Florida State Head Coach Pat Kennedy

"We told Pee Wee before the game that if he didn't have 25 points by the half we were going to sit him down. He was sensational in the first half. He was on balance and I saw the concentration in his eyes."

"We told the Seniors that this was the last game they would play against MSU, and to play it like the last."

"Tony Karasek played physical. He didn't allow Alexander to get inside position. That was a key."

"We knew they were going make a run at us sooner or later. They're a legitimate top 20-25 team, no question about it."

"Shooting is a key to this team. We shot 51% from the floor and 71% from the line."

"I'm excited. It's a great win for this program."

Memphis State Head Coach Larry Finch

"

"They shot the ball actually well in the first half. We may have been a little tentative on defense. Pee Wee got rolling, it was hard to stop him. I thought this was the first time this year that our young guys lost their poise. The fans were very vocal."

"I thought it was a matter of time before Florida State would get rolling this year."

"They force us into a pressure game. We got way down, we had no choice. If we would have hit a couple of free throws down the stretch it might have been a different ball game. I thought our guys gave a 100 in the second half. With three minutes left we were back in the bam."

"

Askew did not take his shots in the first half. At halftime, I told him to get more involved in the offense."
