#### DIRECTOR OF ATHLETICS HOWARD DANFORD

From a pickup schedule of five games in 1947 with minor teams to a full ten-game slate in 1953 including VMI, Furman, Miami (Fla.), North Carolina State and others sums up the growth of FSU football under Director of Athletics Howard Danford.

Danford heads up the athletic program at Florida State

as athletic director and director of physical education for men. Danford came to FSU in 1947 from Madison (Wis.) where he had served as director of health, physical education, recreation and safety for the Madison public school system. Under Danford's guidance the FSU

Department of Athletics has been ex-panded greatly, both from a stand-point of curriculum and personnel.

A well-rounded program has been developed at FSU. The university competes in nine intercollegiate sports (football, basketball, swimming, tennis, gymnastics, volleyball, golf, track, baseball). In addition the university

athletic department sponsors the nationally famous student circus, "Flying High", and the equally renowned produccircus, "Flyms" "Gymkana."

Danford received his bachelor's degree from Ohio University and later was awarded his masters and doctorate degree at NYU in 1943.

Author of numerous magazine articles, Danford has held positions of prominence in national organizations. He is current president of the College Recreation Association and regional representative of Region VI of the United States Volleyball Association. He is past president of the Florida Recreation Association and is chairman of the public relations committee of the Florida Health, Physical Education and Recreation Association.

Danford's wife's name is Helen. They have two children

Martha 9, Danny 7.

#### ASSISTANT COACH WINSTON SIEGFRIED

Winston Siegfried comes to FSU this fall after eight highly successful seasons of coaching at the prep school level in Virginia and North Carolina.

A player under Wallace Wade on the 1938, '39, '40, and '41 Duke University teams, Siegfried was an all-Southern conference and second team all-America fullback selection

in 1941. He played in the Rose Bowl game that year against Oregon State.

Siegfried served in the Navy threeand-one-half years, getting in two seasons of play with the Bainbridge (Md.) team. He played pro ball with the Washington Redskins in 1945, then coached two seasons at Fork Union (Va.) Military Academy. His next stop was a two-year stand at Varina High in Richmond where his teams had a 13-5-1 mark.

Siegfried continued his climb up the prep coaching ladder and in 1948 served as backfield coach at Hampton

(Va.) where the team won the state title.

The 1949 and 1950 campaigns found him at Sanford (N.C.) High as head coach where his teams posted identical 9-3 marks and gained two regional titles.

He moved to Henderson (N.C.) in 1951 and there his team won nine, lost none, and tied for the Eastern championship. His 1952 team was runnerup for the North Carolina AA championship, losing in the state playoff, after copping the regional and Eastern crowns.

At FSU Siegfried will work principally with the backs.

Winston is married - his wife's name is Ann. They have three children - Judy 9, Nancy 6, and Tommy 3.

### FSU's Head Football Coach Tom Nugent

Tom Nugent, originator of the 'I' formation, the typewriter huddle, the double quarterback, and recognized as one of the nation's brilliant young grid mentors, picks up Florida State University football fortunes.

Nugent comes to State from a highly successful fouryear tenure as boss man of VMI's colorful Keydets of the

Southern Conference. In four seasons at the Lexington (Va.) school, Nugent injected new life into the VMI eleven. His record there was a respectable 19-18-2.

So successful has Nugent been everywhere he and football have associated that Seminole boosters are already looking to him as the man to carry the Garnet and Gold into the National gridiron spotlight.

Nugent's coaching record dates back to his college days. After starring on the Ithaca College eleven three seasons and graduating in 1936, Nugent coached Ithaca frosh while doing graduate work.

A native of Lawrence (Mass.), Tom returned to his home town the next season where he became head coach of football, basketball and baseball at Essex Training School. Three seasons there produced two undefeated grid teams.

The Air Force summoned Nugent in 1941, interrupting his coaching career temporarily. But Tom and football soon joined forces again. He was named head football coach of the Rosecrans (Mo.) Air Base Flyers. Other duties included writing, directing, and presenting shows for the entertain-ment of troops. Nugent was then and still is quite a song and dance man. He likes to put on a show as his formations and the style of play of his teams attest.

After his discharge in 1946, Nugent was appointed head coach at Williamsburg (Va.) High. His '46 team was undefeated in league play and also copped the state basketball, paseball and track crowns, bringing about the reclassification of the school to Group II.

Tom moved to Hopewell (Va.) of Group I calibre in 1947. His '47 eleven posted a 7-2 mark. His 1948 team won eight and lost two, the losses both by a single point. So, three years of high school coaching produced a record of 24 wins, four losses for Nugent.

