Winning Coach quotes, Bob Huggins, Cincinnati:

Coach Huggins: "I thought that early in the game, we did a good job defensively. Our man-to-man defense got us the early lead. Their 1-3-1 half court trap hurt us; we didn't execute against that very well. That got Florida State back into the game. We struggled on offense most of the night...~~During the game~~ ~~last night~~...There at the end, I turned to my assistants and asked if we should let Brady (Hughes) get in the game and let him win it, or go on to the second overtime...I think Pat Kennedy tried to call time out there at the end, but his players didn't see him...Andre (Tate) did an excellent job of rebounding and keeping the ball alive. He has been a leader for us all season...I don't think our guys ever doubted themselves tonight...The big fellow (Starks) was very active tonight...Since day one, I've said there are two constants in basketball -- rebounding and defense. There is no excuse for not playing good, hard defense and rebounding the ball. We worked extra hard on rebounding this past week...I've said many times, I don't believe there are 64 teams in the country better than us. We don't beat people badly and there will be a lot of teams that get into the tournament that can't do the things that we do. I think we are deserving of a bid. It's a crime if this league doesn't get two teams in the tournament, and there really should be three teams."

QUOTES FROM CINCINNATI CENTER KEITH STARKS:

"We came out strong. We felt we were a better ballclub. We wanted to win this ballgame, not only for us, but for Coach (Huggins) and Andre (Tate), since it's his last go-round.

"Every team is going to have their runs. Florida State made theirs and took the lead. We just hang in there and find ways to win."

QUOTES FROM CINCINNATI GUARD BRADY HUGHES:

(on game-winning shot) "I was playing down in the rear and letting the older guys go to the basket. Andre (Tate) drove the basket and my man doubled Andre. Andre made a great pass.

"Actually, I didn't think we was going to pass it to me. I wasn't sure he saw the double team. He did, and I was wide open.

"Even back on the playground, you always practice last-second heroics. I'm just happy my time finally came."

PAT KENNEDY QUOTES

"This was a tough loss. We didn't play very good basketball. We came out tight and got behind early and had to fight back.

"The two glaring things that stand out are that we didn't get any loose balls. We were a step too slow tonight getting to the loose balls. That and we shot 40 percent from the foul line.

"Cincinnati has found ways to win this year. That is a mark of a good team. They deserve an NCAA bid. The power ratings are not near as accurate as they have been in past years.

"We had two timeouts left. If Aubry (Boyd) made the free throws, we wanted to call timeout to set the defense. If they made the shot, we wanted to call timeout to set the offense. The kids just drew a blank. That took away the opportunity to win the game. We didn't lose the game because of it. We just lost the opportunity to win it.

"It is all five guys responsibility to call timeout. It is not one person's responsibility. It should be the player closest to the official. It just didn't happen.

j "Cincinnati beat us on the offensive backboard. They are a very athletic team and rebound strongly. They were a notch above us on the offensive boards."

FLORIDA STATE GUARD THARON MAYES

(On the feelings of the team after he tied the game in regulation) "At that time, I thought the game was up in the air. I thought that if we could play tough defense in overtime and run our offense, we could win the ball game."

(On Cincinnati's winning shot) "I was covering my man (Tate) man-to-man. I got him to go to the baseline and he forced himself to go there. I went for the charge and Rodney Dobard came over to help. He just made a good pass to Rodney's man for the basket."

(On not calling a timeout at the end) "We just all blanked out. You can't win a ballgame like that if you don't think at the end."
