

INDIANS COP 3RD STRAIGHT

Kendall, Benjamin Pace Attack

The Florida State University Seminoles hit the basket from all angles here last night to bury the Red Wave of Troy State Teachers College 61-27 in a basketball game at the West Campus gymnasium.

A small but enthusiastic crowd of 321 faithful fans cheered Coach Bud Kennedy's charges on to their third straight victory of the young cage season.

The Seminoles scored their initial basket shortly after the opening whistle and were never headed. They led at the halftime intermission 28-10, and continued to pile up the score in the last chapter as Coach Kennedy substituted freely.

Kendall High

Dick Kendall, rangy guard from Shelbyville, Ind., paced all individual scorers for the evening with 12 points, but it was stocky Lee Benjamin of Miami who got the Seminoles off to their running start. Lee opened the game with his one-handed push shot red hot, and personally accounted for the first ten points of the ball game with five field goals.

Benjamin added a free throw later in the contest for a total of 11 points and was runnerup to Kendall for individual honors.

Veteran Center Larry Dickson of Tampa registered 8 points for the winners, setting the pace in the Seminoles' last half drive.

Wave Off

The outclassed Troy State quintet battled all the way but was unable to hit field goals or free throws with any degree of regularity. The Wavemen missed time and again on apparently easy lay-up tries, and made good on only 9 of their 27 charity throw attempts.

The Seminoles will play their final home game until after the Christmas Holidays here next Thursday night when they meet College of Charleston at the West Campus gym. Game time 8 p.m.