Then came Nugent's big change—head coach at Virginia Military Institute of the Southern Conference, a school steeped in football tradition but one which had been in the circuit's doldrums.

Armed with the same "optimistic" outlook and that "Nugent Golden Touch," Tom stepped into the VMI job. His first season there, 1949, was a 3-5-1 effort but the VMI folks were pleased. His team was a hustling hard-hitting eleven. The season of 1950 was a good one. The Keydets won six of 10 games including two resounding upset wins over The 1951 season was Nugent's hort at VALL. The 1951 season was Nugent's best at VMI. The Keydets won seven, lost three, to share the Southern Conference title with Maryland. The 1952 VMI team won three, lost six, tied one.

In his coaching career, Nugent has developed three major football techniques. His first was at Matthew Whaley High in Williamsburg, where he found two quarterbacks on his squad, one a left hander, the other a right; so he put both behind the center, and baffled the opposition. Notre Dame picked it up a year later. The typewriter huddle was employed first by Nugent at Hopewell High in 1947. Latest and most startling of the Nugent innovations, however, is

#### ASSISTANT COACH VAUGHN MANCHA

Vaughn Mancha, former all-America center at the University of Alabama, begins his second season

in Seminole livery as an assistant coach. At FSU Mancha works with the forward wall. Symbolic of the Tide's greatest era, Mancha lettered on the 'Bama teams of 1944, '45, '46, and '47. He was an all-Southeastern and all-America selection as he helped pace the Red Elephants to an undefeated season and to a 34-14 win over Southern Cal in the 1946 Tournament of Roses. Big Vaughn played in two Sugar Bowl games (New Year's of '45 against Duke and New Year's of '48 against Texas).

After receiving his bachelor's degree at the Capstone in 1948, Mancha played a year of pro ball with the Boston Yanks. He then re-entered 'Bama and received his masters degree in 1949. He came to FSU last season after a highly successful three-year tenure as head coach at Livingston (Ala.) Teachers College. His teams

there posted a respectable 21-7 mark. Mancha is married — his wife's name is Sybil. They have two daughters, Nan 4 and Claire 2.

#### THE 1953 VMI KEYDETS

By TOM JOYNES
Sports Publicity Director
VMI

VMI comes to Tallahassee sporting an even three-won, three-lost season record, considerably better than pre-season anticipation by Head Coach John McKenna. But the most disheartening aspect comes in the fact that the Keydets should have a five-won, one-lost mark on their football report cards. Only last week's 52-20 defeat at the hands of West Virginia was a decisive victory for the opposition.

In losing to George Washington, the Keydets failed to score a number of times, and dropped a 14-13 decision. In Richmond, three costly fumbles stopped VMI drives and time ran out in the fourth quarter as the Keydets were rolling goalward. Richmond got a 13-7 victory. In both those losses, however, VMI made more yardage than either of the victors.

On the win side of the ledger, McKenna's charges opened their slate with a 44-0 romp over Catawba colege in a surprise to everyone. In Charleston, the Keydets ran over the Citadel, 14-0, amassed over 400 yards rushing. Then came the big upset. VMI rallied in the third and fourth quarters to subdue Virginia, 21-6, after trailing 6-0 at halftime.

The .500 record to date, then, is one which could have been .833 with one break in each of two ball games; however, it's considerably better than the pre-season outlook had indicated. VMI opened the campaign without a seasoned reserve in more than three positions. Most of the subs on

the 38-man squad were up from last year's Jayvee team, which had a poor season, But, to everyone's surprise (yes, even the ball players') the reserves have come through to hold their own, and with each week's performance, the second and third stringers have shown decided improvement both offensively and defensively. In fact, there are now a few positions where the starting lineup isn't quite definite until game time.

JOHN McKENNA Head Coach

Besides the improvement of the reserves, fortune has smiled upon the health situation so far. Before the West Virginia game, there had been only three serious injuries. Quarterback Dick Fencel was sidelined for the year with a broken collarbone. End Bill Guy was put out of operation for about six weeks with an ankle wound in the third game. Fullback Troy Carter missed two games with bruised ribs, but he's back now. If the bruises received in the West Virginia game don't turn out to be too serious, the Keydets could come to Florida with only Fencel and Guy on the inactive list.

Tonight's FSU game, incidentally, is the last one on the Keydet slate which is figured in the "toss-up" class, with the VMIs given a chance to win. From here out, McKenna and company face William and Mary, Cincinnati and Virginia Tech, all of whom are from two to five touchdown favorites.
