DELAND—Despite wet grounds that kept their usual wide-open base running to a minimum, Florida State's baseballers routed Stetson, 15-0, here yesterday.

The two teams meet again this afternoon.

Junior hurler Jack Bristol limited the Hatters to only five hits in going the distance to record the shutout. Bristol also got two of the Seminoles 11 hits.

McCARRON HOMERS

Owen McCarron, the fleet FSU centerfielder, slammed the game's only home run, his first this year.

Other Seminoles who figured prominently in the FSU hitting parade were outfielder Bob Rosell and infielder Dick Howser. Both had two hits.

Infielder Jack Shewan had two of Stetson's five safeties.

Commenting on yesterday's game, FSU coach Danny Litwhiler said "everything seemed to go well for us. We were hitting the ball well and getting the breaks on the ball.

"The wet grounds slowed up our running game quite a bit but as things turned out, we didn't especially need it."

Litwhiler said junior Tom Garcia would pitch for FSU in

today's game.
