COACHES' COMMENTS

Game 3

FLORIDA STATE -- Pat Kennedy

The game was exactly what we thought it would be. I thought it would be a one-pointer.

We really were where we wanted to be at the end of the game ... in control of the ball.

I was pretty satisfied with the way we played, except we didn't get the wind.

KANSAS STATE -- Lon Kruger

(re the game winner:) He (Steve Henson) did a got job getting off the shot because they had a foul to waste.

Florida State's a very good basketball team, and I think they basically controlled the game from the 10-minute mark in the first half to three to six minutes left.

We're extremely fortunate, obviously, to have a chance to win
