COACHES QUOTES

JOE WILLIAMS - - FLORIDA STATE

"Thought they ran the last play exactly like ~~W~~ I planned." JOKE

Tat made a great play. ~~WE~~ Something good finally had to happen. "Players are real happy and they kept up a good attitude throughout the bad times. I'ts nice to be able to accomplish something. We may have some kind of shot in the tournament if we keep on playing well at home.

"We played real good defense and came back in second half and played real well." "In the second half PEE WEE played very smart game -- cat and mouse ~~WE~~ Game. So did Shaffer. He's smart and played good defense. We needed him (Shaffer). On the bench I was thinking we deserve to win this one.

DANA KIRK - - MEMPHIS STATE

"Florida State played extremely well, they deserved to win this game. They got on the boards real strong. In the first half alone they outrebounded us by seven.

We did not shoot the ball that badly. Forty eight percent is not that bad, but you can't shoot like that during this part of the season. We have to get in the same groov we were in early in the season.

At the end, the guy who took the first shot was the one we wanted to. His teammate just a had a good tip in

Barber played w awfully well. Their guard got 48 points between them. You can't let that happen.
