successful collaboration with FSU President Dr. Richard McCullough, FSU Board of Trustees Chairman Peter Collins, and the entire FSU community. That confidence has created valuable stability for Seminole Athletics, recently signified by a four-year contract extension for Alford.

Through one of the most tumultuous eras in the history of collegiate athletics, Alford has helped position Seminole athletics among the nation's elite both in terms of competitive excellence and as influential in the critical issues of the day. He has truly emerged as one of collegiate athletics' leaders while remaining true to his primary objective – an unwavering commitment to student-athlete welfare.

That commitment has produced measurable results by every metric within a solution-oriented, positive culture that places the student-athlete first in all pursuits. It's evidenced, in part, by his direction of more than \$400 million for projects to improve athletic facilities and fields in just the last three years.

It is clear to anyone that comes to campus as construction on the 150,000 square foot Dunlap Football Center and state-of-the-art improvements to historic Doak Campbell Stadium are fully in progress entering the 2024 football season.

Alford is equally committed to the success of the student in the classroom resulting in the strongest consistent academic performance in athletics department history. FSU student-athletes established an all-time best cumulative grade-point average of 3.250 as a department in Spring 2024, continuing a trend of unsurpassed classroom performance over the last two years. That trend began in Fall 2022 when FSU's cumulative GPA for all student-athletes eclipsed the 3.2 mark for the first time. The trend continued in Spring 2023 record with another record high of 3.211, improved in Fall 2023 with a new record GPA of 3.212. During the Fall 2023 semester, all but one team finished the term with a 3.0 GPA or higher which marked another milestone.
