Florida State Head Coach Pat Kennedy

"IT seems like we're always one brick shy of putting ourselves in great position. Andre gets his fourth foul, were up by one, then they have the run. Andre is so key to what we're trying to do. We have to have him in the game.

"One disturbing stat was that, at one point, the foul shots were 28-1. I don't want to take anything away from Duke, because they are a great team. I don't know how to address that properly, but they had attempted 28 free throws to our one.

Duke Head Coach Mike Krzyzewski

"First, I'd like to congratulate Florida State. That was a heck of a basketball game tonight. Coming off the stretch they came off, with the tough loss at Florida, I thought they would be a little tired. They were quick tonight.

"I don't think we did a good job in the half court set, but we attacked their press well.

"In the second half, we made some adjustments as far as whose guarding who. Tony Lang did some dirty work for us. He did a good job on Sura in the second half. Grant stayed in there, even though he wasn't shooting well, he almost had a triple-double. His rebounding and his defense on Charlie were important factors."
