QUOTES

FLORIDA STATE COACH JOE WILLIAMS

"This is a great way to start our conference season. Any time you win a conference game over a team like Cincinnati you're pleased. I was happy about the way we played under pressure. I thought Pee Wee Barber showed tremendous poise and confidence in the last few minutes. We just did what we had to to win. We have not been playing as well as we've been practicing but I think this win will help us. We've been under a great deal of pressure.

"We went to a three-guard set-up because we thought the added quickness ~~would~~ would help. I thought that put some added pressure on the Raleigh Choice did a good job underneath defensively but we still got beat pretty bad on the boards. That's something we have to improve."

CINCINNATI COACH TONY YATES

"I'm proud of the players and the way they played today. They worked so hard to build the lead, but we hit a stretch when we failed to convert on a couple of opportunities and turned the ball over, and as a result we didn't maintain that lead.

"I was pleased by the way our players got into the flow. We wanted to play this type of up-tempo game. We didn't play particularly well in the first half but we walked off the court at halftime down by only five points and I didn't think they (FSU) could continue to score from the outside like they were doing.

"The players played very hard. They gave it their all. Despite the final score, they can walk away with their heads held high."
