M.K. Turk, Southern Miss

"Today, both teams played pretty well. I have to give FSU credit, they have an outstanding team. We did a lot of things right on both ends of the floor. If the ~~from~~ situation had been where we hadn't made errors, it would have put us on the winning ~~side~~ side. I was pleased with the teams performance. After the Memphis State game, I was upset. K Today We worked hard, moved the ball well and got good shots. Our defense was adequate.

FSU was a little too good for us this afternoon. It's hard to defeat a team on the road. We've been on the road for a long time.

I thought it was a well played, hard fought game--too bad we didn't come out on the right side of the score.

Pat Kennedy, Florida State

"I'm really thrilled with the way the kids are playing. We've worked on our half court trap. We came in here knowing we had to play man to man and pressure them on the perimeter. Overall it's the best defensive performance we've got from all our guys.

Tonight our kids showed a lot of maturity.

We're very ~~xxx~~ fortunate that our schedule is like it is and it's gone in our direction. Now we've got to play on the road. This conference is incredibly difficult to play on the road."
