COACH JOE WILLIAMS:

"This is a great way to go out. I've got a lot of great memories at Florida State. Wendy and I both have had a lot of good things happen to us. I wish the new coach the best in the future.

"I thought we ~~didn't~~ didn't play all that well in the first half. We just went in and had a talk and decided that we were going to play better in the second half. We were pointing Michael Foster because he had hurt us so bad the first time. I think that left Dozier free a lot of the time. We did a much better job of covering him ~~up~~ up in the second half.

"Randy Allen played real well. Today he was flicking that wrist just right. He's been working on getting his shot back and today it looked like he was real ~~comfortable~~ comfortable."

COACH BILL FOSTER:

~~Nothing to say here~~

"I thought we had a great opportunity here today and let it slip away. We didn't attack their press or the basket late in the game. We just didn't have a take charge person today. We mishandled the basketball and had too many turnovers in the second half.

"Randy Allen was tremendous in the second half with the way he scored and rebounded. Jerome Fitchett played well for them and Tat Hunter gave them a lift off of the bench.

"I'm very disappointed. The last play of the first half gave them some ~~much~~ confidence. We were playing pretty well up until the 9 or 10 minute mark of the game. Then things just started going wrong.

"It hurt us early that Michael Foster was in foul trouble. He just wasn't as active today as he has been in the past."
