Quotes from Louisville Head Coach Denny Crum

"I was very proud of my team. I thought that considering they were up all night and didn't get any sleep, to come back and outplay Florida State in the second half like we did made me very proud of them. In spite of the foul trouble we had, I thought our guys sucked it up and played about as hard as they could play. I thought ~~that~~ Florida State played very well, especially in the first half. When they shoot as well and play as hard as they do, they're going to be hard to beat. As you can see so far in our league, we've lost on the road and so has Memphis State and Southern Mississippi. I can assure you that this league's not going to be won with just one loss."

Quotes from Florida State Head Coach Pat Kennedy

"I thought we had the ingredients tonight to win. We were rebounding and controlling the boards. The December schedule was definitely a key to winning this game. The kids have been under fire and they believe in each other now. You'll have to ask Denny if a lack of sleep hurt his team. I really believe that if we didn't play hard, we wouldn't have won. We were playing the odds when we decided not to change too quickly when they made the run. We were just hoping we could hang on and win."
