TENNESSEE COACH DON DeVOE:

"This is what big seasons are sometimes made of...somebody making big plays when they're needed. We had a letdown the last minute and a half of regulation and didn't do a good job taking care of the ball. What can you say about Greg Bell? He had a couple of blunders out there, but a guy with confidence in himself will try extra hard to make up for it. He zeroed in on the basket at the end, and I think he would have hit from 45 feet.

"Other than the basket by Greg, an awfully big play was when Mark Griffin slapped the ball back out after the missed foul shot to give us a chance at the three pointer. We were going to go for three all the way.

"Even at the end Florida State had a chance for a three-pointer that would have tied the game. This three-point play makes it an altogether different game. We didn't win a single game like this last year. One like this can do wonders for a team.

"We'll have to fight for everything we get all season. I hope we get better as we go along."
