## NIT BASKETBALL

N. C. State vs. Florida State

March 15, 1984

### COACHES' QUOTES:

JIM VALVANO, N.C. State: "We had every chance. We had the one-and-one at the line, then we had two jump shots. That's all you can ask for. And we had our best shooters taking the shots. They just wouldn't go down.

"Florida State is an excellent basketball team. They've been playing very well down the stretch. It was a heckuva college basketball game. I don't anyone can complain about not getting their money's worth. Only thing is, we didn't win and make our Wolfpack fans happy. I told the kids we've got to come back from adversity. We had 19 wins. The only thing is were 19-7 and we finish 19-14.

"I'm disappointed for our kids. At one time, I thought we had it won. Their kid, Allen Ithink it was, made a ~~great~~ great drive and reverse underneath. It was a great play.

"I congratulate Florida State and wish them well in the NIT. As for us, we're going to look forward to ~~next~~ next season. The NIT is very ~~some~~ strong field. You're going to have a lot of games like this one."

JOE WILLIAMS, Florida State: "This is just a great victory for our program. We felt like there were a lot of things working against us -- having to go on the road in this tournament is never easy. But coming into this place and playing the defending national champions. . . Well I just can't tell you how great it feels.

"Our guys played hard all night. I thought the biggest key was our man-to-man defense. We felt like we had to shut down there inside game. We did that well all night. Myers hurt us early and then Gannon starting hurting us ~~in~~ from the outside but we adjusted to that pretty well.

"I just can't say enough about the job Randy Allen did in there. And Alx Gipson playing ~~tax~~ with that bad hand. I thought we intimidated them. Allen has gotten a pretty good lesson this year. You've got to remember he's played head up against Charles Jones from Louisville, Keith Lee from Memphis State, Jimmy Foster from South Carolina. Tonight, he really did a job on Charles. And when he needed help, Gipson was right there."
