Team Florida

Norm Sloan--Florida Head Coach

"This was a pretty tough ball game for both ~~teams~~ teams. I do know, FSU played very well. We lost some organization in ~~the offense~~ the offense. All in all I saw some good things out there. I'm not surprised FSU played well, they're a tremendous ball club.

We didn't get a big performance out of a lot of our people. This is disappointing but it's not the end of the world. I still have a lot of confidence in the team."

Vernon Maxwell--Florida guard

"They executed a little better than we did. At the end when it got tough, they got tough. We just have to bounce back. This game will be a learning experience; as this team gets older we will be a lot better team. This game shows us when it gets tough we'll have to get tougher."

Pat Kennedy--Florida State

"This is something that a coach would say, but I think we really didn't play that well. We looked disorganized at times and had some turnovers at bad times. I thought the turning point was in the second half when we went with the Half court trapping defense. It's something that we used at Iona. It probably won 100 of the 120 games we won.

I thought we were gutsy, tough, and played hard. I'm happy. For the first game, to beat a top 20 team is great. I think we're going to be a decent team."

Randy Allen--Florida State

"We're out to a great start. Since it's my senior year I'm very glad to beat the Gators."
