MEMPHIS STATE COACH LARRY FINCH

I thought our young people fought hard out there tonight...plus I have to ~~give~~ take my hats off to Florida State. They played a good game. They did what they had down the stretch to win it. A few inches here or there and we had our chance to win.

I'm really concerned that we go 20 minutes with full court pressure...and Florida State doing the same thing and they have just four team fouls. I have to be concerned about that. Then Cheyenne Gibson gets called for traveling down the stretch run. This concerns me. I'm not one who normally complains, but a few things happened out there that were not necessarily right. I do not want to take anything away from Florida State. They did an excellent job.

I'm extremely proud of my young freshman. They hung in there. Couple inches here or there and we could easily be 2-0 in the conference.

FLORIDA STATE COACH PAT KENNEDY

These guys did a great job concentrating on their shooting;. Tharon hadn't been shooting all that well--and he's been working at it; between classes or whatever.

Both teams had to stay in their game plans. They (Memphis State) utilized their quickness--I think they're the quickest team in the Metro.

You've got to make smart individual decisions in a game like this. That's what the kids did down the stretch.

We're excited about where we are after 9-4. I know these guys are winners. They know they're winners and that's what's important. ~~XXX~~ They're showing a lot of character. That's what I love to see.

(About suffering a letdown after Louisville game) Emotionally you're still thinking about the other game but you have to get up for each one and take each one one at a time.

The kid Douglas was hitting from the outside in the first half--he got 16 points. So we made some adjustments. These kids are starting to respond to adjustments.

We're just happy to be here (9-4). I wish the season could end and we could come back next year (just kidding)"
