LAKE LAND — Florida State's basketball Seminoles pounded to their third triumph in as many nights with a 98-80 decision over Florida Southern here last night.

It was FSU's highest point production of the season. Earlier this week, the Seminoles bounced Tampa and Rollins.

Ham Wernke, the Seminoles' Helms Foundation All-American

ace, led the way with 27 points. Jimmy Oler got 19 for the Tribe.

The game was tied 21-21 at the end of the first quarter but FSU started pulling away in the next frame and was never in serious difficulty after that.

The FSU team was due to return to Tallahassee today, rest up a couple of days, then head for Deland and a Saturday night date with Stetson University.
