Florida State vs. Louisville

Head Coach Pat Kennedy

"

I'm baffled. I've been in this business for 15 years and I've never seen incompetence this high. The officials shouldn't affect the game like they did. We have to live with it., but we don't like it. You work so hard and it really hurts you. This was a big game and we had to go to the bench. We just don't have the strength at point guard. We came into the game prepared well."

Louisville

Head Coach Denny Crum

"It was the best effort we've had in the last three or four games. As time goes on I hope we can eliminate some of the silly mistakes. As long as we play hard, I'll be pleased. This was our best game for 40 minutes this year and we needed it because Florida State is a great basketball team. Coach Kennedy has done a good job with their program."
